CENTRAL
CONNECTICUT STATE UNIVERSITY

Planned Program of Graduate Study

The graduate planned program of study (GPPS) is an important document representing an official agreement between the student and the university, with the academic advisor. The GPPS lists the courses and other requirements that must be completed prior to program completion or graduation. The GPPS is not official until your academic signs and approve it and it is processed by the Registrar's office; it must be submitted before the completion of 15 course credits. (An earlier submission is recommended.) The official copy is retained in the student's university academic record. The GPPS must be revised for submission if changes are made and approved by the advisor.

Name:	Student ID#:
Phone #:	Degree: MS
CCSU Email:	Major: Biomolecular Sciences
	Academic Advisor:

CCSU Courses* (Recommended Sequence)	Course Sub or Transfer/ Univ. Where Taken	Credit Value	Semester Taken	Year Taken	Grade Received
BMS 501 Fundamentals of Biomolecular Science		2			
BMS 540 Advanced Topics in Biomolecular Science					
Electives 19-22 credits					
BMS 591 Independent Research Project in BMS					
Capstone Plan A or B:					
Select capstone choice:					
Required Degree Credits		30	Cannot Exceed 6 Years for Masters unless Extension is Granted		

* No more than 9 credits of 400-level courses listed in the Graduate Catalog can be included in a graduate degree or post-master's program.

Notes from academic advisor on pre-requisites, course additions, time extensions, or other.

The graduate planned program of study does not constitute a contract, either expressed or implied. Additional requirements may be imposed for certification or licensure if such requirements are imposed by outside certification or licensure agencies. The GPPS may be subject to revision to reflect such additional requirements.
