This report groups student credit hours by the facuty member's home department, regardless of the subject of the course. In instances where the faculty member's department is not available, student credit hours are mapped back to a Department by subject code, when possible. When the individual teaching the course does not hold the rank of professor, associate professor, assistant professor, or instructor credit hours are assumed to be delivered by a part-time faculty member or librarians.

Data Sources: IR Data Warehouse CoursefileF23 & FacfileF23 & LoadfileF23 (11-21-2023). Student credit hours are measured on the official census date at the third week of the semester and are attributed by the home department of the faculty member teaching the course. Full-time and Part-time status in the Facfile are being used in this report. All faculty counts in this report are in the AAUP Union (Union Code=21). The Column (A) and Column (G) matched SASR online report (P.6 Faculty Report FT & PT Teaching Faculty with Inst. Load Headcount) and matched Student-Faculty Ratios Report (column A).
