

## FALL 2021 – The Learning Center

### ACADEMIC INTERVENTIONS FOR STUDENTS ON ACADEMIC PROBATION

During the probationary semester, students are required to participate in an academic intervention designed to support their academic success. Students who fail to complete an intervention may not appeal a dismissal without extenuating circumstances. **How do I enroll in a required academic intervention?** 1<sup>st</sup>-Choose an intervention; 2<sup>nd</sup>-Register the same way you would for any course at CCSU, through Pipeline or the Registrar; 3<sup>rd</sup>-**Check your CCSU email.**

The following information is provided so that each student, in consultation with their Dean's Office representative or Advisor, can choose and enroll in the intervention that is the best fit. All interventions are Pass/Fail.

### WHICH ACADEMIC INTERVENTION IS BEST FOR YOU?

---

**TLC 001** - I would appreciate having my own Academic Coach who could help me make a plan for raising my grade point average. I work best when I have someone to check in with periodically to stay on track. I would like to explore all my options and have a personalized approach to reaching my academic goals. I do well when I'm reminded of supports and services to enhance my success when I need them. Maximizing the effectiveness of the time I spend studying sounds great! I would prefer working one on one. **Best choice: Academic Coaching TLC 001- CRN 12914**

**TLC 004** - I want to earn a high grade point average this semester! I am committed to trying new approaches to my courses. I would enjoy the support of a small group of other students who also have the goal of making the Dean's List (3.5 for the semester). I would appreciate an academic coach every week helping me set realistic goals, learn new skills, and sharing ongoing feedback on my progress toward my academic goals. I work best when I work in a structured and supportive environment. I am willing to participate in a program that meets every week for the entire semester. I can commit to perfect (or near perfect) attendance!

**Best choice: Making the Dean's List (Small group that meets for an hour, once a week, all semester)**
