SKILL AREAS

Skill Area I: Communication Skills (6 credits)

Hon 140 Critical Thinking and Persuasive Writing (4)
Hon 441 Honors Thesis (2)

Skill Area II: Mathematics Requirement (6 credits)

NOT COVERED BY THE HONORS PROGRAM

Skill Area III: Foreign Language Proficiency:

NOT COVERED BY THE HONORS PROGRAM

Skill Area IV: University Requirement (2 or 3 credits):

NOT COVERED BY THE HONORS PROGRAM

International Requirement (6 credits): Fulfilled by Hon 130, Hon 230 and Hon 250

First Year Experience Requirement: Fulfilled by Hon 140 (which also replaces ENG 110)

*Even though the university requirement for Study Area III is only 6 credits, Honors students accrue 8 credits in this area.

** The lab science requirement of the university is NOT covered by the Honors Program curriculum. Honors students receive 4 credits in Study Area IV, but they must complete that area with a lab science course outside of the Honors curriculum.
