

## Bound Personal Copy of Thesis Request Form

As a service to our students, Elihu Burritt Library provides the option to have up to two personal copies of a Master’s thesis bound professionally. Bound personal copies of these are \$8.00 apiece. Students must provide their own print copies of their theses for binding. Requests submitted without the appropriate number of print copies will not be processed. Due to the large number of theses that must be processed each semester as well as the library’s policy of not sending bindery shipments during the summer break, the turnaround time for students to receive bound personal copies of their theses can be between two and six months.

To obtain bound copies of your thesis, please fill out the following form:
