The GSA would like to thank everyone who participated in our October Events. We had a lot of fun with Zumba, a great time at Homecoming, and a great inspiring speech during our Professional Development with Elaina Brachman.

Student Highlights
The GSA would like to highlight graduate students who are doing exceptional work. If you would like to be featured or know someone that should be featured in our newsletter, please reach out to the GSA President, Andres.cintron@my.ccsu.edu.

Cecilia M. Gigliotti is a graduate student in the English Department. She is currently in London presenting at the International Journal of Arts and Sciences Conference. Cecilia is presenting her work “Save the Wales: The Duality of Dylan Thomas.”
