Building Bridges: Reframed
What is justice?

Michelle Alexander’s seminal work, *The New Jim Crow*, lays bare the intersection of race, social control, and mass incarceration in the US. This conference follows Alexander’s CCSU discussion the previous evening by challenging the underlying framework of the criminal justice system here in CT and nationwide.

Date: Thursday, March 1, 2018
Time: 9:00 am—4:30 pm
Location: Student Center, Alumni Hall
Central Connecticut State University
New Britain, CT
