

The Annual ITBD Scramble is the sole fund-raiser held by the self-supporting Institute of Technology and Business Development.

For twenty-four years, Central Connecticut State University's Institute of Technology and Business Development has provided workforce development and small business development services to all sectors of Connecticut industry as well as creating a nurturing environment for the growth of a diverse group of companies in our incubator facility.

Funds raised as a result of the Scramble provide our centers with needed resources to help us improve our services and outreach. In addition, **this year we are striving to raise \$10,000 for CCSU student scholarships.**

Your support of this tournament will assist the ITBD in continuing its mission to build Connecticut economy by providing competitive advantages to business and industry.
