A. Bids shall be submitted only on the FORM OF PROPOSAL furnished for this Project. In no event will bids or changes in bids made by telephone or telegraph be considered. Any bid form omitting or adding items, altering the form, containing conditional or alternative bids will be rejected. Bids showing irregularities of any kind, or without the original signature of the Bidder or its authorized representative, will be rejected.

B. Any bid received after the scheduled closing time for the receipt of bids will not be considered.

C. Any bid once received by the Purchasing Department may only be withdrawn by letter of request, signed by the Bidder and approved by the Purchasing Officer prior to the time specified for the opening of the bids in the Invitation to Bid.

D. General bids shall be for the complete work as specified and shall include the names of any subcontractors and the dollar amounts of their subcontracts, and the general contractor shall be selected on the basis of such general bids. It shall be presumed that the general Bidder intends to perform with its own employees all work for which no subcontractor is named. The general Bidder's qualifications for performing such work shall be subject to review under Section 4b-92 and Section 4a-93 of the Connecticut General Statutes.

E. Every general bid which is conditional or obscure, or which contains any addition not called for shall be invalid. The Agency shall reject every such general bid. The Agency shall be authorized to waive minor irregularities which it considers in the best interest of the Agency, provided the reasons for any such waiver are stated in writing by the Agency and made a part of the contract file. The Agency shall be authorized to reject any general bid which fails to include price or subcontractor information as requested on the Form of Proposal.

F. General Bids shall be publicly opened and read by the Agency. The Agency may require, in the Form of Proposal that the prospective general contractor agree to perform a stated, minimum percentage of work with his own forces. The Agency may also require the prospective general contractor to set aside a portion of the contract for subcontractors who are eligible for set aside contracts. The Agency shall not permit the substitution of a subcontractor for one named in accordance with the provisions of this section, or the substitution of a subcontractor for any subtrade work designated to be performed by the prospective general contractor's own forces, except for good cause. The term “good cause” includes but is not limited to a subcontractor's, or where appropriate, a general contractor's: (1) Death or physical disability, if the listed subcontractor is an individual; (2) dissolution, if a corporation or partnership; (3) bankruptcy; (4) inability to furnish a Performance Bond or a Labor and Material Bond, in accordance with the requirements of these Contract Documents; (5) inability to obtain, or the loss of, any license(s) necessary for the performance of any portion of the Work; (6) failure or inability to comply with any requirement of law applicable to contractors, subcontractors, construction, alteration, or repair projects; (7) failure to perform its agreement to execute a subcontract under Section 4b-96 of the Connecticut General Statutes.

G. The Proposed Contract Price shall be the Lump Sum Price set forth in the space provided on the Form of Proposal. Failure to correctly state a subcontractor's bid or the failure to name any subcontractor, as required by Section 4b-93 of the Connecticut General Statutes, shall be cause for the Agency's rejection of the general Bidder's bid. The Agency may waive minor errors in naming a subcontractor, as long as the name(s) of the subcontractor(s) is/are clearly identifiable on the Form of Proposal.

++ END OF THE FORM OF PROPOSAL ++
The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4)Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

(a) the bidder’s success in implementing an affirmative action plan;
(b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
(c) the bidder’s promise to develop and implement a successful affirmative action plan;
(d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
(e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations
Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:
Civil penalties—$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of $2000 or twice the amount of the prohibited contributions made by their principals.
Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or $5000 in fines, or both.

Contract Consequences
Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.
Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
