The Contractor shall provide all materials and labor to the Agency on the vendor’s invoice, which includes their customary mark up (percentage of increase). The mark-up percentage will be included in the bid proposal. The Vendor's supplier invoice must be attached to each invoice submitted for payment. The Vendor must request and receive approval for all materials purchased and installed prior to commencement of any work performed on University property. Bids must also include a per hour price for those projects where special equipment is required (examples are; bucket truck, aerial lift, and scissor lift).

Contractor must mark electrical panels to correspond with newly installed wiring where applicable.

All work areas shall be covered with suitable covering and work site must be cleaned of debris after work is completed. All work must adhere to the National Electrical Code (NEC) and other applicable codes (NFPA, BOCA).

2. Award: The intent of this RFQ is to provide for services to complete separate, individual jobs and projects throughout campus on an “as needed” basis. As such CCSU shall issue separate, individual purchase orders in kind which shall act as de facto individual contracts for said separate jobs.

CCSU reserves the right to make a single or multiple awards based on bid structures and what is deemed to be the best interest of CCSU.

The award of this RFQ will be based upon a comprehensive review and analysis of all responses. The award shall be made to the most responsive bidder offering the best value as determined by the University. All vendors submitting proposals concur with this method of award and will not, under any circumstances or in any manner, dispute any award made using this method.

3. General Requirements include, but are not limited to, the following:

a. Job Quotes: For internal and external auditing purposes, when quoting any jobs under this RFQ, the contractor quotes shall clearly reflect the bid pricing. For example –

   Labor, two people at six hours each   $________ x 2 x 6 = $____________

   Materials, cost $____________ times _________% markup = $____________

At no time will an invoice be paid higher than the budget quote unless prior approval has been made with the University representative.
b. **Job Site Reporting:** All service slips will be reviewed and approved by the CCSU University representative. Contractors must leave daily Work Order Reports with the respective University representative. This Work Order Report must include hours spent on the job, work performed, along with any parts necessary to complete the job. When invoicing the University, Work Orders associated with specific jobs must accompany the invoice.

c. **Standard Wage Rates:** Standard wage rates will apply to this RFQ and any resulting contracts. See the Dept of Labor web site for current standard wages in New Britain (Area 2). Rates information is available here - http://www.ctdol.state.ct.us/wgwkstnd/prevaling-rates/service/area2.htm

d. **Prevailing Wage Rates:** While the majority of CCSU electrical services requirements are “stand-alone” and or relatively smaller dollar value projects and have historically not been subject to State of CT Prevailing Wage Rates (CGS 31-53 and 31-53a), occasionally such work is either a part of a larger project that is subject to Prevailing Wages or alone is of such a value that Prevailing Wage laws would apply. As such the awarded vendor is hereby notified that certified payroll prevailing wage documentation may be required for specific projects.

e. **Third Party or OEM Repairs:** There may be occasions when equipment or systems require the work or intervention of third party or OEM personnel. Include with your RFQ response a percentage markup over third party or your OEM invoices for such work. CCSU reserves the right to request such copies of invoices for auditing purposes.

f. **Work Hours:** The Agency may restrict the Contractor’s work hours to avoid interference with normal university operations. The Contractor shall cooperate with the Agency in scheduling and performing work. Contractor must sign in and out at the East Hall Facilities Management Office.

g. **Coordination with Other Projects:** The Agency reserves the right to perform work in connection with the project with its own forces or other contractors relating to the project or on adjoining sites. In such cases, the Contractor shall afford the other contractor(s) reasonable opportunity for storage of materials and equipment and for the installation of their work.

h. **Safety:** The Contractor is reminded that all work will be carried out on a busy university campus. Safety is of utmost importance. The Contractor shall conduct all operations in a safe manner and shall comply with all pertinent local, state and federal safety regulations and with whatever requirements deemed necessary by the Agency Representative, by CCSU Public Safety or by CCSU Fire Safety to protect the health, safety and well-being of the university community. Safety precautions must be taken at all times to prevent the possibility of injury to pedestrians.

i. **Accident Prevention, Safety and ES&H/OSHA:** Precaution shall be exercised at all times for the protection of persons and property. The safety provisions of applicable laws, building and construction codes shall be observed. Machinery, equipment, and all hazards shall be eliminated.

Compliance with Laws, Building Codes: Contractor(s) shall comply with all applicable State Laws, Ordinances, Building and Construction Codes. Contractor(s) shall pay all permits and licenses, inspection fees and charges of a similar nature.

The Contractor(s) is reminded that all work will be carried out on a busy university campus. Safety is of utmost importance. The Contractor(s) shall conduct all operations in a safe manner and shall comply with all pertinent local, state and federal safety regulations and with whatever requirements deemed necessary by the Agency Representative, by CCSU Public Safety or by CCSU Fire Safety to protect the health, safety and well-being of the university community. Safety precautions must be taken at all times to prevent the possibility of injury to pedestrians.
Contractor(s) is expected to understand and follow all CCSU Environmental, Safety and Hygiene policies. At a minimum, the contractor and all of its employees are expected to wear safety shoes and safety glasses at all times within the work area. Hard hats must be worn when overhead work is in progress. Dust masks must be worn during any type of dusty work. The contractor(s) is expected to meet with the CCSU ES&H Department prior to commencing work or as required by the CCSU ES&H Department. Failure to follow CCSU ES&H guidelines and policies will result in work being stopped until conditions are rectified. Any increase in the cost of or delay in the Project incurred by the failure of the Contractor to insure compliance in this area shall be borne by the Contractor(s).

See Environmental Health and Safety Procedures and Requirements statement attached herein for more information.

j. **Confined Space:** Electrical work may involve working in confined spaces in buildings on campus. Contractor must have personnel that are properly certified in confined space entry. In the event that confined space entry is required, Contractor must coordinate this work with Agency Representative and Facilities Management Confined Space Coordinator.

k. **Emergency Response Requirement:** Bidders shall be able to demonstrate their ability to provide rapid response and turn-around time, including 2 hour or less emergency on-site response. See Bidders Qualification Statement.

Title

END OF DOCUMENT
The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4)Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

(a) the bidder’s success in implementing an affirmative action plan;
(b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
(c) the bidder’s promise to develop and implement a successful affirmative action plan;
(d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
(e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following two (2) sided BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained therein to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidders good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

CAMPAIGN CONTRIBUTION AND SOLICITATION LIMITATIONS

No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall knowingly solicit contributions from the state contractor's or prospective state contractor's employees or from a subcontractor or principals of the subcontractor on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

PENALTIES FOR VIOLATIONS

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties - Up to $2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to $2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties - Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than $5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

STANDARD TERMS AND CONDITIONS

I. DEFINITIONS

The following words, when used herein, shall have the following meanings:

1. “Contract” shall mean any agreement negotiated by and between CSU and the contractor selected by CSU as the result of a request for proposal, request for quotation, or request for bid, including, but not limited to, a personal service agreement or purchase order.

2. “CSU” shall refer to the Connecticut State University System, which is comprised of Central Connecticut State University, Eastern Connecticut State University, Southern Connecticut State University, Western Connecticut State University and the System Office, collectively and individually, as the context requires.

3. “Person” shall mean an individual, partnership, corporation or other business entity, as the context requires.

4. “Proposal” shall mean a response to a request for proposal, request for bid, or request for quotation.

5. “Proposer” shall mean a contractor that submits a response to a request for proposal, request for bid, or request for quotation.

6. “RFP” shall mean a request or invitation for proposal, bid, or quotation, as applicable.

II. TERMS AND CONDITIONS RELATED TO REQUESTS FOR PROPOSALS

A. General Conditions

1. CSU reserves the right to amend or cancel an RFP prior to the date and time for the opening of proposals. CSU, in its sole discretion, reserves the right to accept or reject any and all proposals, in whole or in part, and to waive any technicality in any proposal submitted, and to accept any part of a proposal deemed to be in the best interest of CSU.

2. Proposals received from proposers debarred by the State of Connecticut will not be considered for award.

3. CSU does not commit to specific volumes of activity, nor does it guarantee the accuracy of statistical information provided in the RFP. Such information is supplied to proposers for reference only.

4. All responses to the RFP shall be and remain the sole property of CSU.

5. Each proposer shall bear all costs associated with proposer’s response to an RFP, including, but not limited to, the costs of any presentation and/or demonstration required by CSU. In addition, answers or clarifications sought by CSU arising out of or in connection with the proposal shall be furnished by the proposer at the proposer’s expense.

6. CSU reserves the right to negotiate, as it may deem necessary, with any or all of the proposers that submit proposals.

7. Any alleged oral agreement or arrangement made by any proposer with CSU or any employee thereof shall not be binding.

B. Submission of Proposals

1. Proposals must be submitted on forms supplied by CSU. Telephone, facsimile, or email proposals will not be accepted in response to an RFP.

2. Proposals must be computer prepared, typewritten or handwritten in ink. Proposals submitted in pencil will be rejected.

3. Proposers must answer all the questions set forth in the RFP using the outline and numbering scheme set forth therein. Proposers must furnish all information requested in the RFP and supply all materials required for consideration. Failure of the proposer to answer all questions and supply all information and materials requested may be grounds for rejection of the proposal.

4. All proposals must be signed by a person duly authorized to sign proposals on behalf of the proposer. All signatures on the proposal must be original. Proposals bearing stamp signatures will be rejected. Unsigned proposals will be rejected.

5. Alterations or corrections to the proposal must be initialed by the person signing the proposal or his or her authorized designee. All initials on alterations or corrections to the proposal must be original. In the event that an authorized designee initials an alteration or correction, the proposer must submit a written authorization from the proposal’s signatory to the authorized designee, authorizing the designee to make the alteration or correction. Failure to submit such an authorization shall result in rejection of proposal as to those items altered or corrected and not initialed.

6. Conditional proposals are subject to rejection in whole or in part, in the sole discretion of CSU. A conditional proposal is defined as one that limits, modifies, expands or supplements any of the terms and conditions and/or specifications of the RFP.

7. Alternate proposals will not be considered by CSU, unless otherwise noted on the RFP or on the proposal form. An alternate proposal is defined as one that is submitted in addition to the proposer’s primary response to the RFP.

8. Pursuant to Section 12-412 of the Connecticut General Statutes, the State of Connecticut is exempt from the payment of excise, transportation and sales taxes imposed by the Federal Government and/or the State. Accordingly, such taxes must not be included in proposal prices.

9. By submitting a proposal, the proposer asserts that the offer and information contained therein is in all respects fair and without collusion or fraud and was not made in connection with any competing proposer’s submission of a separate response to the RFP. By submitting a proposal, the proposer further asserts that it neither participated in the formation of CSU’s solicitation development process nor had any knowledge of the specific contents of the RFP prior to its issuance, and that no employee of CSU participated directly or indirectly in the preparation of the proposer’s proposal.

10. Proposals for the provision of services must include the cost of obtaining all permits, licenses, and notices required by the city or town in which the services is to be provided, and the State and Federal governments.

III. TERMS AND CONDITIONS RELATED TO CONTRACT WITH SUCCESSFUL PROPOSER

By submitting a response to the RFP, the proposer agrees that any contract negotiated between it (if the successful proposer), as contractor, and CSU may contain the following provisions, as deemed applicable by CSU:
A. General Conditions

1. The contract shall be interpreted and governed by the laws of the State of Connecticut, without regard to its principles of conflicts of laws.
2. The contractor agrees that it shall be subject to and abide by all applicable federal and state laws and regulations.
3. The contractor or subcontractor, as applicable, shall offer and agree to assign to CSU all rights, title and interest in and to all causes of action it may have under Section 4 of the Clayton Act, 15 U.S.C. 15, or under Chapter 624 of the general statutes, arising from the purchase of services, property or intangibles of any kind pursuant to a public purchase contract or subcontract; such assignment shall be made and become effective at the time the contract is executed by the parties, without further acknowledgment by them.
4. The contractor shall not assign or otherwise dispose of the contract or its right, title or interest therein, or its power to execute such contract, to any other person without the prior written consent of CSU.
5. If any provision, term or condition of the contract is prohibited, invalid, or unenforceable then that provision, term or condition shall be ineffective to the extent of the prohibition, invalidity, or prohibition without invalidating the remaining provisions, terms and conditions unless it materially alters the nature or intent thereof.
6. Failure of the contractor to deliver commodities or perform services as specified in the contract will constitute authority for CSU to purchase these commodities or services on the open market. The contractor shall promptly reimburse CSU for excess costs incurred by CSU due to these purchases, and these purchases shall be deducted by CSU from the quantities contracted for.
7. No right or duty, in whole or in part, of the contractor under the contract may be assigned or delegated without the prior written consent of CSU. The subcontracting or assignment of any of contractor's obligations under the contract to a subcontractor shall require the prior written approval of CSU.
8. Upon termination of the contract by CSU, the contractor shall both immediately discontinue all services (unless the notice directs otherwise) and deliver to CSU all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the contractor in performing its duties under the contract, whether completed or in progress. All such documents, information, and materials shall become the property of CSU.

Central Connecticut State University is an affirmative action equal opportunity institution. The University will not knowingly do business with any bidder, contractor, subcontractor or supplier of materials found to be in violation of any state or federal antidiscrimination law.

D. A hot work permit must be obtained prior to any hot work. Contact EH&S for written permission.
