Since 1966, the Central Connecticut State University Student Center has been committed to providing a comprehensive professional program for students interested in entering the college union/student activities field of higher education.

The main focus of the two-year internship is to train and to develop young professionals who will positively contribute to the field of Student Affairs. The internship is a cooperative experience between senior staff and interns that serves as a stepping stone towards a senior role in administration.

The program is supervised by the departments of Student Activities/Leadership Development and The Student Center, and focuses specifically on areas of Student Affairs.

The experiential learning environment of CCSU aims to increase the personal growth and development of a diverse group of young professionals through opportunities in a student union operations, event programming, student activities advisement, and leadership development.

The Student Center is looking for talented, energetic individuals interested in being candidates.
