Since 1966, the Central Connecticut State University Student Center has been committed to providing a comprehensive professional program for students interested in entering the college union/student activities field of higher education.

The main focus of the two-year internship is to train and to develop young professionals who will positively contribute to the field of Student Affairs. The internship is a cooperative experience between senior staff and interns that serves as a stepping stone towards a senior role in administration.

The program is supervised by the departments of Student Activities/Leadership Development and The Student Center, and focuses specifically on areas of Student Affairs.

The experiential learning environment of CCSU aims to increase the personal growth and development of a diverse group of young professionals through opportunities in a student union operations, event programming, student activities advisement, and leadership development.

**REQUIREMENTS**

All Graduate Interns earn a Master’s Degree in Student Development in Higher Education. A total of 42 credits are required to complete the blended major, which encompasses courses from the Department of Counselor Education and Family Therapy. The academic program provides graduate students with insight into theories and models used by student affairs professionals on a daily basis. Students can then apply this knowledge through their own interactions.

For more information, please contact the Student Development in Higher Education Graduate Program Coordinator, a (860) 832-2119 or email at troianop@ccsu.edu.
