Dear TRiO ETS Program Family,

We would like to invite your son/daughter to join us for "Immersion Nautilus Live!" Nautilus Live is a hands-on, two-week summer program for TRiO students who will be entering 7th or 8th grade in September. The program will be held on weekdays from Monday, July 25, 2016 through Friday, August 5, 2016; from 11:00 a.m.–1:30 p.m. at the New Britain Boys & Girls Club, 150 Washington Street in Downtown New Britain. Lunch will be provided and the program is completely free! Immersion Nautilus Live is sponsored by Central Connecticut State University’s TRiO Educational Talent Search Program and the New Britain Boys & Girls Club.

Each weekday, students will have the opportunity to learn about ocean exploration, while enjoying various scientific activities based on Dr. Robert Ballard’s discoveries aboard the Exploration Vessel (E/V) Nautilus. In addition, students who participate in Immersion Nautilus Live during the two week summer program will have a chance to participate in a field trip to the Mystic Aquarium & Institute for Exploration in Mystic, CT and follow-up activities during the school year; including learning the role of a ROV (remotely operated vehicle) in ocean exploration, building and operating an underwater ROV.

Please note: participation in Nautilus Live is limited to 15 students. Therefore, TRiO ETS students will be signed up on a first-come, first-serve basis. Please complete the enclosed registration form and return it to our TRiO Office by Thursday, June 30, 2016. You can return the completed form directly to the CCSU TRiO ETS program by fax at 860-832-2235, by scanning the complete form and sending it as an email attachment, or by mailing or dropping it off to the TRiO ETS office; located at 185 Main Street in the CCSU ITBD building (next to the Police Station). The office is on the 2nd floor, Suite 218.

If you have any questions, comments or concerns, please feel free to contact me by telephone at 860-832-2215, or email at menditto@ccsu.edu. We are looking forward to your son/daughter participating in this wonderful, fun-filled learning opportunity!

Sincerely,

Thomas M. Menditto
CCSU TRiO ETS Director
