CCSU offers four undergraduate degree programs:

BA — Bachelor of Arts
BS — Bachelor of Science
BFA — Bachelor of Fine Arts
BSN — Bachelor of Science in Nursing

Central Connecticut State University strives to offer a campus welcoming to all. CCSU is an AA/EO institution and is committed to a policy of non-discrimination and equal opportunity for all persons regardless of race, color, religion, sex, age, national origin, marital or veteran status, sexual orientation, or disability. This policy is applicable to all employment practices, admission of students, programs, and services to students, faculty, staff, and the community.
CHECK US OUT!
The best way to learn more about CCSU—and experience our great campus—is to come to Connecticut for a Campus Tour.

Start your journey here: www.ccsu.edu/tours

If you can’t make it to campus or you’d like to get a preview of your tour, please take a look at our Virtual Tour: www.ccsu.edu/virtualtour
MAKE IT HAPPEN

All applicants must submit:

- Completed application (www.ccsu.edu/apply)
- Non-refundable $50.00 application fee. Fee waivers are also acceptable. See your school guidance counselor for information.
- Official high school transcript
- High school class rank (if applicable)
- SAT I or ACT scores (scores may be sent either by your high school or The College Board)
- One letter of recommendation
- Personal statement

Applicants must be graduates of accredited high or preparatory school or hold an equivalency diploma.

Preferred deadlines: May 1 (fall) and December 1 (spring)

FINANCIAL AID

Use FAFSA; CCSU code: 001378. See also: www.ccsu.edu/finaid

For more information, call the Bursar’s Office (860) 832-2010 www.ccsu.edu/bursar

August 2016
Start with a dream. Finish with a Future!

More than our slogan, that’s our commitment to our students. Bring your dream—bring your passion—to CCSU, and we’ll prepare you for success, however you define it!

How?

World class professors who will challenge you AND support you. They take pride in working with students one-on-one. And the results are outstanding! CCSU students win local, regional, and national honors—from jazz ensembles to computer science challenges to construction management contests to research presentations in anthropology, biomolecular sciences, criminology, and psychology. Our liberal arts-based education will transform you and prepare you for life after college. A recent survey of our graduating students reported that over 30% were entering career-starting jobs making more than $40K a year, and 50% of those graduates were making well over $50K a year!

Academic Support. Our Center for Advising and Career Exploration will help you select the right courses from the beginning. Each of our four schools—Business; Education & Professional Studies; Engineering, Science & Technology; and Liberal Arts & Social Sciences—offers a student support advising center dedicated to helping students succeed academically.

There’s always something to do at CCSU! We have over 125 student clubs and organizations that offer opportunities to meet new people, have fun, plan events, develop leadership skills. You can also have a great time on our intramural and club sports, including Baseball, Basketball, Boxing, Dance, Equestrian, Flag Football, Floor Hockey, Ice Hockey, Karate, Lacrosse, Rugby, Skiing, Soccer, Softball, Volleyball, and more. You can check out our arts programs, go to concerts, watch films, or learn from distinguished visiting speakers.

See the World—We’ll Take You There! A state-designated “Center of Excellence,” the CCSU Center for International Education has been recognized as one of the best in the nation for study abroad programs (Institute for International Education). China, Costa Rica, France, Italy, Ghana, Jamaica, Japan, Poland, Spain, Sweden, the UK—and now Cuba—we’ll take you there for a semester or for a year. And you’ll be amazed by the experience—most of our students returning from study abroad say that their life had been transformed!

Live on Campus. In any of our nine residence halls, you’ll make friends, live in a safe, welcoming, and comfortable place to study, relax, and have fun. Our halls are some of the most attractive in the region, and our fantastic 600-student Mid-Campus Residence Hall is “state-of-the-art” and just opened in 2015!

Value. Not only will you get an exceptional liberal arts-based education at CCSU, you’ll also be getting terrific value: Affordable Colleges Online ranked CCSU among the nation’s top “60 low-cost colleges with graduates who earn high starting salaries.”
