- Program Evaluation** – describes the student’s current program. Catalog Term refers to the set of the degree requirements the student is being evaluated against. The Catalog Term is determined by when the student declares a major. For example, the student may have been admitted in Fall 2001, but did not declare a major until Fall 2002; the Catalog Term in this case will be Fall 2002.
- Total Required** - the total number of credits required to earn the degree. The **Credits/Courses Used** columns display the number of credits/courses the student has completed toward the degree (may include credits/courses in progress).
- Required Institutional** – the **Required** columns display total number of credits the student must take at CCSU to earn the degree. The **Credits/Courses Used** columns display the actual number of credits/courses the student has taken at CCSU.
- Overall GPA** – The **Required** column displays the minimum GPA needed to earn the degree. The **Used** column displays the student’s actual GPA.
- Transfer** - the total number of credits/courses the student transferred from another institution.
- In Progress** – the total number of credits/courses the student is currently registered for.
- Area** – displays the details of each Area that needs to be met to earn the degree. Areas include Study Areas, Skill Areas and Program requirements. Displays “MET” if the student has completed all the requirements in the area or “NOT MET” if they have not. The required courses are listed under each area – if the student has taken a course, the grade and other information will be displayed. For each course, the “Met” column will display “Yes” if the student has successfully completed the course or “No” if they did not.
- Individual Detailed Requirements** – displays the details of each individual requirement that needs to be met to earn the degree.
- Source** – Source Codes:
 - H – History (Earned credits at CCSU)
 - R – Registered “In Progress” course
 - T – Transferred course
 - Z – Student attribute (as in foreign language requirement being met through 3 sequential years of one foreign language at the high school level)
