Post Incarceration: Chronicles of Success II 2nd Annual Conference

THE IMPACT Of COMMUNITY RE-ENTRY

UPON FAMILY SYSTEMS

This conference will focus on strategies utilized by ex-offenders who have transformed their lives from drug-involved and anti-social behavior to community assets. The conference objectives are to enhance recidivism strategies and service access for ex-offenders returning to the community, and to highlight the role of culture in these processes.

Who should attend: Providers of Behavioral Health and Mental Health Services, Professionals working in the CT Correctional System, Clergy, Community Re-Entry Agencies, Consumers, Advocates and Concerned Family and Community Members
