ASSIGNMENT OF RESPONSIBILITY AND MONITORING
Section 46a-68-81

Appointing Authority

Starting in January 2017, Zulma R. Toro, Ph. D., President of Central Connecticut State University, as appointing authority, had the ultimate responsibility for the establishment and enforcement of result-oriented Affirmative Action policies and practices. Pursuant to Public Act 87-253, Dr. Toro was responsible for the development, filing, and implementation of an Affirmative Action Plan in accordance with Affirmative Action Regulations of Connecticut State Agencies §§ 46a-68-75 through 46a-68-114, and shall be accountable for the program’s success or failure.

The Chief Diversity Officer (CDO) is a full-time employee designated by the CCSU President to serve as CCSU’s affirmative action officer. Ms. Rodríguez reports directly to the CCSU President. The Office of Diversity and Equity (ODE), which is supervised by Ms. Rodríguez, includes the Ruth Boyea Women’s Center, which serves as an advocate/resource for women’s rights on campus and the Office of Victim Advocacy (OVA), which serves as the Title IX trainer and advocate for victims of sexual harassment, including sexual assault, stalking and intimate partner violence. The Coordinator of the Ruth Boyea Women’s Center, Ms. Jacqueline Cobbina-Boivin, and up until May 2018 the OVA Advocate was Ms. Sarah Dodd. ODE is currently conducting a search for the OVA Advocate with an anticipated hire in November 2018. Both of these positions report directly to the CDO.

The President assigns to several employees such duties and responsibilities necessary for the development and implementation of the affirmative action plan. To acquaint employees with their specific responsibilities under the Plan, CDO Rosa Rodríguez participates in regularly scheduled meetings that emphasize human relations and intergroup relations, non-discriminatory employment practices, the legal authority for affirmative action and the President’s commitment to affirmative action, review of the affirmative action plan and identification of obstacles in meeting the goals of the plan.

Affirmative Action (Office of Diversity and Equity) (100%)

The Chief Diversity Officer, Rosa Rodríguez, has full-time responsibility for the management and implementation of the University’s Affirmative Action Plan. She reports directly to the President as required in Affirmative Action Regulations. The Office of Diversity and Equity consists of Ms. Rodríguez, Ms. Sarah Dodd, the Associate to CDO, and three University Assistants: Mr. Nicholas D’Agostino, Ms. Sharon Gaddy, and Alberto Cifuentes, Jr.

Other responsibilities of the CDO and ODE staff include overseeing the unclassified hiring process to assure that the implementation of affirmative action procedures in the employment process through involvement in recruiting, interviewing, hiring, evaluating, promoting or counseling employees, including their counterparts throughout the academic and administrative structure. In addition, the ODE is responsible on a continuing basis for thorough knowledge of federal, state, and the University affirmative action requirements. In addition, the ODE assists with the classified hiring process.

Specific Functions of the Chief Diversity Officer and ODE Staff

1. To develop, coordinate, evaluate, monitor, report, and implement the Affirmative Action Plan, along with persons who have specific personnel responsibilities and to utilize a systematic procedure for monitoring all phases of the Affirmative Action Plan on a continuing basis.

2. To write, with appropriate consultation, any revisions of the Affirmative Action Plan and to communicate them, subject to the approval by the President, to the appropriate federal or state agency or office and to serve as principal contact with state and federal representatives in affirmative action reviews of the institution.
3. To initiate and maintain contact with recruiting sources and organizations serving members of protected classes, in conjunction with other members in the University community.

4. To review, analyze, and evaluate all reports and statistical data pertaining to the University’s workforce for accuracy and progress made toward affirmative action goals as well as regarding the status of minorities and women.

5. To coordinate the implementation of the Affirmative Action Plan by all personnel named as having specific responsibilities and to assist all personnel involved in implementation of the Affirmative Action Plan through the development of written guidelines, resource files, orientation sessions, and individual advisement.

6. ODE staff meets with every search committee to train on the recruitment and search process including affirmative action guidelines and goals. For both classified and unclassified searches, ODE provides the committees with written affirmative goals.

7. The CDO meets with the President and the Vice Presidents/Chief Officers to review the affirmative action plan and all other issues related to affirmative action, equal opportunity and discrimination.

8. To mitigate any discriminatory conduct and investigate complaints of alleged discrimination.

9. The CDO leads the development and administration of diversity, sexual harassment and Title IX training.

10. The Chief Diversity Officer leads the newly established Employee Advisory Council whose responsibilities includes, but are not limited to, periodically reviewing goal achievement, developing strategies to meet affirmative action goals and diversify CCSU faculty and staff ranks, and making recommendations to ensure EEO/AA are foundations to CCSU’s processes and procedures.

The Affirmative Action Plan does not allow for passive observation of potential or existing discriminatory practices. First line supervisors are responsible for ensuring that employees are aware of their rights and opportunities and managers or department heads are made aware of problems and areas of dissonance. Managers and supervisors are, on a continual basis, monitored and evaluated on their affirmative action performance and, because affirmative action responsibilities are considered an assigned duty, failure to perform affirmative action duties can affect ratings and advancement.

**Office of Human Resource (HR) (10-20%)**

The Office of Human Resources is managed by Ms. Anna Suski-Lenczewski, Chief Human Resources Officer, and consisted of the following staff:

- Paula DeBarros, Associate Director Employee & Labor Relations
- Mary Cavanaugh, University Human Resources Administrator
- Joanne Callahan, Assistant Director in Human Resources
- Kathy Callahan, Associate in Human Resources
- Olivia Roman, Associate in Human Resources
- Louise Olszewski, Assistant in Human Resources
- Doreen Revoir, Assistant in Human Resources
- Claudia Richards-Meade, Assistant in Human Resources

The CCSU human resources administrators (HRA) shall assist with the development, coordination, and implementation of human resources policy, practices and programs and provide effective advice and recommendations on proper human resources management practices, including ensuring that equal opportunity and affirmative action procedures in recruiting, hiring, interviewing, record keeping and evaluating progress are observed.

Other responsibilities of the HRAs and any other HR staff include assisting in the oversight of the classified hiring process to assure that the affirmative action procedures are implemented in the employment process through involvement in recruiting, interviewing, hiring, evaluating, promoting or counseling employees, including their counterparts throughout the academic and administrative
structure. In addition, the HR Office is responsible on a continuing basis for thorough knowledge of federal, state, and the University affirmative action requirements.

Human Resource staff assists the ODE with preparation of the Affirmative Action Plan e.g., organizational analysis, exit surveys, performance evaluation, training and career counseling, as well as Human Resource-related review and consultation, as appropriate.

**Deans, Managers, Supervisors and Search Chairs (5%)**

Deans, managers, supervisors, and department heads are held fully responsible for implementing those aspects of the affirmative action program related to their specific area of operation, including recruiting, interviewing, hiring, evaluating, promoting, and counseling teaching faculty, administrators and staff. Managers and supervisors are required to submit clear job descriptions, and to document the specific efforts made to recruit minorities and women, in accordance with the schedules indicated in the affirmative action hiring procedural guidelines. In addition, managers and supervisors understand that equal employment opportunity and affirmative action are: (1) consistent with good management and personnel principles; (2) a basic part of their job; and, (3) consistent with the concept of employment and promotion based on merit. Search chairs, managers and supervisors play an important role in the success of an affirmative action program, perhaps the crucial role. Through the use of fair employment practices, access to data, and immediate contact with possible sources of discrimination or problem areas in their units or divisions, managers and supervisors provide the grass roots perception of affirmative action and ensure that all employees are informed of the University's continuing commitment to affirmative action.

The University evaluates and monitors the affirmative action performance of all officials assigned affirmative action responsibilities. This includes deans, directors, department heads, and others with specific affirmative action responsibilities. The evaluation will be based on the individual's commitment to the effective management of a diverse workforce and the performance of their affirmative action duties will be considered in promotion and merit increase decisions.

**Employment Advisory Committee (Less than 5%)**

Pursuant to Section 46a-68-81(d), each agency of 100 or more employees shall consider the feasibility of establishing an employee advisory committee (EAC), which, if established, may consider any matter appropriate to the development and implementation of the affirmative action plan. During the 2016/2017 plan period, ODE established CCSU's first Employee Advisory Committee. The committee consists of a cross section of our campus including diversity in position, union, and demographics. The committee will receive training on the AA Plan/regulations, establish goals and objectives and continually be updated on policy and law updates as well as university goal achievement. While serving and acting on behalf of the EAC, the members contribute 100% of this time to EEO/AA responsibilities; however, this likely represents less than 5% of their overall job responsibilities.

In addition to the Employee Advisory Committee, the University would like to point out that there are campus committees, comprised of a diverse cross section of employees that continually address many affirmative action concerns as well as specific employee issues. These committees include: The College of Liberal and Social Sciences Diversity Committee, the AAUP Minority Recruitment and Retention Committee and the SUOAF-AFSCME Minority Recruitment and Mentoring Committee that address recruitment and retention of protected group members; the Safety and Health Committee; the Latin American Association; the African American Advisory Committee; the Facilities Planning Committee that looks at accessibility for persons with disabilities; the President's Advisory Committee for Students with Disabilities; the Committee on the Concerns of Women; the LGBT Advisory Committee; and the Faculty Senate Diversity Committee. Their members represent all campus community constituencies and are charged with creating a campus that is diverse, inclusive and welcoming.
CCSU maintains a list of the members of the above committee and they are identified by name, race, sex, position or position classification and approximate percentage of time devoted to such duties. Copies of all minutes of the committee meetings and of any recommendations made to the Chief Diversity Officer including whether the recommendations were accepted or rejected by the University, shall be likewise retained, as required by CCSU records retention schedules for state agencies.

No employee may be coerced, intimidated, or retaliated against by the University or any person for performing any affirmative action duties. Any person so aggrieved may file an internal complaint as well as file a complaint with state or federal enforcement agencies, such as the Commission on Human Rights and Opportunities and/or Equal Employment Opportunity Commission.

The University maintains a record of each person performing any duties relating to the development and implementation of the Affirmative Action Plan by name, job title, and percentage of time devoted to affirmative action duties and outline of specific responsibilities.

The University has developed an internal reporting system to continually audit, monitor and evaluate programs essential for a successful affirmative action plan. The University conducts an ongoing review and evaluation of the agency's progress towards the goals of the affirmative action plan. As each hire occurs, it is recorded in a summary of hires to review and address progress towards meeting affirmative action goals and the University's commitment to diversify its workforce. The Plan is reviewed with the University President and other administrators on an annual basis. Additionally the CDO informs other administrators on the progress of the goals during each recruiting period.

**ACTIVITIES DURING THIS REPORTING PERIOD**

In their annual self-report of the Management Performance Planning Evaluation, management and confidential personnel were required to evaluate their achievement in the area of developing a diverse workforce.

Managers and supervisors periodically audit, with the assistance of the Human Resources Office, training programs, hiring and promotion patterns to remove impediments to the attainment of goals and objectives.

1. ODE distributed the annual notice all employees on March 19, 2018 (this can be located in the internal communication section of this Plan).
2. In December 2017, the Chief Diversity Officer (CDO) created and submitted a copy of the executive summary of the AA plan and related policy/procedural updates to the executive committee.
3. During the reporting period, the CDO was an active participant of the monthly executive staff meetings. During these meetings, Ms. Rodriguez discussed updates to policies, procedures, programming and developments on other issues related to EEO/AA and Title IX.
4. During the reporting period, ODE ensured that each building had the required EEO/Nondiscrimination and sexual harassment posters and those were properly displayed.
5. During the reporting period, the CDO regularly met with Deans, Supervisor, Managers and Administrators to discuss the recruitment and selection processes and procedures related to their respective areas.
6. During the reporting period, the CDO met regularly with the University President to discuss issues related to EEO/AA including but not limited to discussions regarding alleged violations of the university's non-discrimination in education and employment policy, sexual harassment policy, sexual assault prevention and awareness as well as issues related to the recruitment and selection of staff and faculty.
7. During the reporting period, the AAUP Minority Recruitment and Retention Committee and the SUOAF-AFSCME Minority Recruitment and Mentoring Committee that address recruitment and retention of protected group members; the Committee on the Concerns of Women; the LGBT
Advisory Committee; and the Faculty Senate Diversity Committee met regularly to develop procedures, policies and programming to increase awareness and cultural competency related to their target audience.

8. During the reporting period, ODE distributed more than 4,000 booklets and pamphlets containing the nondiscrimination and anti-harassment policies, resources and complaint procedures to students, faculty and staff.

9. Facilities provided by CCSU for employees are comparable for both sexes.

10. Minority and female employees are offered full opportunity and are encouraged to participate in all educational, training, recreational and social activities.

11. ODE staff met with every search committee for all searches addressed in the plan. During the AA plan period, Rosa Rodriguez met with all employees serving on search committees to charge them with their duties and responsibilities related to EEO/AA and the hiring processes. This year supervisors were asked to attend search charge meeting to discuss their expectations of the search. A copy of a search charge is included in the exhibits related to this section.

12. During the reporting period ODE, staff coordinated training regarding diversity and Title IX including sexual harassment. A full reporting on this training can be found in the internal section of this affirmative action plan.

13. Supervisors' work performance is evaluated based on their equal employment opportunity efforts and results, as well as their performance criteria.

14. Supervisors must take action to prevent harassment of employees placed through affirmative action efforts.

15. ODE advises and informs those individuals involved in the hiring and promotion process of their legal obligations and of the University's procedures for recruitment, hiring, interviewing, and counseling through written guidelines and orientation training. Each department monitors or has monitored all hiring and promotion actions.

16. ODE and the respective departments coordinate the communication of affirmative action information to all employees and applicants on a continuing basis.

17. Each department conducting a search completes, or has completed, all Equal Employment Opportunity or Affirmative Action forms.

18. Each department documents the search and selection procedure when a new employee is hired, in accordance with the search procedure.

19. Each major division works with community relations programs in efforts to improve the quality of relations between Central Connecticut State University and the outside community, minority organizations, women's organizations, organizations of and for persons with disabilities, organizations of and for disabled veterans and veterans of the Vietnam Era and community action groups.

20. Where appropriate, each department develops and coordinates additional plans as needed in areas other than employment, such as Title IX, student programs, financial aid, admissions, and career planning.

21. Each department advises its individual members of their specific area of responsibility for the implementation of the Affirmative Action program.

The ODE co-sponsored several events with the Ruth Boyea Women's Center, the Office of Victim Advocacy, the Committee on the Concerns of Women, the Center for Africana Studies, the African American Studies Program, the Caribbean and Latin American Studies Center, Latin American Student Organization, Center for International Education, and History Department. For example, these events include lectures about equity, affirmative action and social justice issues, and lectures by social activists. A complete list of cultural events is available in Section 6. 2018 AFFIRMATIVE ACTION PLAN

Executive Summary

Abstract

The Affirmative Action Plan (AAP) is a comprehensive, results-oriented set of procedures and programs that details the University's strategy to eliminate discrimination; set forth a good faith effort to attain hiring, promotional, and programmatic goals; and achieve equal opportunity.

Office of Diversity and Equity

CCSU is an Affirmative Action and Equal Opportunity Employer and Educator.
EXECUTIVE SUMMARY

The Office of Diversity and Equity (ODE) has completed the University’s Affirmative Action Plan (AAP) per the Connecticut General Statutes 46a-68. The AAP is a comprehensive, results-oriented set of procedures and programs that details the University’s strategy to eliminate discrimination, set forth a good faith effort to attain hiring, promotional, and programmatic goals; and achieve equal opportunity.

CCSU submits the AAP annually for review and approval by the Commission on Human Rights and Opportunities (CHRO). The CHRO reviews and evaluates the plan within 90 days to ensure that it contains all required elements and is in compliance. CHRO approved the 2017 AA Plan with no weaknesses noted based on CHRO Reviewer Neva Vigezzi’s recommendation.

For this reporting period, CCSU established seventy-four (74) hiring goals and experienced forty-five (45) hires. Hiring occurred in the occupational categories of Executive Administrative, Associate Professor, Assistant Professor, Coaching, Professional Non-Faculty, Clerical All Titles, Secretary 2, Technical Paraprofessional, Protective Services, and Custodians.

Since goal achievement cannot take place in categories where hiring did not occur, eight (8) goals attributable to the categories of Professor [one (1) goal], Skilled Crafts [three (3) goals], and Service Maintenance, All Titles [four (4) goals] were not achievable and therefore only sixty-six (66) of the seventy-four (74) established goals were identified as achievable goals.

Of the forty-five (45) hires that occurred during this reporting period, twelve (12) or twenty-seven percent (27%) of all hires met established reachable hiring goals.

Additionally, in its commitment to diversify the workforce, the University hired twenty-four (24) members of underrepresented groups\(^1\) that did not meet established goals:

- One (1) diverse hire in the **Executive Administrator** category: One (1) Hispanic female.
- Seven (7) hires in the **Assistant Professor** category: One (1) White female; One (1) Black female; Two (2) Hispanic females; and Three (3) AAIAANHNPI males.
- Eleven (11) diverse hires in the **Professional/Non-faculty** category: Eight (8) White females; Two (2) Black females; and One (1) Hispanic female.

\(^1\) White Female hires in the categories of Clerical, All titles; Administrative Assistant; and Secretary 2 are not identified as diverse candidates as they are overly represented in these categories.
• One (1) diverse hire in the **Clerical All Titles**: One (1) Black female.
• One (1) diverse hire in **Protective Services**: One (1) Hispanic male.
• Three (3) diverse hires in the **Custodian category**: Two (2) White females and One (1) Hispanic female.

In all, thirty-six (36) out of the forty-five (45), or eighty (80%), were either goal candidates or candidates from historically underrepresented groups, including White females in non-clerical positions.

**Promotions Summary Chart**

For this reporting period, CCSU established thirty (30) promotional goals and experienced twenty-eight (28) promotions. Promotions occurred in the occupational categories of Executive Administrative, Professor, Associate Professor, Professional Non-Faculty, and Secretary 2.

Since goal achievement cannot take place in categories where promotions did not occur, four (4) goals attributable to the categories of Clerical, All Titles [two (2) goals] and Service Maintenance, All Titles [two (2) goals] were not achievable and therefore only twenty-six (26) of the thirty (30) established goals were identified as achievable goals.
Of the twenty-eight (28) promotions that occurred during this reporting period, eight (8) or twenty-nine percent (29%) met established reachable promotional goals.

Additionally, in its commitment to diversify the University promoted twelve (12) members of underrepresented groups\(^2\) that did not meet established goals:

- One (1) diverse promotion in the Professor category: One (1) Hispanic male
- Ten (10) diverse promotions in the Associate Professor category: Six (6) White females; One (1) Black male, One (1) Hispanic female and Two (2) AAIAHNPI males
- One (1) diverse promotion in the Professional/Non-faculty category: One (1) White female

In all, twenty (20) out of the twenty-eight (28) promotions, or seventy-seven (77%), were either goal candidates or candidates from historically underrepresented groups including White females in non-clerical positions.

For a full explanation, see Section 46a-68-90, Goals Analysis.

**Summary of Faculty Promotions**

Promotions in the faculty category are self-directed; therefore, goal achievement can be measured against those who apply for promotion. For this reporting period, CCSU established twenty-four (24) faculty promotion goals and experienced twenty-four (24) promotions. Of the twenty-four (24) faculty promotions that occurred during this reporting period, eight (8) or thirty three percent (33%) met established reachable promotion goals.

Additionally, in its commitment to diversify the University promoted eleven (11) members of underrepresented groups that did not meet established goals:

- One (1) diverse promotion in Professor: One (1) Hispanic male.
- Ten (10) diverse promotions in the Associate Professor category: Six (6) White females; One (1) Black male, One (1) Hispanic female and Two (2) AAIAHNPI males.

In all, nineteen (19) out of the twenty-four (24) achievable goals, or seventy-nine (79%), were either goal candidates or candidates from historically underrepresented groups including White females in non-clerical positions.

**Promotions to Professor**

There were Thirteen (13) faculty members who applied for promotions to Professor: Four (4) White males; Five (5) White females; One (1) Black female; One (1) Hispanic male; and, Two (2) AAIAHNPI males.

---

\(^2\) White Female promotions in the categories of Clerical, All Titles and Secretary 2 were not identified as diverse candidates as they are overly represented in these categories.
Ten (10) applicants were recommended for promotions to Professor based on the evaluations of the Department Evaluation Committee (DEC), the deans, the Promotion and Tenure Committee (P&T), Provost and the President: Four (4) White males, Four (4) White females, One (1) Hispanic male, and One (1) AAIANHNPI male. Of the Ten (10) promotions that occurred in this category, the University achieved four (4) White female and one (1) AAIANHNPI male established promotional goals.

Three (3) applicants were denied promotions: One (1) White female goal candidate, One (1) Black female, and One (1) AAIANHNPI male goal candidate were denied promotion because they failed to meet the criterion set forth in Article 4.11.9.1-4.11.9.5 of the Collective Bargaining Agreement.

Thus, out of the seven (7) applicants who were goal candidates, the University achieved five (5) goals: Four (4) White females and One (1) AAIANHNPI male.

Of the ten (10) promotions that occurred in the professor category, the university achieved five (5) established goals or fifty percent (50%). Of these promotions, Six (6) or Sixty (60%) percent were either goal or diverse candidates.

Promotions to Associate Professors

There were Seventeen (17) faculty members who applied for promotions to Associate Professor: Two (2) White males; Seven (7) White females; One (1) Black male; Two (2) Black females; Three (3) Hispanic females; and Two (2) AAIANHNPI males.

Fourteen (14) applicants were recommended for promotions to Associate Professor based on the evaluations of the DEC, the deans, the P&T, Provost and the President: One (1) White male, Six (6) White females; One (1) Black male; One (1) Black female, Three (3) Hispanic females; and Two (2) AAIANHNPI males. Of the Fourteen (14) promotions that occurred in this category, the University achieved One (1) Black female and two (2) Hispanic female established promotional goals.

One (1) White male, One (1) White female, and One (1) Black female goal candidate, were denied promotion because they failed to meet the criterion set forth in Article 4.11.9.1-4.11.9.5 of the Collective Bargaining Agreement.

Thus, out of the five (5) applicants who were goal candidates, the University achieved three (3) goals: One (1) Black female and Two (2) Hispanic females.

Of the fourteen (14) promotions that occurred in the Associate Professor category, the university achieved three (3) goals or twenty (21%) percent. Of these promotions, Thirteen (13) or Ninety-Three (93%) were either goal or diverse candidates.

Hiring and Promotional Goals for 2017-18

The University has established hiring and/or promotional goals to remedy the underutilization of protected classes identified in the utilization analysis. Hiring goals are established for jobs usually filled through original appointment, and promotional goals are for jobs filled through an internal promotional appointment. The objective of hiring and promotional goals is to reach parity with the availability base of protected groups in relevant labor market areas.

A goal is a hiring or promotion objective, which the University must strive to obtain by demonstrating every good faith effort. Goals are set to remedy the underutilization of minorities and women in the workforce and must be established within a time frame designated.

The University has set its goals to be meaningful, measurable, and reasonably attainable. It is important to note, however, that state re-employment lists, SEBAC rights, and union contracts relating to transfers from
other agencies are in effect, and the University must consider those candidates for specific vacancies if they qualify.

**HIRING AND PROMOTION GOALS**

Based on the Section 46a-68-40, Utilization Analysis, the University has established the following hiring and promotional goals for the period of August 1, 2018 through July 31, 2019.

Other Program Goals

Other Program Goals for 2018-2019

The University did not identify any employment policy or practice that adversely affects any minority group candidates, including physically disabled or older persons. The University will, however, continue to take a critical look at its employment processes and if disparities occur, the University will initiate a goal to remove such impact and improve the processes. In order to foster a campus climate of inclusion and diversity, to ensure equal rights for all the various groups that make up the University community and to educate our students toward appreciation for diversity, the University will:

1. **Recruitment & Equitable Search Process**
   
   **Classified Search Process**
   
   HR and ODE will identify other recruitment sources for classified positions especially for skilled crafts, custodians, and service maintenance.
   
   **Completion Date:** July 2019
   
   **Responsible Person(s):** Chief Diversity Officer and Chief Human Resources Officer

2. **Promotion of Equal Opportunity and Harassment-free Workplace**

   **Training**
   
   - ODE will establish a training focused specifically on implicit bias in the workplace and offer it, as part of Diversity Training, on an annual basis. All employees will be invited to attend, but supervisors, administrators and department chairs will be especially targeted.
   - ODE will provide sexual harassment training to all members of the CCSU Police Department.
   - ODE will provide new, comprehensive online Title IX (sexual misconduct, sexual harassment) training for employees, graduate students and undergraduate students.
   
   **Completion Date:** July 2019
   
   **Responsible Person(s):** Chief Diversity Officer; Associate in Diversity and Equity, Chief Human Resources Officer; Provost; Victim Advocate; Vice President of Student Affairs.

3. **Foster a Safe and Inclusive Work Climate**

   **Utilize recommendations from the CCSU Task Force on Sexual Misconduct, Bullying and Campus Climate to improve Diversity and Equity procedures and training**

   The President of CCSU established a Task Force whose mission is to review campus processes and procedures related to complaints of sexual misconduct, examine programmatic initiatives and identify recommendations. A report will be provided to the university community in December 2018. Diversity and Equity will review these recommendations and use them to improve complaint procedures and training.

   **Completion Date:** May 2019
   
   **Responsible Person(s):** Chief Diversity Officer; Chief Human Resources Officer; Associate in Diversity and Equity

**Cooperation with Other Agencies**

When the cooperation of another agency is essential to the implementation of a program goal, CCSU will maintain a record of each instance of contact with the agency and the outcome of the request.

Central Connecticut State University
Charge of the Search Committee

Position: Provost and Vice President for Academic Affairs Search #: C18-008

General issues

1. Search committee liability: it is possible, and has happened here, that search committee members can be sued in their individual and official capacities. Under Connecticut law, state employees are entitled to representation by the Attorney General’s Office and indemnification by the state where their actions within the scope of employment or discharge of duties for damage or injury are “not wanton, reckless or malicious…” Conduct that is merely negligent comes within the statutory protection.

2. The committee must meet as a whole throughout the search and must conduct its deliberations within the meetings. Do not discuss anything related to the search, either with members or non-members of the committee, except when the committee is formally meeting. If you E-mail information regarding the search, all of the committee should be copied.

3. Each applicant must receive an individualized and complete review of his/her qualifications as compared to the job advertisement. If there are general terms in the advertisement that need further clarification, those standards must be set out before reviewing the applications. For example, the ad requires “teaching experience” without further definition. The committee needs to describe the skill set and scope that term is meant to capture, rather than the jobs that might suffice.

4. All members of the committee must use the same standards to evaluate the applicants. Again, decide before looking at the applications, as that helps to insulate the committee from charges of bias or favoritism.

5. Members of the committee should disclose to each other if they know any of the applicants in the pool and how they know of them, or about them. If a member feels that he or she cannot be objective about a candidate, he or she should recuse him or herself from the committee.

6. Master file: The search chair should maintain clean originals and make copies for the committee members. There must be no notes or writing of any kind on the original materials.

7. By state and federal law, the official, or master, search file must be maintained in a secure and accessible location for a minimum of three years. The Office of Diversity and Equity maintains the AA search file, but the official (or master) file, containing all application materials from all applicants (whether or not qualified) should be maintained by the hiring department chair.

8. The search chair should contemporaneously document all of committee’s decisions, including standards to be applied and the committee’s action for each applicant which will become part of the master file. Only committee decisions should be recorded on the minutes. Internal discussions or procedural matters should not be kept in record.

1. AAP-2: Affirmative Action search plan

1. The committee should develop an advertisement that is specific but inclusive. Note that you must evaluate all applicants by comparing their qualifications to those listed in your ad. Your evaluation should be thorough and fair, treating all applicants equally.
2. The advertisement is not a job description. It contains a list of minimal and preferred qualifications necessary to do the job. Remember, any applicant with all the minimal qualification should be, in theory, able to perform the job.

3. Weight carefully the minimal qualifications, and be inclusive. Try not to include qualifications that will unnecessarily exclude potential qualified applicants. For example, if you say “5 years’ experience” as a minimal qualification, think: why five? Is this really the minimum necessary? Would four do just as well, but broaden my pool?

4. For the most part, the preferred qualifications will differentiate the minimally qualified from your finalists. List qualifications that are specific and objective.

5. Recruitment is the most important tool we have to increase diversity. Make sure to include AT LEAST two sources of advertisements that are specifically targeted to historically underrepresented groups in the position’s field. Also, include proactive recruitment measures as part of your plan.

6. Once the advertisement is completed and approved by the committee and relevant supervisors, Human Resources will post your ad in one major advertisement source. Other sources must be paid and placed by the department, the dean’s office, or the academic division. The bargaining units’ minority recruitment committees may have available funds for advertisement and recruitment. The Office of Diversity and Equity DOES NOT have any available funds for advertisement.

II. AAP-3: The advertisement has yielded a pool of applicants that the committee needs to review, comparing the applicants’ qualifications to those specified in the advertisement.

1. When completing this form, the members must articulate their reasons for voting each individual applicant into the categories and must challenge those reasons that appear unsupported.

2. Pre-Screening-all or none within each category. Applicants within a category must be treated the same. For example, if one is called about missing materials, all must be called who are similarly situated.

3. Each applicant must have a reason-factual and not conclusory, based on the job ad-for why she or he is placed in a category.

4. The Not Qualified category is intended for those applicants who do not meet the required elements of the job qualifications. Failure of an applicant to meet any one of the required qualifications should result in placement in the Not Qualified category unless, on the judgment of the committee, the applicant possesses substantially comparable qualifications. The minimum requirement that the applicant has not met should be stated under the Reason column. Regret letters may be sent to those applicants once the AAP-3 is fully signed.

5. The Minimally Qualified category lists those applicants who meet all the minimum requirements, but, based on the paper review and on the judgment of the committee, are not the preferred candidates to be considered finalists. State the factual reasons for placement in the Minimally Qualified category based on the ad and the standards the committee set in advance. For example, if the preference is for someone who has supervised students in field placements and the applicant has no such experience.
6. Then separate the **Finalists** from the Minimally Qualified-apply the standards the committee set the committee is to work towards speaking with one voice, either unanimously or consensus, at the end. Special attention should be placed on Affirmative Action target candidates.

7. This is a paper review process for the most part. If an applicant is known to the committee (e.g., because of serving a special appointment or other University employment), that information should have limited effect - in other words, if he or she is minimally qualified based on the paper review, but the committee would like to interview him/her based on personal knowledge of the applicant, the person still should go into minimally qualified and not the finalist category.

8. Is the pool the size expected? If not, why not? What should be done to increase the size of the pool? Is there a qualification that acts to exclude otherwise qualified applicants? It is permissible to re-advertise and extend a search if the committee feels it is necessary to attain a larger and more diverse pool of applicants.

9. Is the pool apparently diverse in gender? Race/Ethnicity? If not, why? What else can be done to diversify the pool?

- The Priority Targets for EE01 Administrators are White female, Black female, and AA/AN/HPI male and female.

The Office of Diversity and Equity will provide demographic information to the committee when the AAP3 is submitted about the applicant pool.

(*AA/AN/HPI = Asian, American Indian, Alaska Native, Hawaiian Native, Pacific Islander*)

10. Do not interview anyone until this form is completely approved. The Office of Diversity and Equity may not approve an AAP3 form if the pool of finalists does not include an applicant from the target group.

11. If you have candidates from outside the local area, telephone interviews must be conducted. After telephone interviews are conducted, the search committee will conduct telephone reference of the candidates that are still being considered for the on-campus interviews. Once this has been done, please email the Office of Diversity the names of the candidates who will be invited for the final on-campus interviews. You will receive a final approval to proceed via email.

III. **Interviews (Telephone and On-campus Interviews):**

1. Read through the “Hiring and Search Manual” before beginning to interview. ([http://www.ccsedu.edu/page.cfm?p=4176](http://www.ccsedu.edu/page.cfm?p=4176)). Stop interviewees from offering information we don’t want to know. Frame your questions carefully.

2. All interviewees are asked the same basic questions.

3. The search committee members must agree ahead of time on the criteria used and the weight to be given to each question.

4. If you didn’t sit through all the interviews, your ability to vote for candidates is limited. With their consent, candidates might be video or audio recorded, and the recordings shared with members of the committee.
5. At the end of the interviews, the committee now has considerable objective and subjective information. Articulate the committee’s decisions for each interviewee. Be factual, weigh the relative strengths and weaknesses of each.

6. Put those decisions into a memo to the hiring manager.

IV. AAP-4 form:

1. Fill out the unranked candidates’ names only.

2. Attach the memo to the hiring manager. The memo must address all the finalists that were listed on the AAP3.

3. Do not make any conditional offers to candidates until this form has been fully signed.

4. If the hiring manager asks the committee to make a conditional offer to a candidate, document all conversation with the candidate, contemporaneously, and file them in the master search file.

5. Regret letters should be sent to the minimally qualified and the non-selected finalists.

6. Be very clear that the offer is conditional upon the results of a background check and final approval of the President, and put that in writing.

2. The advertisement is not a job description. It contains a list of minimal and preferred qualifications necessary to do the job. Remember, any applicant with all the minimal qualification should be, in theory, able to perform the job.

3. Weight carefully the minimal qualifications, and be inclusive. Try not to include qualifications that will unnecessarily exclude potential qualified applicants. For example, if you say “5 years’ experience” as a minimal qualification, think: why five? Is this really the minimum necessary? Would four do just as well, but broaden my pool?

4. For the most part, the preferred qualifications will differentiate the minimally qualified from your finalists. List qualifications that is specific and objective.

5. Recruitment is the most important tool we have to increase diversity. Make sure to include AT LEAST two sources of advertisements that are specifically targeted to historically underrepresented groups in the position’s field. Also, include proactive recruitment measures as part of your plan.

6. Once the advertisement is completed and approved by the committee and relevant supervisors, Human Resources will post your ad in one major advertisement source. Other sources must be paid and placed by the department, the dean’s office or the academic division. The bargaining units’ minority recruitment committees may have available funds for advertisement and recruitment. The Office of Diversity and Equity DOES NOT have any available funds for advertisement.

II. AAP-3/C-1: The advertisement has yielded a pool of applicants that the committee needs to review, comparing the applicants’ qualifications to those specified in the advertisement.

1. When completing this form, the members must articulate their reasons for voting each individual applicant into the categories and must challenge those reasons that appear unsupported.

2. Pre-Screening-all or none within each category. Applicants within a category must be treated the same. For example, if one is called about missing materials, all must be called who are similarly situated.

3. Each applicant must have a reason-factual and not conclusory, based on the job ad-for why she or he is placed in a category.

4. The Not Qualified category is intended for those applicants who do not meet the required elements of the job qualifications. Failure of an applicant to meet any one of the required qualifications should result in placement in the Not Qualified category unless, on the judgment of the committee, the applicant possesses substantially comparable qualifications. The minimum requirement that the applicant has not met should be stated under the Reason column. Letters may be sent to those applicants once the AAP-3/C-1 is fully signed.

5. The Minimally Qualified category lists those applicants who meet all the minimum requirements, but, based on the paper review and on the judgment of the committee, are not the preferred candidates to be considered finalists. State the factual reasons for placement in the Minimally Qualified category based on the ad and the standards the committee set in advance. For example, if the preference is for someone who has supervised students in field placements and the applicant has no such experience.
6. Then separate the **Finalists** from the Minimally Qualified-apply the standards the committee set-the committee is to work towards speaking with one voice, either unanimously or consensus, at the end. Special attention should be placed on Affirmative Action target candidates.

7. This is a paper review process for the most part. If an applicant is known to the committee (e.g., because of serving a special appointment or other University employment), that information should have limited effect—in other words, if he or she is minimally qualified based on the paper review, but the committee would like to interview him/her based on personal knowledge of the applicant, the person still should go into minimally qualified and not the finalist category.

8. Is the pool the size expected? If not, why not? What should be done to increase the size of the pool? Is there a qualification that acts to exclude otherwise qualified applicants? It is permissible to re-advertise and extend a search if the committee feels it is necessary to attain a larger and more diverse pool of applicants.

9. Is the pool apparently diverse in gender? Race/Ethnicity? If not, why? What else can be done to diversify the pool? The **Priority Target** for this search is a **White Male, Hispanic Female, AA/ANHPI* Female**. The Office of Diversity and Equity will provide demographic information to the committee when the AAP3/C-1 is submitted about the candidate. (*AA/ANHPI = Asian, American Indian, Alaska Native, Hawaiian Native, Pacific Islander)

10. Do not interview anyone until this form is completely approved. The Office of Diversity and Equity might reject an AAP3/C-1 form if the pool of finalists does not include an applicant from the target group.

11. If you have candidates from outside the local area, telephone interviews **must be** conducted. After telephone interviews are conducted, the search committee will conduct telephone reference of the candidates that are still being considered for the on-campus interviews. Once this has been done, please email the Office of Diversity the names of the candidates who will be invited for the final on-campus interviews. You will receive a final approval to proceed via email.

III. **Interviews (Telephone and On-campus Interviews):**

1. Read through the “Hiring and Search Manual” before beginning to interview. ([http://www.ccsu.edu/page.cfm?p=4176](http://www.ccsu.edu/page.cfm?p=4176)). Stop interviewees from offering information we don’t want to know. Frame your questions carefully.

2. All interviewees are asked the same basic questions.

3. The search committee members must agree ahead of time on the criteria used and the weight to be given to each question.

4. If you didn’t sit through all the interviews, your ability to vote for candidates is limited. With their consent, candidates might be video or audio recorded, and the recordings shared with members of the committee.

5. At the end of the interviews, the committee now has considerable objective and subjective information. Articulate the committee’s decisions for each interviewee. Be factual, weigh the relative strengths and weaknesses of each.

6. Put those decisions into a memo to the hiring manager.
IV. AAP-4/C-2 form:

1. Fill out the unranked candidates’ names only.

2. Attach the memo to the hiring manager. The memo must address all the finalists that were listed on the AAP3/C-1.

3. Do not make any conditional offers to candidates until this form has been fully signed.

4. If the hiring manager asks the committee to make a conditional offer to a candidate, document all conversation with the candidate, contemporaneously, and file them in the master search file.

5. Be very clear that the offer is *conditional* upon the results of a background check and final approval of the President, and put that in *writing*.

RE: C18-005 – Custodians – Hiring Goals

The Office of Diversity & Equity has received notice of your intent to fill four Custodian positions in your department. The hiring goals for this position are listed below. Please refer to these goals when making a recommendation for hire and/or promotion. It is very important that every good faith effort is made to achieve goals when the opportunity occurs.

</tbody>
</table>

The next steps in the process are as follows:

1. Form a search committee and schedule a search charge meeting with our office by calling 860-832-1652.

2. The Human Resources Office will provide you with an initial list of candidates that are eligible for consideration. Once you have reviewed the eligible candidates and narrowed down the pool, you will submit the AAP C-1 for approval. Please note: The AAP C-1 must be approved prior to scheduling interviews.

3. The next step would be to interview all semi-finalists and submit the AAP C-2 to the Office of Diversity & Equity for approval, including a justification for the recommended candidate and an assessment of all candidates interviewed. Please note: The AAP C-2 justification must be approved by the Office of Diversity and Equity before Human Resources can complete the process and make an offer of employment to the selected candidate.

If you have any questions regarding this information, contact the Office of Diversity and Equity at 860-832-1653.

Work Life Balance Subcommittee

The WLB Subcommittee met on January 31st to begin discussing maternity/paternity leave policies and programs at peer institutions and in the state of CT. Fiona Pearson and Leah Glaser have also been meeting with Victor Constanza, Student Life Vice Chair of SGA, who is working with SGA Senators who are supportive of increasing child care resources at CCSU. Last week SGA passed a resolution supporting the creation of a Family Education and Resource Center that would 1) serve as an academic resource for students and faculty on campus who are researching the effects of early childhood education and 2) would provide a vital resource for CCSU and New Britain parents seeking comprehensive child care. We are now working with SGA to finance subsidized drop-in care for student parents at CCSU. The Work Life Balance Subcommittee next meets on Wednesday, February 28th at 12:15.

Work-Life Balance Subcommittee

The WLB Subcommittee met on January 31st to begin discussing maternity/paternity leave policies and programs at peer institutions and in the state of CT. Fiona Pearson and Leah Glaser have also been meeting with Victor Costanza, Student Life Vice Chair of SGA, who is working with SGA Senators who are supportive of increasing child care resources at CCSU. Last week, SGA passed a resolution supporting the creation of a Family Education and Resource Center that would 1) serve as an academic resource for students and faculty on campus who are researching the effects of early childhood education and 2) would provide a vital resource for CCSU and New Britain parents seeking comprehensive child care. We are now working with SGA to finance subsidized drop-in care for student parents at CCSU. The Work Life Balance Subcommittee meets next on Wednesday, February 28th at 12:15.

This Wednesday 2/28/18 meeting will be rescheduled because of Spring Break upcoming and CIUWFA Atlanta Conference. College and University Work Family Association Conference in Atlanta, GA
Leah Glaser, Fiona Pearson will be attending. Will wait to have next Subcommittee meeting in March.

Victor Costanza has been very supportive of Child Care Center. Reviewed Drop In Center proposal with him a week ago. SGA is supportive at this time, though only if used by students. The Portland State center was looked at and they use student activity fee. Here could add $5.00. Fiona Pearson plans to present the proposal to SGA’s next meeting.

Louise Williams of AAUP is forming a Child Care Committee. For AAUP there are things that one can do with regards to maternity leave. e.g., stop tenure clock, but pays salary back a year. SUDAF may have wording regarding maternity leave. Perception that there are no consistent rules for maternity/paternity leave between Departments/ Chairs/ Deans was also mentioned.
Women of Color Subcommittee meets every other Monday at 12:00 pm, except when CCW General meeting is scheduled. Olga will check with Jackie for when next meeting is scheduled.

Current Searches

VP of Student Affairs – in process.
Dean – SEPS – will be awhile
Dean – CLASS
Nicholas D'Agostino’s position in Office of Diversity and Equity - On web
Library - On web
SWS Counselor - On web

Dean – SIST – 2 candidates, 3rd pulled out, one active candidate is believed to be a woman, and interviews are upcoming.

Could be more proactive. There always is the opportunity to reopen a search, except for high level positions such as Provost position.

Search Committee may be diverse, what are we doing to solicit more diverse applicant pools? Many applicants are removed from applicant pool because of not following application directions.

Other positions have no Search Committee – e.g., current SWS Counselor opening has no Search Committee (at time of this CCW meeting). The position opening has to be announced internally for 10 days first.

SUOA? – If hire is internal, no Search Committee is required. The search can go external if more candidates are wanted. This is more critical with higher positions such as Provost, VP’s, etc. Rosa Rodriguez looks at all hiring and searches.

Create Statement like done for Provost Search. Do statement now rather than when interviews are already on campus. Provide a statement to Chairs at high level, Faculty Senate President, Human Resources, Office of Diversity & Equity, Presidents of our unions, maybe identified Managers.

Question about adding statement to Faculty Senate agenda. The Faculty Senate Personnel Committee is not functioning currently. Urge Faculty Senate to take a stance.

Discussed providing CCW member(s) on rotating basis to form either a Search Subcommittee or as a representative of CCW at Searches. Would have to go through Dr. Toro for approval. Could make recommendation, possibly to Rosa Rodriguez?

1) Create Statement – revise statement used for Provost Search, develop list of who it is to be sent to
2) Request to Represent CCW mission at Search Committees, Ask Rosa Rodriguez

CCW Scholarship Subcommittee:

Debra Cronin and Melanie Meyers have been selected as co-recipients of the Ruth Boyes Scholarship for 2018. Many thanks to Susan Gilmore and Jacqueline Cobbina-Bolvin for the hard work they put in reviewing the applications with me. -- Kristine Larsen

There was discussion of having a luncheon for Ruth Boyes Scholarship recipients. Last fall the CCSU Foundation had a luncheon to recognize scholarship recipients. CCW could host a luncheon with refreshments and take photos of scholarship recipients.

Motion made by Jacqueline Cobbina-Bolvin to host a get together at CCW last general meeting for the scholarship recipients. Myrna Garcia-Brown seconded the motion. Vote was unanimous approval.

Work-Life Balance Subcommittee:

Discussed progress of support for Child Care Center - will keep in communication with SGA, met with President Toro. SGA support was withdrawn, with primary concern being the $5 Student Activity fee addition, procedural questions with that. President Toro requested to meet with the Budget Office, SGA and Fiona Pearson to review Childcare Center proposal.

Louise Williams of AAUP is forming a Child Care Committee. Working on a Resolution for Child Care, copy was given to CCW members present and members of WLB Subcommittee to review. Comments are requested. SCSU AAUP is also reviewing the draft resolution. Want to move this quickly so can lobby with Legislature.

Subcommittee involvement:

Question was raised as to how often Subcommittees are meeting. How well are the Subcommittees working?

To increase Subcommittee involvement is for next academic year, could have standing meetings where people sign up for Subcommittees according to the meeting time(s) they can make. As part of this, have different Subcommittees meet on different days.

Possibly have a set of issues that are worked on across all Subcommittees. Decide as a group what we can tackle.
Meeting 3/26/18

Meeting with President Toro

Toro apologized that she is unable to attend meeting today due to an urgent matter. Nguzimbe will communicate with the President’s Office about future meeting date and will update other administrations. CCW seemed not truly advisory and we would like to think that this has ended. In the past, CCW did meet with CCSU President, including CCW Co-Chairs presenting Annual Report. The issues, ideas, concerns to present to Dr. Toro?

Need real campus climate survey
Drop in Child Care Center
Sexual Misconduct Policy on syllabus
Identify CCW successes – accomplishments and obstacles met?
Gather input/ email from Chairs of the different Committees

Business/Announcements

Decision of Willard-Diloreto space, decisions made by Richard Bashoo as well as respective Provosts, Deans, and Administrators of Centers in Carroll Hall.

Fear is still here, New Academic Affairs Provost is here.
Dodd is moving to Willard-Diloreto.

Department, SWS – Health and Counseling Centers moving to Willard-Diloreto.

Will-Diloreto – all space is assigned, no extra space

Could ask for a space in Marcus White once things open up.

Hall will be a swing space, Barnard Hall will be for renovation.

Search Committee

Questions that the search committee members are decided on before the committee is set up and search starts. Same people. How about justification for each Search Committee member?

“Lower” level staff to Search Committees, if they are in the same department they would know more about the person than an Administrator from another department.

Counseling has two open positions – AAUP Counselor and SUOAP Director.

Counselor search is national as it is AAUP.

IEP is open position – worked to get a person on Search Committee.

Are on the Search Committees and how are they selected? Possibly start an Ad hoc Subcommittee to review?

Ruth Boyea Scholarship Subcommittee:
   Melanie Meyers and Debra Cronin have been notified and asked to attend our meeting Monday and submit photos.

Short bios:
Melanie Meyers is a junior majoring in Social Work. She is a volunteer at the Plainville Food Pantry, her volunteer service includes volunteering at the Tunxis Food Pantry, work in support of both sexual assault awareness and sexual assault survivors, and an unpaid internship with TrueColors. On campus she is involved with the Human Services Club. In her scholarship essay she explained that “Unfortunately, not every woman may be privileged enough to know their rights, the risks of assault and STDs, or know where to get help. Therefore, I want to take advantage of my education and experiences to inspire women to work and work for, to provide more opportunities for education and growth... My goal is to become a mental health counselor so I can advocate for disadvantaged populations and the betterment of women.”

Debra Cronin is a graduate student in the Marriage and Family Therapy program. A graduate of the US Merchant Marine Academy, Debra was an active member of the school’s Society for Women Engineers and as a Senior year officer led the mentoring of underclassmen, especially those struggling academically. After a career in the engineering world, she became a yoga instructor and returned to college for her Masters. She has been a Cadette Girl Scout Troop leader since 2009 and developed a Mindfulness training program for 4th graders in East Hartford. On campus she is a charter member of our chapter of Delta Kappa International Marriage and Family Therapy Honor Society. In her essay she reflects “My career aspirations are to teach elementary school children how to engage in mindful self-leadership so they are able to choose their thoughts and feelings mindfully connecting with their inner calm, confidence, courage, clarity, curiosity, compassion, [and] creativity. I would like to lead middle and high school students in channeling their anger into creativity....I would like to end violence in our society by creating groups who lead their own self-awareness in body and mind.”

Women’s History Month Subcommittee:
   Suggestion to reinstall the Women’s History Month subcommittee.

Work Life Balance Subcommittee:
   Fiona Pearson and Christina Barmon attended the College and University Work Life Association’s (CIWPA) Annual Meeting in Atlanta, March 13-15. They along with Leah Gaiser are in the process of developing a report containing a proposed strategy of action to share with Provost Davidlender in late April, early May. They will share this report with CCW members as well.

The CCSU-AAUP Executive Committee recently voted to support the attached “Resolution for Affordable, Accessible, and High Quality Comprehensive Child Care at CCSU.” CCSU-AAUP will share the resolution with CSU-AAUP’s Council for a vote. We encourage other union members to share this resolution with their leaders, asking them to consider supporting the resolution via vote. The subcommittee plans to meet on Wednesday April 25th in the SSH Poli Sci/Soc Conference Room.
Resolution for Affordable, Accessible, and High Quality Comprehensive Child Care at CSCU

As, not a single campus in the CSCU system provides comprehensive child care, serving children from 6 weeks to 12 years;

As, the population of older and returning students is anticipated to increase across the nation and many of those students need affordable, accessible, high-quality child care to attend class, complete coursework outside of class, and participate in campus life;

As, 26 percent of college students in the United States are raising children while attending school, and just under half of those students are enrolled in community colleges;¹

As, gender pay inequalities in the U.S. persist in part because mothers are more likely than fathers to engage in part-time school or work, to not seek or to delay promotions, or to leave the workplace or work places altogether as a result of their caregiving responsibilities;²

As, the CSCU system may not be able to compete with more highly-resourced universities and colleges in regards to offering competitive salaries to recruit high quality staff, faculty, and administrators; the system can work to create a family-friendly climate where faculty, staff, and administrators of all genders feel supported in regards to their work, life, and family commitments;

As, lab schools providing comprehensive child care and early childhood education can simultaneously provide 1) important caregiving resources to families and 2) serve as academic resources providing key learning, internship and research opportunities for students and faculty;

Resolved that the 17 campuses of the CSCU System provide affordable, accessible, high-quality comprehensive child care (serving children from 6 weeks to 12 years) and on-campus drop-off care facilities that will serve the CSCU system's faculty, staff, and students.

  - Must be better on communicating issues

Committee responsibilities for the April 3rd and May 8th meetings

Notes:
• Start having conversations about their topics to discuss at the April meeting
  o Select committee leader
• Each committee should at least have a rough idea of a plan to bring to the meeting in May
  o What we plan to do, what we’d like to do, what we’ve done in the past, etc.
  * Why we feel the actions we decide on will be worth it

Register for the Symposium April 12th (Questions directed to Heather Rodrigues)
• Registration link forthcoming

Looking forward
• Moving on with regular elections vs. continuing with an interim position until we are settled with the new plan and new space
• Review mission statement
• Downsizing the advisory board to those who actively involve themselves
  o Create a steering committee?
• Look into grant funding to help make the board activities easier
• Involving students in board activities (LASO, COLADA, CHANGE, Spanish Club, Caribbean Club, etc.)
• Organizing some social event for the board

Board Meeting October 19, 3pm

Official Start time 3:15

• Open issues
  o Only 3 members in attendance; need to meet another day in order to get more attendance (Elena, Carlos, Awilda)

      * Elena: Yes
    * Thursdays 3:00?

  * Carlos proposes Friday’s 3:00, because those are usually less hectic
  * To be put out to the rest of the board
  * Thursday November 24th, Africana Center will be in attendance
  * Should pursue this date

• Latin Week
  * Carlos: went well
  * Awilda suggests we have a feedback/input form where people can suggest what they’d like to see in the future
    * Carlos hesitant because it should be up to the students to plan events they believe are best for students
    * Event attendees may not even show up to events in the future, or don’t necessarily know what is best/possible
    * Programs were student-driven, and it should come from them
      * Clarification from Awilda: ask the students who created the events themselves about what they wish could be different/better next year
    * Can be challenging to get everyone into a room together, so it was not goal
      * Could do it electronically
      * Find something that exists already for feedback
        * Awilda will send materials to Carlos to modify for our purposes

• Good to have this for our records
  * Forthcoming presentations
    * Emphasize event Thursday October 26th
    * LALCC needs posters/flyers to hang

   a. We looked at the ATEL workshops that were held and discussed topics and attendance.
       i. Will we hold these workshops again this year? What and when? General consensus that yes, we will continue them but want to focus on greater attendance.
   b. What is the function of the FSDC committee this year? Possible new directions for the FSDC: In our final meeting in May, the FSDC members put forth recommendations for new leadership (to begin in Fall 2017) and discussed the following:
      • Expanding partnerships/providing service to local non-profits
      • Leading a micro-aggression campaign & workshops
      • Supporting the Gen Ed curriculum redesign (make it more flexible, more open, more inclusive of diversity) – Student said to President Toro on the Fall Latino Panel “White Privilege courses are Ed. Ed. requirements but courses dealing with diversity are electives”

5. D-designation of courses

   b. Are we still trying to push D-designation of courses in course curriculum?

6. Website needs fixing!
   a. Would like to put results of survey on the website
   b. Would like to have a library of practices for diversity on website (see https://www.assenberg.org/what-we-do/initiatives?tid=22 for an example of what this looks like for education)

Committee established by President Toro for the 2017-18 year.

SUBCOMMITTEES

Survey Subcommittee: Bishop, Werblow, Mackey, Gagnon, Rahman, Clark
- The Diversity Survey is ready to deploy as soon as it has HSC approval. The Executive Committee has agreed to its dissemination. The Student Government Association (SGA), Committee on Women’s Concerns, and the Women’s Center have reviewed and formally supported the survey. The results of the survey will help drive the initiatives and direction of the FSOC next year.
- The purpose of the survey is to examine the extent to which CSU students feel that diversity is adequately incorporated into their learning experience. The data collected will be available to both students and faculty through an annual report posted on the FSOC website and presented to the Faculty Senate and Student Government Association (SGA) in an effort to better understand how to help improve the educational quality at our institution.

Workshops Subcommittee Love, Amaya-Bower, Fuentes
- A Social Justice & Sustainability Workshop was presented by Kurt Love in April, 2018. It was videotaped and the presentation will be posted on the FSOC website as soon as the final copy is ready.
- Additional ideas have been generated for workshops next fall and this committee plans to communicate over the summer so as to “hit the ground running” in the fall.

Webpage and Resources Subcommittee: Keazer, Thomas, Leong
- Substantive suggestions on how to improve the website have been presented to approved by the full committee.
- Updates are now happening regularly to the website which had not been changed since 2015.
- Resources such as book titles, webpages etc. were collected from members of the full committee to post. If anyone wishes to provide suggestions, the following google doc link may be used for submission:
  https://docs.google.com/document/d/15SyG7vIfO6vEd0rN1JH4jKskZjYoOjXU1FZn4o/edit?usp=sharing

Media Resource Development Subcommittee: Maroz, Moreno-Fuentes, Werblow
- Several interview/panel discussions are in the design phase. Students will be invited to participate.
- When completed these will be posted on the FSOC website as resources for professional development, use in teaching etc.

Mentorship & Grants Subcommittee: Bishop, Amaya-Bower, Love, Gagnon, Leong

2017-2018 Review

The committee was restructured into six subcommittees in an effort to develop and take action on initiatives falling under a variety of areas. The year’s actions are summarized under the headings for each subcommittee. As a whole the committee also brainstormed ideas that could be initiatives for the President’s Committee for Diversity that has been proposed and on which the FSOC will have representation. This year one member of the FSOC (Amaya-Bower) served on the Diversity Grant
• President Toro met with the full committee and informed the committee that she wants to
house the Diversity Grant money allocation under the administration of FSOC. The sub-
committee is committed to writing up a procedure for handling this fund this summer.
• Discussion concerning the D-Designation was held including a meeting with the SGA President
and 2 other SGA members, Chair of Curriculum, Beth Mierinsteins, and members of the sub-
committee.
• Future goals: propose methods of increasing diversity in the curriculum and find funding for
faculty mentorship.

Bylaws Subcommittee: Mackey, Keazer

• There have been no changes to the bylaws this year although a draft has been created and will
be further refined in the fall particularly focusing on mission and election procedures.

In summary, the committee continues to struggle with attendance but by using the subcommittee
structure, advances were made. Many of the initiatives started this year will be built upon next year and
some will continue to be worked on this summer.

Respectfully Submitted,

Jan Bishop, Chair, Faculty Senate Diversity Committee

Nondiscrimination in Education and Employment Policy

Central Connecticut State University (CCSU) is committed to a policy of nondiscrimination in education and employment. No person shall be discriminated against in terms and conditions of employment, personnel practices, or access to or participation in programs, services, and activities with regard to age; ancestry; color; disability; gender identity and expression; genetic information; marital status; national origin; race; religious creed; sex; pregnancy; sexual orientation; veteran status; and any other status protected by state and federal law. Discrimination in employment based on genetic information is prohibited. In addition, CCSU will not refuse to hire solely because of a prior criminal conviction, unless that refusal is permitted by Connecticut law.

Harassment on the basis of any of the above protected classes is prohibited. Harassment may occur in a variety of relationships, including faculty and student, supervisor and employee, student and staff, and staff and employees, or between persons having business or other relationships with persons having business at, or visiting the educational or working environment.

This policy is directed at verbal or physical conduct that constitutes discrimination/harassment under state and federal law and is not directed at the content of speech. In cases in which verbal statements and other forms of expression are involved, CCSU will give due consideration to an individual’s constitutionally protected right to free speech and academic freedom.

Retaliation is illegal. No individual who opposes an allegedly discriminatory act or practice shall suffer retaliation as a result of such participation. Complaints of retaliation may be filed within a reasonable time of the alleged retaliatory act with the Chief Diversity Officer or any manager not directly involved in the alleged retaliation, who will then notify the Office of Diversity and Equity (ODE).

BOR/CCSU Sexual Misconduct, Sexual Assault and Intimate Partner Violence Policy

Central Connecticut State University Statement

Central Connecticut State University (CCSU) will not tolerate sexual misconduct against students, staff, faculty, or visitors, whether it comes in the form of intimate partner violence, sexual assault, sexual exploitation or sexual harassment, as defined in the BOR policy. In an ongoing effort to prevent sexual misconduct and intimate partner violence on the CCSU campus, the University provides education and prevention programs for the CCSU community and pursues all criminal and administrative remedies for complaints of sexual misconduct.

CCSU is a community dependent upon trust and respect for its constituent members: students, faculty, staff, and those visiting or under temporary contract. As noted in CCSU’s Violence Free Campus Policy, members of the University community have the right to a safe and welcoming campus environment. Acts of sexual misconduct and intimate partner violence threaten personal safety and violate the standards of conduct expected of community members.

Individuals and Entities Affected by this Policy

This policy applies to anyone on the property of Central Connecticut State University, as well as anyone present at CCSU-sponsored programs or events. This policy extends to off-campus violations of both students and employees in limited circumstances as noted below:

- Students: "Off-campus misconduct may be subject to the jurisdiction of the University and addressed through its disciplinary procedures if one of the following conditions is met: (i) a student engages in prohibited conduct at an official University event, e.g., a University-sanctioned event, or at an event sponsored by a recognized student organization; or (ii) a student engages in prohibited conduct under such circumstances that..."
a complaint under this policy or assisted or participated in any manner in an investigation.

(b) Sexual assault shall include but is not limited to a sexual act directed against another person without the consent (as defined herein) of the other person or when that person is not capable of giving such consent.

Sexual assault is further defined in sections 53a-70, 53a-70a, 53a-70b, 53a-71, 53a-72a, 53a-72b and 53a-73a of the Connecticut General Statutes.

(c) Sexual exploitation occurs when a person takes non-consensual or abusive sexual advantage of another for anyone's advantage or benefit other than the person being exploited, and that behavior does not otherwise constitute one of the preceding sexual misconduct offenses. Examples of behavior that could rise to the level of sexual exploitation include:

- Prostitution another person;
- Non-consensual visual (e.g., video, photograph) or audio-recording of sexual activity;
- Non-consensual distribution of photos, other images, or information of an individual's sexual activity, intimate body parts, or nudity, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
- Going beyond the bounds of consent (for example, an individual who allows friends to hide in the closet to watch him or her having consensual sex);
- Engaging in non-consensual voyeurism;
- Knowingly transmitting an STI, such as HIV to another without disclosing your STI status;
- Exposing one's genitals in non-consensual circumstances, or inducing another to expose his or her genitals;
- Possessing, distributing, viewing or forcing others to view illegal pornography.

Sexual exploitation is further defined as a crime in Connecticut State Law.

(d) Intimate partner, domestic and/or dating violence means any physical or sexual harm against an individual by a current or former spouse of or person in a dating or cohabitating relationship with such individual that results from any action by such person that may be classified as a sexual assault under section 53a-70, 53a-70a, 53a-70b, 53a-71, 53a-72a, 53a-72b or 53a-73a of the general statutes, stalking under section 53a-181c, 53a-181d or 53a-181e of the general statutes, or domestic or family violence as designated under section 46b-38h of the general statutes. This includes any physical or sexual harm against an individual by a current or former spouse or by a partner in a dating relationship that results from (1) sexual assault; (2) sexual assault in a spousal or cohabitating relationship; (3) domestic violence; (4) sexual harassment (5) sexual exploitation, as such terms are defined in this policy.

Offenses that are designated as “domestic violence” are against family or household members or persons in dating or cohabitating relationships and include assaults, sexual assaults, stalking, and violations of protective or restraining orders issued by a Court. Intimate partner violence may also include physical abuse, threat of abuse, and emotional abuse.

- Physical abuse includes, but is not limited to, slapping, pulling hair or punching.
- Threat of abuse includes but is not limited to, threatening to hit, harm or use a weapon on another (whether victim or acquaintance, friend or family member of the victim) or other forms of verbal threat.
- Emotional abuse includes but is not limited to, damage to one's property, driving recklessly to scare someone, name calling.

Confidential resources are defined as follows: For the Universities, entities with statutory privilege, which include campus based counseling center, health center and pastoral counseling staff members whose official responsibilities include providing mental health counseling to members of the University community as well as off campus counseling and psychological services, health services providers, member(s) of the clergy, and the local Sexual Assault Crisis Center and Domestic Violence Center. For the Colleges, confidential resources are limited to entities with statutory privilege, such as off campus counseling and psychological services, health services providers, member(s) of the clergy, and the local Sexual Assault Crisis Center and Domestic Violence Center. The personnel of these centers and agencies are bound by state statutes and professional ethics from disclosing information about reports without written releases.

Information provided to confidential resources by a victim of a sexual misconduct or the person reported to have been the victim of sexual misconduct cannot be disclosed legally to any other person without consent, except under very limited circumstances, such as an imminent threat of danger to self or others or if the reported victim is a minor. Therefore, for those who wish to obtain the fullest legal protections and disclose in full confidentiality, she/he must speak with a confidential resource. Each BOR governed college and university will provide a list of such confidential resources in the College or University's geographic region to victims of sexual misconduct as well as publish those resources on-line and in various publications.

Where it is deemed necessary for the institution to take steps to protect the safety of the reported victim and/or other members of the campus community, the institution will seek to act in a manner so as not to compromise the privacy or confidentiality of the reported victim of sexual misconduct to the extent reasonably possible.

Confidentiality

When a BOR governed college or university receives a report of sexual misconduct all reasonable steps will be taken by the appropriate CSGU officials to preserve the privacy of the reported victim while promptly investigating and responding to the report. While the institution will strive to maintain the confidentiality of personally identifiable student information reported, which information is subject to privacy requirements of the Family Education Rights Privacy Act (FERPA), the institution also must fulfill its duty to protect the campus community.

**Policy Regarding Reporting Suspected Abuse or Neglect of a Child**

The Board of Regents for Higher Education (BOR) of the Connecticut State Colleges and Universities (CSCU) accept that institutions of higher education foster educational opportunities for people under the age of 18 years. The BOR, in acknowledging the special care required for children, strives to protect children on its campuses from any form of abuse or neglect. Pursuant to state law, with the exception of student employees, any paid administrator, faculty, staff, athletic director, athletic coach or athletic trainer, collectively referred to as "mandatory reporters" who in the ordinary course of their employment has a reasonable cause to suspect or believe that a person under the age of 18 years has been abused or neglected, has been placed in imminent harm or has had a non-accidental injury is required to cause a report to be made to the Department of Children and Families (DCF) within 12 hours of becoming aware or suspecting abuse, neglect or imminent harm to a child.

The BOR recognizes that each CSCU campus must be a safe and secure environment for children to grow and develop. Therefore, the BOR further requires mandatory reporters to report any witnessed or suspected abuse or neglect of a child on a CSCU campus to their immediate supervisor in addition to DCF. The supervisor must report the incident to their director or vice president who must then inform the campus President and the System Office Vice President for Human Resources or his/her designee.

If the director or vice president reasonably believes that a reportable incident has occurred, and, if the suspected perpetrator is a BOR or CSCU employee, he/she will immediately contact their Chief Human Resources Officer who shall assign an objective person to investigate the report. An employee under investigation may be placed on administrative leave pending the results of the investigation. Employees who report suspicions of abuse or neglect are protected from any disciplinary action unless the report is determined to have been maliciously made. An employee who fails to report, but is later determined to have had previous knowledge of the abuse, may be subject to discipline.

A report is required if there is reasonable cause to suspect that a person under the age of 18 is in imminent harm, has had non-accidental injuries or has been abused or neglected. Reasonable cause to believe or suspect that child abuse has occurred is sufficient to make a report.

All staff designated as mandatory reporters are required to take the DCF Mandated Reporter Training, either on line or in person, and Mandated Reporter Training will be included in New Employee Orientation. Compliance with training will be monitored by each CSUC campus's Department of Human Resources. A copy of this policy shall be disseminated annually to all employees.

Reasonable steps will be taken to preserve privacy while promptly investigating and responding to the report. While the institution will strive to maintain the confidentiality of the information reported, which information may be subject to privacy requirements of the Family Education Rights Privacy Act (FERPA), the Institution also must fulfill its duty to protect the CSCU community and to ensure that the appropriate disciplinary processes are implemented.

BOR approved 1/17/16 and Revised 1/15/16; require annual distribution to employees.
