Do you want to learn how to use Word, PowerPoint, Excel, Access, SPSS, Photoshop, Illustrator, InDesign or After Affects?

Sign up for one-on-one training with our STC Staff. Below is a schedule of times the Staff are available to work with you. Please contact the staff member (email address provided) to outline your needs, and the best time to meet, so that the session can be tailored to you.

Important Note: These sessions will show how to use the software – the staff cannot work directly on your tasks, but can demonstrate similar problems for you to apply to your work.

If you are looking for a software application not listed, please ask or email Lisa Washko: lisa.washko@ccsu.edu. We may be able to find someone to help you.
