The University reserves the right to award a Contract to one or more respondents based on the offers which, in the sole opinion of the University, best fulfills or exceeds the requirements of this RFP and is deemed to be in the best interest of the University.

The Contract, when duly executed, shall represent the entire agreement between the parties.

The University reserves the right to consider as acceptable only those proposals submitted in accordance with the requirements set forth in this RFP and which demonstrate an understanding of the scope of the work. Any proposal offering any other set of terms and conditions contradictory to those included in this RFP may be disqualified without further notice.

A Contractor shall be disqualified and the proposal automatically rejected for any one or more of the following reasons:

- The proposal shows any noncompliance with applicable law.
- The proposal is conditional, incomplete, or irregular in such a way as to make the proposal indefinite or ambiguous as to its meaning.

1.8 ADDENDA TO THIS RFP

CCSU may need to issue one or more addenda related to this RFP. Such addenda shall be posted on the CCSU Current Bids website - (http://www.ccsu.edu/purchasing/currentBids.html).

It shall be the responsibility of prospective contractors and other interested parties to familiarize themselves with the website and visit it regularly during the RFP process for updated information or addenda related to this RFP.

This process is intended to ensure that all vendors have equal access to information relative to this RFP. No information communicated verbally shall be effective unless confirmed by written communication from the Purchasing Department of the University.

1.9 RIGHTS RESERVED

Proposals shall be available for public inspection after the contract is signed by all parties. Information marked as "confidential" in any proposal shall be honored as such, to the extent allowable under the Freedom of Information Act.

The University treats Proposals as confidential until after the contract is executed. At that time they become subject to disclosure under the Freedom of Information Act. If a respondent wishes to supply any information, which it believes is exempt from disclosure under the Act that respondent should summarize such information in a separate envelope and each page submitted should clearly state "Confidential," but otherwise be presented in the same manner as the Proposal. However, any such information is provided entirely at the respondent's own risk and the University assumes no liability for any loss or damage which may result from the University's disclosure at any time of any information provided by the respondent in connection with its proposal.

1.11 CONTRACT

Additional related requirements, such as may be called for in a construction or renovation project, will be exempted from this contract. The Agency reserves the right to perform work in connection with this contract with its own forces and/or other contractors related to the contract in whichever manner is deemed to be in the best interest of CCSU.

The terms and conditions should be reviewed carefully to ensure full responsiveness to the RFP. The anticipated agreements will be, in form and substance, consistent with applicable University policy and regulations and State of Connecticut statutes and regulations regarding the creation and execution of such contracts. The failure of any respondent to receive or examine any contract, document, form, addenda or to visit the sites and acquaint itself with conditions there-existing, will not relieve it of any obligation with respect to its proposal or any executed contract. The submission of a proposal shall be conclusive evidence and understanding of the University's intent to incorporate such terms and conditions into the subsequent contracts.

1.15 ADVERTISING

In submitting a proposal, the Vendor agrees, unless specifically authorized in writing by an authorized representative of CCSU on a case by case basis, that it shall have no right to use, and shall not use, the name of Central Connecticut State University, its officials or employees, or the Seal of the University, a) in any advertising, publicity, promotion; nor b) to express or imply any endorsement of agency's services; nor c) to use the name of the state, its officials or employees or the University seal in any manner (whether or not similar to uses prohibited by subparagraphs (a) and (b) above) except only to manufacture and deliver in accordance with this agreement such services as are hereby contracted by the University.

1.18 CONNECTICUT GENERAL STATUE 14-12a.

The Contract shall be subject to the provisions of CGS Sec. 14-12a, which governs the registration of commercial motor vehicles garaged or operated in Connecticut, included here for reference –

CGS Sec. 14-12a, Registration of certain motor vehicles garaged or operated in Connecticut

(a) Any motor vehicle eligible for commercial registration as defined in section 14-1, unless exempted under the provisions of section 14-34, shall be registered in this state if: (1) It is most frequently garaged in this state, or, if not garaged at any fixed location, most frequently leaves from and return to one or more points within this state in the normal course of operations. In the case of an owner-operator of the vehicle in question, registration hereunder shall be required only if the owner-operator has, within this state, one or more employees, agents or
representatives engaged in activities directly related to the physical movement of the vehicle, or if the owner-operator is himself engaged in such activities; or (2) it receives and discharges the same cargo or passengers within this state; provided, for the purposes of this section, the transfer of items of cargo or passengers from one vehicle engaged in an interstate journey to another vehicle engaged in an interstate journey shall not be considered receipt and discharge within this state if the cargo or passengers involved are being transported on a through bill or ticket.

(b) (1) For the purposes of this section, a declaration of the person registering a motor vehicle, made in such form as the Department of Motor Vehicles may prescribe, shall be prima facie evidence of the facts relevant to the application of subsection (a). (2) Consistent with the provisions of this section, the Department of Motor Vehicles shall have power to enter into agreements with the appropriate authorities of other states pursuant to which uncertainties as to the proper state of registration for motor vehicles may be determined and allocations of vehicles for purposes of registration made.

(c) Residence or domicile of the owner, lessor or lessee of the motor vehicle, or the place where the owner, lessor or lessee is incorporated or organized, shall not be a factor in determining the necessity for registration of the vehicle in this state.

(d) A vehicle registered in this state pursuant to this section shall be registered in the name of the owner; provided, if the vehicle is being operated, or is to be operated pursuant to a lease or other arrangement by a person other than the owner or his employees, the name of the owner shall appear on the registration followed by the term "lessor". A copy of any current lease pursuant to which the vehicle is being operated shall be carried in the vehicle at all times. The absence of a current lease in the vehicle shall be considered prima facie evidence that the vehicle is being operated by the owner.

(e) Nothing in this section shall be construed to prevent the registration of any motor vehicle in this state, if such vehicle is eligible for registration pursuant to any law of this state, and the person registering the vehicle desires such registration.

(f) Failure to register any motor vehicle required to be registered by this section shall be an infraction.
Section 2. Scope of Work

2.1 OVERVIEW OF CENTRAL CONNECTICUT STATE UNIVERSITY

CCSU was founded in 1849 as the New Britain Normal School and is Connecticut’s oldest publicly supported institution of higher education. CCSU is a fully accredited four year university located on 294 acres in New Britain and Newington.

CCSU serves approximately 11,822 students, 9,546 undergraduates, and 2,276 graduate students.

2.3 OBJECTIVES

The University is seeking to enter into three-year contracts with qualified contractors to furnish bus services to the CCSU community as needed. Due to the many variables inherent with the diversity of bus transportation needs of CCSU, it is anticipated that this RFP will result in several contracts in order to offer the using departments a wide selection of bus types and sizes as well as the opportunity to compare prices between two or more contract vendors.

2.4 GENERAL REQUIREMENTS:

a. The successful company(s) shall provide all labor, vehicles, supervision, permits, fees and incidentals required and/or implied under this RFP for the complete and satisfactory performance of services.

b. The awarded companies shall obtain and maintain at their own expense all necessary insurances, permits, licenses, and other such documents as required by law. Carriers must have liability insurance in accordance with regulations of the US Dept. of Transportation and of the State of Connecticut and comply with ICC Transportation regulations. A current copy of certificate of insurance naming CCSU as additional insured or certificate holder is to be on file with CCSU at all times during the term of the subsequent contract awards. Companies shall notify CCSU in writing via certified mail 30 days prior to any insurance policy that will be suspended, voided, cancelled or reduced.
c. The awarded companies shall maintain an adequate inventory of their own vehicles and equipment, in good working order and repair in compliance with the manufacturer’s recommendations, perform all necessary maintenance and repairs to vehicles and equipment, and complete such work without interruption of scheduled service, and clean the buses prior to scheduled service to CCSU.

d. All applicable items and/or services offered shall comply with all applicable rules, regulations, safety standards, and including but not limited to any applicable federal, Americans with Disabilities Act (ADA), Occupational Safety and Health Administration (OSHA), Federal Motor Vehicle Safety Standard (FMVSS), State of Connecticut Department of Transportation (CT-DOT), State of Connecticut Department of Motor Vehicles (CT-DMV), and local laws in force at the time of service. All warning labels required by law must be installed accordingly.

e. CCSU expects that the awarded companies will be using their own fleet to service CCSU. However, CCSU recognizes that there may be an occasional need to supplement a company fleet by using a vehicle and/or driver from another company with which the contractor has an agreement. All such variations (substitutions) will require prior approval from CCSU, and such supplemental service shall be provided at cost, with no markup allowed for the contract. All substitute vendors must be able to abide by the equipment and service specifications and requires outlined in this agreement. The vendor shall be responsible for all acts and performances of any subcontractor or secondary provider that the vendor may engage for the completion of the contract. The vendor shall be responsible for the payment to all subcontractors or secondary providers.

f. The contractor, for the term of the contract, shall be properly licensed and registered with the State to provide Bus Services. Vehicles supplied shall have the appropriate registration. Upon request, the contractor shall provide copies of licenses/registration to CCSU.

g. All contractor-supplied drivers shall have valid commercial driver licenses. Drivers will need to have radio or phone contact with the vendor in the event of a problem which needs to be reported quickly to the vendor and to CCSU. Drivers will need to be able to speak and read English.

h. CCSU reserve the right, in cooperation with the contractor, to request certain drivers be used for certain trips, or request that certain drivers NOT be used for trips (for sufficient cause).

i. The contract awards and CCSU purchase orders shall be the only documentation necessary. No additional agreements will be allowed. Agency personnel must not sign any agreements from the contractor listed on the contract award.

j. The Contractors shall be responsible for the repair or replacement costs of any damage to CCSU and/or personal property caused by the use, misuse or negligence caused by the Contractors or their employees. This includes, but not limited to permanent objects, curbs, fencing, shrubs, trees, and lawn areas. The Contractors are responsible for reporting damage to CCSU property within seventy-two (72) hours of occurrence. The damage must be reported in writing. All damage must be repaired to the satisfaction of CCSU.

k. The awarded companies shall not provide drivers who have a history of three or more moving violations, or who otherwise is unfit, not skilled or not licensed to perform the required duties. Companies which provide such drivers shall be subject to contract suspension or cancellation.

2.5 SERVICE REQUIREMENTS and RESPONSIBILITIES:

a. Upon request, company shall provide a written quote to the requesting department for the required trip or program. Departments shall determine, based on vehicle availability and pricing, which company best suits their needs and shall submit paperwork to the CCSU Purchasing
Department, which shall issue a purchase order to the selected company. No service shall be performed prior to receipt of a valid, signed CCSU purchase order.

b. Departure and return site will be from CCSU unless specified otherwise. Carrier must arrive at departure site fifteen minutes prior to departure time for loading and boarding, unless requested otherwise. CCSU reserves the right to penalize the company five percent (5%) of the cost of any trip for every fifteen minutes that the bus is tardy for a pick up at any location (i.e. CCSU, airport). The vendors shall notify the requesting department representative as soon as possible if there are any delays to the scheduled pick-up and/or drop-off times.

c. The awarded companies must provide one specific individual as contact for CCSU and 24 hour dispatch service phone number for “live” customer service.

d. CCSU expects all buses provided under this RFP and subsequent contracts to be in sound and safe operating condition and shall meet all provisions, including emergency exits, under the Department of Transportation and Motor Vehicle Department Regulations. Companies that provide substandard buses that cause breakdowns, delays, or otherwise inconvenience the passengers or put them in harm’s way should expect a ban of a to-be-determined length of time from providing bus services to CCSU until such time as all problems have been demonstrated to have been corrected.

e. CCSU expects that all vehicles provided for airport transfers have sufficient storage capacity for luggage. Storing luggage in the passenger section is a safety hazard and shall not be allowed.

f. All prices must include driver’s gratuity. There will be no tipping by the travel party.

g. Vendors shall assume the costs of all tolls, parking, road use taxes, fees and insurance.

h. In the event of a breakdown, the contractor shall promptly transfer all passengers to a serviceable vehicle. Any and all costs associated with a mechanical failure of the vendor’s vehicle, including wait time and vehicle repair, shall be borne by the vendor.

i. In the event of a vehicle breakdown or driver error, or if a pick up for departure is so late (or does not occur at all) that it results in a group missing an event or a flight, the contract vendor shall bear responsibility and agree to negotiate in good faith to compensate CCSU for lost expenses. The contract vendor shall bear responsibility regardless of whether the service was being provided by the contract vendor or by a subcontractor or secondary provider.

j. The awarded companies shall require that all drivers for CCSU wear company uniforms or other clothing (i.e. polo shirts with company name and logo) while driving for CCSU.

k. Bus and driver must remain with the group or the bus from CCSU departure through return at CCSU, including restaurant stops and miscellaneous excursions. Smoking on the bus by the driver is prohibited and unnecessary stops by the driver are not allowed. No friends or family of the driver are to accompany them on a trip at any time.

l. All buses provided under this award shall be provided clean inside and out. During overnight trips the driver shall be responsible for removing all debris prior to the travel the next day. If found after a trip, items left behind by the travel party shall be returned to CCSU.

m. Drivers must be prepared in advance with all necessary directions for destinations. All buses must also be equipped with a GPS system to assist drivers in locating and navigating to destinations. All drivers must also carry a cell phone. Drivers shall not rely on passengers or CCSU staff for directions.
n. In the event that a trip is cancelled due to weather or for other reasons out of the control of the University, the vendor will be notified as soon as possible. If the cancellation should occur after the bus has arrived at its designated pick-up area, only miles from the base to the designated pick-up will be charged. Trips cancelled at least 24 hours prior to the designated pickup time shall not be charged. Any trips cancelled less than 24 hours prior to the designated pick-up time will be paid in accordance with a cancellation fee agreed upon between the vendor and the University.

o. All accidents that involve the vendor’s personnel in operation of a vehicle pursuant to this contract shall be immediately (within one hour) reported to the proper authorities and the University.

p. CCSU expects the vendor’s driver to abide by and behave in accordance with the CCSU Employee Standards of Conduct, attached herein as Appendix A

Section 3. Proposal Requirements

3.1 RESPONSE REQUIREMENTS

Appendix V STANDARD TERMS AND CONDITIONS

I. DEFINITIONS

The following words, when used herein, shall have the following meanings:

1. “Contract” shall mean any agreement negotiated by and between CSU and the contractor selected by CSU as the result of a request for proposal, request for quotation, or request for bid, including, but not limited to, a personal service agreement or purchase order.

2. “CSU” shall refer to the Connecticut State University System, which is comprised of Central Connecticut State University, Eastern Connecticut State University, Southern Connecticut State University, Western Connecticut State University and the System Office, collectively and individually, as the context requires.

3. “Person” shall mean an individual, partnership, corporation or other business entity, as the context requires.

4. “Proposal” shall mean a response to a request for proposal, request for bid, or request for quotation.

5. “Proposer” shall mean a contractor that submits a response to a request for proposal, request for bid, or request for quotation.

6. “RFP” shall mean a request or invitation for proposal, bid, or quotation, as applicable.

II. TERMS AND CONDITIONS RELATED TO REQUESTS FOR PROPOSALS

A. General Conditions

1. CSU reserves the right to amend or cancel an RFP prior to the date and time for the opening of proposals. CSU, in its sole discretion, reserves the right to accept or reject any and all proposals, in whole or in part, and to waive any technicality in any proposal submitted, and to accept any part of a proposal deemed to be in the best interest of CSU.

2. Proposals received from proposers debarred by the State of Connecticut will not be considered for award.

3. CSU does not commit to specific volumes of activity, nor does it guarantee the accuracy of statistical information provided in the RFP. Such information is supplied to proposers for reference only.

4. All responses to the RFP shall be and remain the sole property of CSU.

5. Each proposer shall bear all costs associated with proposer’s response to an RFP, including, but not limited to, the costs of any presentation and/or demonstration required by CSU. In addition, answers or clarifications sought by CSU arising out of or in connection with the proposal shall be furnished by the proposer at the proposer’s expense.

6. CSU reserves the right to negotiate, as it may deem necessary, with any or all of the proposers that submit proposals.

7. Any alleged oral agreement or arrangement made by any proposer with CSU or any employee thereof shall not be binding.

B. Submission of Proposals

1. Proposals must be submitted on forms supplied by CSU. Telephone, facsimile, or email proposals will not be accepted in response to an RFP.

2. Proposals must be computer prepared, typewritten or handwritten in ink. Proposals submitted in pencil will be rejected.

3. Proposers must answer all the questions set forth in the RFP using the outline and numbering scheme set forth therein. Proposers must furnish all information requested in the RFP and supply all materials required for consideration. Failure of the proposer to answer all questions and supply all information and materials requested may be grounds for rejection of the proposal.

4. All proposals must be signed by a person duly authorized to sign proposals on behalf of the proposer. All signatures on the proposal must be original. Proposals bearing stamp signatures will be rejected. Unsigned proposals will be rejected.

5. Alterations or corrections to the proposal must be initialed by the person signing the proposal or his or her authorized designee. All initials on alterations or corrections to the proposal must be original. In the event that an authorized designee initials an alteration or correction, the proposer must submit a written authorization from the proposal’s signatory to the authorized designee, authorizing the designee to make the alteration or correction. Failure to submit such an authorization shall result in rejection of proposal as to those items altered or corrected and not initialed.
6. Conditional proposals are subject to rejection in whole or in part, in the sole discretion of CSU. A conditional proposal is defined as one that limits, modifies, expands or supplements any of the terms and conditions and/or specifications of the RFP.

7. Alternate proposals will not be considered by CSU, unless otherwise noted on the RFP or on the proposal form. An alternate proposal is defined as one that is submitted in addition to the proposer’s primary response to the RFP.

8. Pursuant to Section 12-412 of the Connecticut General Statutes, the State of Connecticut is exempt from the payment of excise, transportation and sales taxes imposed by the Federal Government and/or the State. Accordingly, such taxes must not be included in proposal prices.

9. By submitting a proposal, the proposer asserts that the offer and information contained therein is in all respects fair and without collusion or fraud and was not made in connection with any competing proposer’s submission of a separate response to the RFP. By submitting a proposal, the proposer further asserts that it neither participated in the formation of CSU’s solicitation development process nor had any knowledge of the specific contents of the RFP prior to its issuance, and that no employee of CSU participated directly or indirectly in the preparation of the proposer’s proposal.

10. Proposals for the provision of services must include the cost of obtaining all permits, licenses, and notices required by the city or town in which the services is to be provided, and the State and Federal governments.

III. TERMS AND CONDITIONS RELATED TO CONTRACT WITH SUCCESSFUL PROPOSER

By submitting a response to the RFP, the proposer agrees that any contract negotiated between it (if the successful proposer), as contractor, and CSU may contain the following provisions, as deemed applicable by CSU:

A. General Conditions

1. The contract shall be interpreted and governed by the laws of the State of Connecticut, without regard to its principles of conflicts of laws.

2. The contractor agrees that it shall be subject to and abide by all applicable federal and state laws and regulations.

3. The contractor or subcontractor, as applicable, shall offer and agree to assign to CSU all rights, title and interest in and to all causes of action it may have under Section 4 of the Clayton Act, 15 U.S.C. 15, or under Chapter 624 of the general statutes, arising from the purchase of services, property or intangibles of any kind pursuant to a public purchase contract or subcontract; such assignment shall be made and become effective at the time the contract is executed by the parties, without further acknowledgment by them.

4. The contractor shall not assign or otherwise dispose of the contract or its right, title or interest therein, or its power to execute such contract, to any other person without the prior written consent of CSU.

5. If any provision, term or condition of the contract is prohibited, invalid, or unenforceable then that provision, term or condition shall be ineffective to the extent of the prohibition, invalidity, or prohibition without invalidating the remaining provisions, terms and conditions unless it materially alters the nature or intent thereof.

6. Failure of the contractor to deliver commodities or perform services as specified in the contract will constitute authority for CSU to purchase these commodities or services on the open market. The contractor shall promptly reimburse CSU for excess costs incurred by CSU due to these purchases, and these purchases shall be deducted by CSU from the quantities contracted for.

7. No right or duty, in whole or in part, of the contractor under the contract may be assigned or delegated without the prior written consent of CSU. The subcontracting or assignment of any of contractor’s obligations under the contract to a subcontractor shall require the prior written approval of CSU.

8. Upon termination of the contract by CSU, the contractor shall both immediately discontinue all services (unless the notice directs otherwise) and deliver to CSU all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the contractor in performing its duties under the contract, whether completed or in progress. All such documents, information, and materials shall become the property of CSU.

Central Connecticut State University is an affirmative action equal opportunity institution. The University will not knowingly do business with any bidder, contractor, subcontractor or supplier of materials found to be in violation of any state or federal antidiscrimination law.

**PENALTIES FOR VIOLATIONS**

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

**Civil penalties**—Up to $2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to $2,000 or twice the amount of the prohibited contributions made by their principals.

**Criminal penalties**—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than $5,000 in fines, or both.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

Attachment A – Pricing Information

There are too many variables in CCSU’s annual bus transportation needs for it to be feasible to provide a comprehensive list of all the different possible scenarios.

The price schedule located below consists of pricing per mile and per hour as well as minimum charges and overnight fees.

Additionally, a market basket of some of the standard trips is included. Bidders shall provide pricing for each trip based on the unit prices offered above. Note: The market basket will be used to compare cost on specified service requests and is not intended as a sampling of future requirements. The market basket is a sampling of trips that have occurred in the past 12 months. It is provided as a sample ONLY and is NOT meant to be comprehensive, or a promise of any level of service.

Interested parties are required to complete these pages and submit pricing with bid responses. CCSU will use that information to measure the ability of the companies to provide various qualities and sizes of equipment, and will provide a gauge of where every company may fall in various price ranges.

It is the intent of CCSU to make multiple awards based on this RFP and allow using departments to solicit prices from several companies on a per-trip or per-program basis and to select the company that is able to offer the correct vehicle for that trip or program at the most advantageous price.

Any prices provided in a bid response shall remain fixed for the duration of one year. Price increases thereafter, and for the balance of the contract, will only be allowed when:

a. price increases are based on a documented change in the vendor’s net cost of products or other discounts allowed and said documentation is provided to the University, AND

b. when the University is notified within thirty (30) business days prior to the effective date.
