April 19, 2011 Minutes

Attendance: Bigley, M.P.; Horan, M.; Oliva, K.; Pozorski, A.; Odesina, S.; Labeledz, C.; Nicoll-Senft, J.; Larsen, K.; Kirby, Y.

Meeting called to order at 2:30 by M.P. Bigley

Meetings from March 15th approved.

After a review of the Advising for Registration Resources page it was agreed that it is finally in good shape.

Plans for the 2011-2012 year were discussed. It was agreed that in the next academic year meetings would be held once a month on the second Tuesday, from 12:15 to 1:30.

Chet Labeledz suggested the Committee examine academic advising across campus by using process-mapping. There was general excitement and consensus that this would be a good idea for next year. Chet offered to lead us through that process.

The committee reviewed the draft of the annual report to the Faculty Senate.

Meeting adjourned at 3:55.

Respectfully submitted,
Mary Pat Bigley
