

Planned Program of Graduate Study

The graduate planned program of study (GPPS) is an important document representing an official agreement between the student and the university, with the academic advisor. The GPPS lists the courses and other requirements that must be completed prior to program completion or graduation. The GPPS is not official until your academic signs and approve it and it is processed by the Registrar's office; it must be submitted before the completion of 15 course credits. (An earlier submission is recommended.) The official copy is retained in the student's university academic record. The GPPS must be revised for submission if changes are made and approved by the advisor.

Name:	Student ID#:
Phone #:	Degree: M.S.
CCSU Email:	Major: Mechanical Engineering
Academic Advisor:	Concentration:

CCSU Courses Core (21 credits)	Course Sub or Transfer/ Univ. Where Taken	Credit Value	Semester Taken	Year Taken	Grade Received
ENGR 501 Engineering Analysis		3			
ENGR 510 Engineering Optimization		3			
ENGR 557 Advanced Mechanics of Materials		3			
ENGR 592 Research & Development of Experiments		3			
ME 567 Advanced Finite Element Analysis		3			
ME 597 Thesis I		3			
ME 599 Thesis II		3			
Electives (9 credits):					
		3			
		3			
		3			
Required Degree Credits		30	Cannot Exceed 6 Years for Masters unless Extension is Granted		

* No more than 9 credits of 400-level courses listed in the Graduate Catalog can be included in a graduate degree or post-master's program.

Notes from academic advisor on pre-requisites, course additions, time extensions, or other.

The graduate planned program of study does not constitute a contract, either expressed or implied. Additional requirements may be imposed for certification or licensure if such requirements are imposed by outside certification or licensure agencies. The GPPS may be subject to revision to reflect such additional requirements.
