Two residence halls, Seth North and Beecher, have been taken offline and will serve as isolation and quarantine locations respectively.

**Seth North Isolation**

The estimated duration of isolation is 14 days. Seth North Hall will be staffed two shifts a day by either a Registered Nurse or a Licensed Practical Nurse and one staff member. Staff from a third party will deliver three meals a day to individuals in isolation. Deep cleaning and high-touch cleaning will take place daily. Each room will include a phone; mini-fridge; toiletries; and technological devices for contact with the Wellness Center for updates. Third-party staff will change bed linens.

A third-party supervisor will coordinate building operations.

**Beecher Hall Quarantine**

The quarantine period for individuals is typically 10 to 14 days and includes daily temperature checks and interviews by the nurse on duty. Staff from a third party will deliver three meals a day to individuals in quarantine. Deep and high-touch cleaning will take place daily. Third-party staff will change bed linens.

A third-party supervisor will coordinate building operations.

Seth contains 55 single rooms with lavatories in the corridor. This residence hall includes a community study room in the basement, which will be used by staff who are managing the building. The laundry facility (also in the basement) contains three washers and three dryers. The building also features a full apartment, which will be used by the staff who are managing the building.

Beecher Hall is a three-story corridor-style residence hall and has double-occupancy space for 129 students or singles for 65 students. Residents also have access to a 24-hour computer lab located next to the staff office on the first floor. Laundry facilities include three washers and three dryers. There is an RD apartment that can accommodate the staff managing the building, as well as a community lounge.
