Affirmative Action/Equal Employment Opportunity
Policy Statement

It is the intellectual and moral responsibility, but more importantly, the policy of the leadership of Central Connecticut State University (CCSU) to advance social justice and equity by exercising affirmative action to remove all discriminatory barriers to equal employment opportunity and upward mobility. Accordingly, the University, through this plan of affirmative action, will, with conviction and effort, undertake positively to overcome the present effects of past practices, policies or barriers to equal employment opportunity and to achieve the full and fair participation of women, African-Americans, Hispanics, and any other protected groups (including persons with disabilities) found to be underutilized in the workforce or adversely affected by system policies or practices.

Thus, CCSU will consistently review its personnel policies and procedures to ensure that barriers that unnecessarily exclude protected classes and practices that have an illegal discriminatory impact are identified and eliminated. The University will explore alternative approaches if any personnel practice is found to have a negative impact on protected classes and establish procedures for any extra efforts that may be necessary to achieve labor market parity.

Equal opportunity is employment of individuals without consideration of: age; ancestry, color; gender identity and expression; intellectual disability; learning disability; mental disability or history thereof; physical disability; marital status, national origin; race; religious creed; sex, including pregnancy, sexual harassment and sexual assault; sexual orientation; criminal record (in-state employment); veteran status; and, genetic information unless the provisions of Sections 46a-60 (b) or 46a-81 (b) of the Connecticut General Statutes are controlling or there is a bona fide occupational qualification excluding persons in one of the above protected groups. Equal employment opportunity is the purpose and goal of affirmative action under Sections 46a-68-31 through 46a-68-74. The University will consistently review all practices and procedures to ensure full compliance with the spirit and letter of Section 46a-68j-21 through 46a-68j-43 of the Administrative Regulations of State Agencies regarding Contract Compliance.

The role of affirmative action in each step of the employment process with regard to employment applications, job qualifications, job specifications, recruitment practices, hiring, promoting, compensation, personnel policies, job structuring, orientation training, counseling, discrimination complaint process, evaluation, layoffs and termination, or other terms or conditions of employment, is detailed in the following pages and incorporated by reference herein. Clearly, affirmative action and equal employment opportunity are immediate and necessary agency objectives for Central Connecticut State University. Additionally, we shall administer all terms, conditions and benefits of employment in an equitable manner. We also recognize the continued under-representation of persons with disabilities and older persons in the workplace and will pursue and implement measures to overcome the present effects of past discrimination, if any to achieve the full and fair utilization of such persons in the workforce.

This policy of non-discrimination will not be limited to employment practices but will extend, as well, to services and programs provided by the University. It is the policy of Central Connecticut State University that unlawful discrimination is prohibited.
Consequently, it shall be a violation of University policy for any member of the University community to discriminate against any individual with respect to any terms, conditions, or privileges relating to employment (including interns) or attendance at the University based on protected class status. Annually, members of the University community will be notified of the Nondiscrimination in Education and Employment policy and about their rights to file an internal and/or external complaint.

All executive, administrative, and supervisory personnel are expected to discharge their affirmative action responsibilities, in word and deed, consistent with this agency's objective of establishing and implementing affirmative action and equal employment opportunity.

The Affirmative Action Officer responsible for overseeing affirmative action and equal employment opportunity is Ms. Pamela Whitley, Senior Equity & Inclusion Officer/Title IX Coordinator of the Office of Equity and Inclusion (OEI) under the supervision and direction of the Vice President of the Office of Equity & Inclusion, at Central Connecticut State University, Office of Equity & Inclusion, Davidson Hall, Room 119, 1615 Stanley Street, New Britain, CT 06050; Telephone Number: 860.832.1652.

Central Connecticut State University (CCSU) is committed to a policy of nondiscrimination in education and employment. No person shall be discriminated against in terms and conditions of employment, personnel practices, or access to or participation in programs, services, and activities with regard to: age; ancestry, color; gender identity and expression; intellectual disability; learning disability; mental disability; physical disability; marital status, national origin; race; religious creed; sex, including pregnancy, transgender status, sexual harassment and sexual assault; sexual orientation; veteran status; or any other status protected by federal or state laws. Discrimination in employment-based on genetic information is prohibited. In addition, CCSU will not refuse to hire solely because of a prior criminal conviction, unless that refusal is permitted by Connecticut law.

Harassment on the basis of any of the above protected classes is prohibited. Harassment may occur in a variety of relationships, including faculty and student, supervisor and employee, student and student, staff and student, employee and employee, and other relationships with persons having business at, or visiting the educational or working environment.

This policy is directed at verbal or physical conduct that constitutes discrimination/harassment under state and federal law and is not directed at the content of speech. In cases in which verbal statements and other forms of expression are involved, CCSU will give due consideration to an individual’s constitutionally protected right to free speech and academic freedom.

Retaliation is illegal. No individual who opposes an allegedly discriminatory act or practice shall suffer retaliation as a result of such participation. Complaints of retaliation may be filed within a reasonable time of the alleged retaliatory act with the Chief Diversity Officer or any manager not directly involved in the alleged retaliation who will then notify the Office of Diversity and Equity.

This policy shall apply to all individuals affiliated with CCSU including, but not limited to, students, employees, applicants, agents and guests and is intended to protect the rights of concerned individuals.

Definitions

Policy Regarding  
Sexual Misconduct Reporting, Supportive Measures and Processes Policy

STATEMENT OF POLICY
The Board of Regents for Higher Education (BOR) in conjunction with the Connecticut State Colleges and Universities (CSCU) is committed to ensuring that each member of every BOR governed college and university community has the opportunity to participate fully in the process of education and development. The BOR and CSCU strive to maintain a safe and welcoming environment free from acts of sexual misconduct, including, sexual harassment, sexual assault, intimate partner violence and stalking. It is the intent of the BOR and each of its colleges or universities to provide safety, privacy and support to victims of sexual misconduct and intimate partner violence.

The BOR strongly encourages students, parents, bystanders and employees to report any instance of sexual misconduct, including sexual harassment, sexual assault, sexual exploitation, stalking and intimate partner violence. Title IX Coordinators will promptly address these matters and treat all parties equitably. In accordance with federal law Respondents will be presumed not responsible and receive no punitive treatment unless and until found responsible after due process. All BOR governed colleges and universities will provide complainants and respondents with supportive measures, including referral to agencies that provide medical attention, counseling, legal services, advocacy, referrals and general information regarding sexual misconduct.

All CSCU employees and support persons will make any limits of confidentiality clear before any disclosure of facts takes place. Other than confidential resources as defined below and employees who qualify as Campus Security Authorities under the Jeanne Clery Act, all CSCU employees are required to immediately communicate to the institution’s Title IX Coordinator any disclosure or report of sexual misconduct received from a student as well as communicate any disclosure or report of sexual misconduct the employee received from another employee when misconduct is related to the business of the institution.

Affirmative consent must be given by all parties before engaging in sexual activity. Affirmative consent means an active, clear and voluntary agreement by a person to engage in sexual activity with another person. Sexual misconduct, as defined herein, is a violation of BOR policies and, in addition, may subject an accused student or employee to criminal penalties. The BOR and each of its governed colleges and universities are committed to providing an environment free of personal offenses. Sexual relationships of any kind between staff/faculty and students are discouraged pursuant to BOR policy.

The Board of Regents for Higher Education hereby directs the Connecticut State Colleges and Universities to implement the Policy stated above pursuant to the following provisions:

TERMS, USAGE AND STANDARDS
Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
Consent must be affirmed and given freely, willingly, and knowingly of each participant to desired sexual involvement. Consent is a mutually affirmative, conscious decision – indicated clearly by words or actions – to engage in mutually accepted sexual contact. Consent may be revoked at any time during the sexual activity by any person engaged in the activity.

Affirmative consent may never be assumed because there is no physical resistance or other negative response. A person who initially consents to sexual activity shall be deemed not to have affirmatively consented to any such activity which occurs after that consent is withdrawn. It is the responsibility of each person to assure that he or she has the affirmative consent of all persons engaged in the sexual activity to engage in the sexual activity and that affirmative consent is sustained throughout the sexual activity. It shall not be a valid excuse to an alleged lack of affirmative consent that the student or employee responding to the alleged violation believed that the student reporting or disclosing the alleged violation consented to the activity (i) because the responding student or employee was intoxicated or reckless or failed to take reasonable steps to ascertain whether the student or employee reporting or disclosing the alleged violation affirmatively consented, or (ii) if the responding student or employee knew or should have known that the student or employee reporting or disclosing the alleged violation was unable to consent because the student or employee was unconscious, asleep, unable to communicate due to a mental or physical condition, or incapacitated due to the influence of drugs, alcohol or medication. The existence of a past or current dating or sexual relationship between the persons involved in the alleged violation shall not be determinative of a finding of affirmative consent.

Report means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the institution investigate the allegation of sexual harassment. At the time of the filing the formal complaint, the complainant must be participating in or attempting to participate in an education program or activity of the institution.

Disclosure is the receipt of any communication of an incident of sexual misconduct that is not accompanied by a request for an investigation or adjudication by the institution.

Respondent means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Sexual misconduct includes engaging in any of the following behaviors:

(a) Sexual harassment, which can include any unwelcome sexual advance or request for sexual favors, or any conduct of a sexual nature when submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s education or employment; submission to or rejection of such conduct by an individual is used as a basis for academic or employment decisions affecting the individual; or such conduct has the purpose or effect of substantially interfering with an individual’s academic or work performance or creating an intimidating, hostile or offensive educational or employment environment. Examples of conduct which may constitute sexual harassment include but are not limited to:
Sexual Misconduct Reporting
Support Services and Processes Policy

(b) **Sexual assault** shall include but is not limited to a sexual act directed against another person without the consent (as defined herein) of the other person or when that person is not capable of giving such consent:

Sexual assault is further defined in sections 53a-70, 53a-70a, 53a-70b, 53a-71, 53a-72a, 53a-72b and 53a-73a of the Connecticut General Statutes.

(c) **Sexual exploitation** occurs when a person takes non-consensual or abusive sexual advantage of another for anyone’s advantage or benefit other than the person being exploited, and that behavior does not otherwise constitute one of the preceding sexual misconduct offenses. Examples of behavior that could rise to the level of sexual exploitation include:

- Prostituting another person;
- Non-consensual visual (e.g., video, photograph) or audio-recording of sexual activity;
- Non-consensual distribution of photos, other images, or information of an individual’s sexual activity, intimate body parts, or nakedness, with the intent to or having the effect of embarrassing an individual who is the subject of such images or information;
- Going beyond the bounds of consent (for example, an individual who allows friends to hide in the closet to watch him or her having consensual sex);
- Engaging in non-consensual voyeurism;
- Knowingly transmitting an STI, such as HIV to another without disclosing your STI status;
- Exposing one’s genitals in non-consensual circumstances, or inducing another to expose his or her genitals; or
- Possessing, distributing, viewing or forcing others to view illegal pornography.

Sexual exploitation is further defined as a crime in Connecticut State Law.

(d) **Intimate partner, domestic and/or dating violence means** any physical or sexual harm against an individual by a current or former spouse of or person in a dating or cohabitating relationship with such individual that results from any action by such spouse or such person that may be classified as a sexual assault under section 53a-70, 53a-70a, 53a-70b, 53a-71, 53a-72a, 53a-72b or 53a-73a of the general statutes, stalking under section 53a-181c, 53a-181d or 53a-181e of the

general statutes. This includes any physical or sexual harm against an individual by a current or
former spouse or by a partner in a dating relationship that results from (1) sexual assault (2)
sexual assault in a spousal or cohabiting relationship; (3) domestic violence; (4) sexual
harassment (5) sexual exploitation, as such terms are defined in this policy.

Offenses that are designated as “domestic violence” are against family or household members or
persons in dating or cohabitating relationships and include assaults, sexual assaults, stalking, and
violations of protective or restraining orders issued by a Court. Intimate partner violence may
also include physical abuse, threat of abuse, and emotional abuse.

- Physical abuse includes, but is not limited to, slapping, pulling hair or punching.
- Threat of abuse includes but is not limited to, threatening to hit, harm or use a weapon
  on another (whether victim or acquaintance, friend or family member of the victim) or
  other forms of verbal threat.
- Emotional abuse includes but is not limited to, damage to one’s property, driving
  recklessly to scare someone, name calling, threatening to hurt one’s family members or
  pets and humiliating another person.
- Cohabitation occurs when two individuals dwell together in the same place as if married.
- The determination of whether a “dating relationship” existed is to be based upon the
  following factors: the complainant’s statement as to whether such a relationship existed,
  the length of the relationship, the type of the relationship and the frequency of the
  interaction between the persons reported to be involved in the relationship.

(e) Stalking, which is defined as repeatedly contacting another person when contacting person
knows or should know that the contact is unwanted by the other person; and the contact causes
the other person reasonable apprehension of imminent physical harm or the contacting
person knows or should know that the contact causes substantial impairment of the other
person’s ability to perform the activities of daily life.

As used in this definition, the term “contacting” includes, but is not limited to, communicating
with (including internet communication via e-mail, instant message, on-line community or any
other internet communication) or remaining in the physical presence of the other person.

Retaliation is prohibited and occurs when a person is subjected to an adverse employment or
educational action because he or she made a complaint under this policy or assisted or participated in
any manner in an investigation. No institution or person may intimidate, threaten, coerce, or
discriminate against any individual for the purpose of interfering with any right or privilege secured
by Title IX or because the individual has made a report of complaint, testified, assisted or
participated or refused to participate in any manner in an investigation, proceeding or hearing related
to a report or complaint related to sex discrimination.

Each BOR governed college and university will provide a list of such confidential resources in the College or University’s geographic region to complainants and respondents as well as publish these resources on-line and in various publications.

Procedures for Requesting a Reasonable Accommodation

Important Information before requesting a reasonable employment accommodation:

Each request for a reasonable employment accommodation will be given serious individualized consideration. All requests will be assessed on a case-by-case basis on its own merits, in light of the particular job, other related jobs, the capabilities of the particular employee and the specific accommodation requested.

CCSU Human Resources is the only University entity that can grant a reasonable employment accommodation. Department Managerial and supervisory staff are not authorized to grant an employment accommodation. Employees are discouraged from disclosing any medical information with Department Managerial and Supervisory staff. Employee medical information is confidential, protected by law and should only be disclosed to authorized University officials such as Human Resources, the Office of Equity and Inclusion.

When CCSU Human Resources makes an accommodation to the needs of a particular employee, CCSU does not make any commitment that the accommodation is permanent, or that a similar accommodation will automatically be extended to any other employee. CCSU reserves its managerial right and discretion to determine and define operational needs and requirements.

Any employee with a disability requesting a reasonable accommodation may, when permitted by law, be expected to provide medical information necessary for CCSU Human Resources to determine that the employee is a person with a disability and to cooperatively identify barriers and the available accommodations, if any. Failure of the employee to provide the necessary medical information may result in the delay in processing any accommodation request.

An employee with a disability requesting a reasonable accommodation may designate, in writing, an Advocate. The employee must grant to CCSU Human Resources affirmative permission, in writing, to discuss any matter including medical information regarding the request for a reasonable accommodation, in front of or with the designated Advocate. CCSU Human Resources will not discuss in the presence of or with an Advocate without written affirmative permission.

CCSU Human Resources is the only entity that may contact an employee’s medical provider, when necessary, to obtain the requisite medical documentation to support the employee’s request for a reasonable accommodation. No medical information is to be requested from an employee’s medical provider or maintained by any supervisor or manager. All provision of HIPPA will be strictly adhered to regarding medical information, its confidentiality and its file maintenance.

Employee’s medical information and other information related to their disability and any accommodation request shall remain confidential unless the employee executes a written “release of information” or if permitted or required under legal authority.

To request a reasonable employment accommodation,

1. Employee should complete in its entirety the Request for Reasonable Accommodation Form
2. Next, employee should complete Authorization For Disclosure and Release of Medical Information Form
3. Next, employee who wishes to designate an Advocate should complete Designation of Advocate and Authorization Form.

4. Employee should have his or her physician or other medical provider complete either a Medical Certificate (self) or Medical Certificate (Caregiver) verifying that the employee is a person who has a physical and or mental impairment that substantially limits one or more major life activities, has a record of such impairment or falls within one or more of the disabling conditions protected by state constitution and statutes.

Once completed, employee should submit all forms to CCSU Human Resources ADA designee.

CCSU Human Resources will contact the requesting employee to meet to begin the interactive process. CCSU Human Resources may need to contact the requesting employee’s physician to better understand how the employee’s disability affects his or her ability to perform the essential functions of his or her job. CCSU Human Resources will work cooperatively with the requesting employee to determine if a reasonable accommodation can be identified and implemented.

CCSU Human Resources reserves the statutory right to choose a reasonable employment accommodation as permitted by law, even if the employment accommodation is not the specific accommodation requested.
CCSU Human Resources: Reasonable Employment Accommodation Request and Review Process: What to Expect

Note: The interactive reasonable employment accommodation request process requires an individualized assessment of each request. This chart provides a framework of the steps taken in most cases, but individual cases may vary. When a reasonable employment accommodation is made to meet the needs of an employee, CCSU Human Resources does not make any commitment that the accommodation is permanent, or that a similar accommodation will automatically be granted to any other employee.

**Step 1 – Employee Request**

When an employee communicates his or her need for assistance at work because of a disability, supervisory staff should refer the employee immediately to Human Resources. CCSU Human Resources will ask the employee to complete a request and to submit all necessary forms to CCSU Human Resources. CCSU Human Resources will set up a meeting with the requesting employee to begin the Accommodation Interactive Process. The interactive process is designed to facilitate an open dialogue so that CCSU Human Resources can fully understand the request and to seek additional medical information, if necessary. The interactive process is individualized on a case-by-case basis and is ongoing until a determination has been made.

**Step 2 – Interactive Process**

Upon receipt of a request for a reasonable employment accommodation, CCSU Human Resources will set up a meeting with the requesting employee to begin the Accommodation Interactive Process. The interactive process is designed to facilitate an open dialogue so that CCSU Human Resources can fully understand the request and to seek additional medical information, if necessary. The interactive process is individualized on a case-by-case basis and is ongoing until a determination has been made.

**Step 3 – Medical Information**

When necessary, CCSU Human Resources may need to directly communicate with the employee's medical provider to obtain important medical information regarding the employee's medical condition(s) to determine if the employee is a qualified person with a disability under Federal and State law as well as to determine appropriate accommodations, if any. CCSU Human Resources will set up a meeting with the employee's medical providers to obtain important medical information regarding the employee's medical condition(s) to determine if the employee is a qualified person with a disability under Federal and State law as well as to determine appropriate accommodations, if any.

**Step 4 – Essential Duties Review – Medically Supported Requests**

CCSU Human Resources will conduct a thorough review of the employee's essential duties and other conditions of employment. This review may require discussions with the employee's supervisor and or manager. CCSU Human Resources will not disclose any confidential medical information to the employee's supervisor and or manager. Rather, CCSU HR will discuss the requested accommodation, essential duties of the employee's position, operational needs and hardship, if any, entailed by granting the request.

**Step 5 – Continuation of Interactive Process – Interim Accommodations**

If the employee does not have a disability as defined under Federal and State law, the request is not medically supported or a determination is made that the employee cannot perform the essential duties with or without a reasonable accommodation then there is no obligation to continue with the process. CCSU Human Resources will provide a written determination and may consider whether additional steps are necessary.

If the employee does not have a disability as defined under Federal and State law, the request is not medically supported or a determination is made that the employee cannot perform the essential duties with or without a reasonable accommodation then there is no obligation to continue with the process. CCSU Human Resources will provide a written determination and may consider whether additional steps are necessary.

**Step 6 – Employee Request Granted**

After a thorough review including the interactive process and in consultation with CCSU Management, CCSU Human Resources will issue a determination and grant to the employee an appropriate and reasonable accommodation. The reasonable accommodation granted may not be the specific accommodation requested. The reasonable accommodation may be granted only for a limited time. Employees should not expect any accommodations requests to be granted in perpetuity.

**Employee Right to File Discrimination Complaint**

Any employee who believes that CCSU has discriminated against them because of their disability, or their perceived disability, with regard to employment or to any program, service or activity, may choose to file a complaint in accordance with CCSU Office of Equity and Inclusion Discrimination Complaint Procedures. Alternatively, any employee may choose to seek redress in any other forum.

Use of a Preferred First Name and Execution of Changes to Legal Name by Students

Statement of Policy

The Board of Regents for Higher Education is committed to providing an educational environment where all are welcome and free to express the manner in which they choose to identify themselves. In this vein the BOR is issuing this policy so that individuals may be identified by a preferred first name or used name as well as understand procedures to change their legal names for the purposes of their education records.

Connecticut State Colleges & Universities (CSCU) shall use a preferred or used name on all documents and records other than official documents, such as diplomas and transcripts. Documents and records that may display a preferred or used name include, among others, course rosters, identification cards, email addresses, and honors, awards and prizes issued by the institution.

The Board of Regents for Higher Education directs the system office working with representatives of the CSCU institutions to establish appropriate forms, procedures and timelines to facilitate students’ requests for usage of a preferred first name or used name. The institutions are to incorporate advisement regarding the ramifications of preferred first name or used name usage into their process.

CSCU institutions must use students’ legal names in all official documents, despite requests for the usage of preferred or used names. Legal names are to appear on all external use reports and documents including, but not limited to employment paper work, paychecks, tax forms, student billings, financial aid forms, scholarships, transcripts, diplomas, and other documents required by law.

The Board of Regents for Higher Education directs the system office working with representatives of the CSCU institutions to establish appropriate forms, procedures and timelines to facilitate students’ requests to change their legal name. Within such a request, the student must present an original or certified copy of the court order. After the request has been processed, only the new legal name should be reflected in the institution’s official documents, unless the individual requests in writing that such documents include reference to his or her former name (e.g. Heather Pauline Armstrong formerly known as John Joseph Doe).
In the event of a typographical or other error in institutional records or documents, the individual’s request to correct the name will be granted after verification that the correction is due to an error. Documents that may provide sufficient verification for determination of the correction include birth certificates, social security cards, driver’s licenses, and other documents issued by federal, state and local governmental agencies.

Definitions

Preferred First Name: A preferred first name or used name is not a legal first name, but is generally used to change the manner in which others refer to the individual. For example, student Mathew Allan Smith may prefer the name Matt or Susan Elaine Taylor may choose to be referred to as Sue or Elly rather than Susan. Note that preferred first names or used names are not limited to variations or derivatives of a given or legal name; for example, student Margaret Ann Parker may request the preferred name Robert or Lawrence Peterson may choose to be called Sarah due to gender identity or transgender status, respectively, without court-ordered documentations.

Legal Name: A legal name is the person’s official name in accordance with the law. Legal names can only be changed on official documents when a student acquires a court order. Such a court order may arise in a number of different contexts, including a name change proceeding, an adoption, a divorce decree, individual choice, witness protection program. Additionally, a marriage certificate should be treated like a court order.

Procedures and Timetables for Processing of Discrimination, Harassment, Intimate Partner Violence and Sexual Misconduct Complaints

In accordance with Section 46a-68-78 of the Affirmative Action Regulations of Connecticut State Agencies, the following procedures provide an internal process for the handling of complaints involving claims of discrimination or harassment, including sexual misconduct/violence.

This procedure is designed to further implement the Nondiscrimination in Education and Employment and BOR/CSCU Sexual Misconduct Reporting, Support Services, and Processes policies by providing a process through which individuals alleging violation of these policies may pursue a complaint. This includes allegations of retaliation, discrimination, harassment based on age, ancestry, color, disability, gender identity or expression, genetics, national origin, marital status, race, sex (including pregnancy, transgender status, sexual harassment and misconduct), religious creed, veteran status, sexual orientation, prior criminal conviction and any other status protected by federal or state laws.

When responding to an internal complaint, disclosure of information relating to the internal complaint and the identity of the complainant will be handled with appropriate sensitivity and in accordance with applicable laws.

A. Process for Filing Internal Complaints of Alleged Discrimination or Sexual Harassment and Misconduct

1. Who may file:

Any employee, applicant for employment, student, applicant for admission or any other person, including visitors.

2. When to file:

To provide adequate opportunity for a prompt investigation, complainants are encouraged to file as soon as possible but, except in cases involving sexual misconduct, must file no later than ninety (90) calendar days following the complainant’s first knowledge of the alleged discriminatory act.

For cases involving allegations of sexual misconduct, there is no time limit for the filing of complaints. In extenuating circumstances, the Senior Equity & Inclusion Officer has the discretion to waive the deadline for the filing of complaints involving matters other than sexual misconduct. Once filed, the internal complaint must be resolved within ninety (90) calendar days unless the complainant consents to extend this time period.

3. Where to File:

The Office of Equity & Inclusion handles internal complaints alleging violations of the Nondiscrimination Opportunity in Education and Employment and/or the BOR/CSCU Sexual Misconduct Reporting, Support Services, and Processes policies. The Senior Equity & Inclusion Officer (SEIO) or his/her designee reviews and, if necessary, conducts an investigation into each complaint that, if proven, would constitute a violation of CCSU policies. Complaints against students are filed with the Office of Student Conduct. See CCSU Student Code of Conduct and Statement of Disciplinary Procedures.

Complaints against Students

Office of Student Conduct
Willard DiLoreto Hall, Room W-105
860-832-1667

The SEIO serves as the Title IX Officer. Complaints against students may be referred to the Office of Student Conduct.

Reports against the President or Office of Equity & Inclusion Employees

If a discrimination complaint is made against the President or an Office of Equity & Inclusion employee alleging that these employees directly or personally engaged in discriminatory conduct, the complaint shall be referred to the Commission on Human Rights and Opportunities (CHRO) for review and, if appropriate, investigation by the Department of Administrative Services, except if any such complaint has been filed with the Equal Employment Opportunity Commission or the Commission on Human Rights and Opportunities, the CHRO or Department of Administrative Services may rely upon the process of the applicable commission in lieu of such investigation.

4. Process for filing complaints

At the time an individual makes his/her complaint, the SEIO or designee will provide the individual with the University’s respective policies on CCSU Nondiscrimination in Education and Employment Policy and/or the BOR/CSCU Sexual Misconduct Reporting, Support Services, and Processes Policy and the procedures and timetables for processing internal complaints.

No Basis to Proceed.

At any point during the processing of the complaint, the SEIO or designee may determine that there is no basis to proceed under the Nondiscrimination in Education and Employment Policy, BOR/CSCU Sexual Misconduct Reporting, Support Services and Processes Policy. The SEIO or designee shall refer the complaint as appropriate. The SEIO or designee shall notify the complainant and, if necessary, the respondent of the outcome as appropriate, in accordance with applicable state and federal laws.

Investigatory Process.

The Office of Equity & Inclusion shall provide the respondent with a written summary of the complaint, including a description of the alleged discriminatory acts, within ten (10) business days of the filing of the complaint. If the complaint is in writing, the Office of Equity & Inclusion shall provide the respondent with a copy of the written complaint or summary of the complaint. Disclosure of information shall be in accordance with applicable state and federal laws.

The SEIO or designee shall weigh all evidence pertaining to the internal complaint, make findings of fact, recommendations, and, with the consent of the parties and appropriate executive officer, propose settlements to the University President. Without investigation, the SEIO or designee may also mediate issues between parties where the allegations, if proven, would not constitute a violation of CCSU policies.

The complainant and the respondent (person accused) will be allowed to have one non-participating support person present for the interview(s). For represented employees, this support person could be a union representative; however, if the support person is not a union representative, the employee who is the respondent will be asked to sign a union waiver. For more information, see the Right to Union Representation section.
Timeline

Internal complaints shall be investigated and resolved within ninety (90) calendar days of the receipt of the complaint, including the written notification to the complainant(s) and respondent(s) regarding the results of the investigation. Whenever possible, complaints should be resolved in accordance with relevant University policies at the supervisory, Dean or Director’s level with the concurrence of the SEIO.

Right to Union Representation.

In accordance with federal law and applicable collective bargaining agreements, represented employees may have the right to request and receive union representation during an investigatory meeting.

Nothing in this procedure is intended to expand, diminish or alter in any manner whatsoever any right or remedy available under a collective bargaining agreement, personnel policy or law.

Determination.

Upon the conclusion of its investigation, the SEIO or designee will determine whether or not discrimination or harassment in violation of CCSU policy occurred. A preponderance of the evidence standard is used to make this determination. A copy of the investigatory report will be provided to the University President.

1. Unsupportable Complaints. If the SEIO or designee determines that the evidence is insufficient to support the allegation, he or she shall dismiss the complaint.

2. Supportable Complaints. If the SEIO concludes that the allegations are supported by the evidence, he or she will report his or her findings and recommendations to the appropriate administrator.

5. Disciplinary Action

If the SEIO or designee believes that disciplinary action against the respondent may be warranted at this or a subsequent stage, a recommendation will be made to the Chief Human Resource Office (for employees) or the Office of Student Conduct (for students).

B. Process for Filing an Appeal

Within fifteen (15) calendar days of the issuance of the Office of Equity & Inclusion’s determination, the complainant or respondent may file an appeal of the determination. The appeal and all supporting documentation shall be submitted in writing to the University President, with copies to the SEIO and other parties to the complaint.

The President or designee shall review the investigation and determine whether to affirm or modify the decision. The President or designee may receive additional information if the President or designee believes such information would aid in the consideration of the appeal.

If an appeal of the SEIO’s determination is filed, the University President or designee shall conduct a review of said appeal and issue a written decision within thirty (30) calendar days of the appeal. The University President shall notify all parties in writing of his/her decision.

AAUP members have the option of appealing the decision using a review panel as outlined in the AAUP Complaint Procedure.

The decision on appeal exhausts the complainant’s and the respondent’s administrative remedies under this procedure except as provided herein.

Procedures and Timetables for Processing of Discrimination, Harassment and Sexual Misconduct Complaints 3
**Appeal Process for AAUP Members**

The complaint will be processed according to an agreed-upon procedure consistent with the CSU-AAUP Collective Bargaining Agreement, Appendix F. See AAUP Complaint Review Procedure.

**C. Records Maintenance**

The SEIO shall create and maintain a file of each internal complaint received under these procedures. All information, including records and correspondence pertaining to said internal complaint will be kept in this file. Access to the file will be in accordance with applicable State and Federal statutes and collective bargaining agreements. The SEIO will secure these files. All such files shall be maintained indefinitely, unless otherwise required by applicable State and Federal statutes and collective bargaining agreements.

All records of internal complaints and dispositions shall be reviewed on a regular basis by the Office of Equity & Inclusion to discern any pattern in the nature of the internal complaints.
