

January 27, 2022

Board of Trustees and Joint Audit and Compliance Committee
Connecticut State Colleges and Universities
61 Woodland Street
Hartford, CT 06105

We have audited the Schedule of CSCU 2020 Construction Projects and Schedule of CSCU 2020 Reported Project Values (the "Schedule") related to CSCU 2020 Construction Projects of the Connecticut State Colleges and University's (the "CSCU System"), specifically identified by management that were substantially completed during the year ended June 30, 2021, and the related notes to the Schedule, and have issued our report thereon dated January 27, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 27, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the CSCU System is described in Note 1 to the Schedule. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the CSCU System during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the Schedule in the proper period.

Accounting estimates are an integral part of the Schedule prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the Schedule and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the Schedule were:

- Management's estimate of the project budgets and anticipated remaining costs is based on management's analysis of the estimated contract costs to be incurred compared to what has been incurred to date. We evaluated the key factors and assumptions used to develop the project budgets and anticipated remaining costs in determining that it is reasonable in relation to the Schedule taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We noted no such misstatements as a result of audit procedures.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the Schedule or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated January 27, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the CSCU System's Schedule or a determination of the type of auditor's opinion that may be expressed

on those Schedule, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the CSU System's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

This information is intended solely for the use of the Board of Trustees and Joint Audit and Compliance Committee charged with governance and, management of the Connecticut State Colleges and Universities and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

A handwritten signature in cursive script that reads "CohnReznick LLP".

Independent Auditor's Report

To the Board of Regents and Audit Committee
Connecticut State Colleges and Universities System
Hartford, Connecticut

We have audited the expenditures paid during the year ended June 30, 2021 as reported in the Schedule of CSCU 2020 Construction Expenditures - Cash Basis (the "Schedule") of the Connecticut State Colleges and Universities System (the "CSCU System"), and the related notes to the Schedule.

Management's Responsibility for the Schedule

Management is responsible for the preparation and fair presentation of this Schedule in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the Schedule in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Schedule that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Schedule based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Schedule is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedule. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the accompanying Schedule referred to above presents fairly, in all material respects, the construction expenditures related to CSCU 2020 construction projects of the CSCU System specifically identified by management that were paid during the year ended June 30, 2021 in conformity with the cash basis of accounting.

Emphasis of Matter

We have not audited the expenditures paid during the period from July 1, 2008 through June 30, 2018, and, accordingly, we express no opinion or other assurance with respect to these amounts. Annual expenditures for prior years through June 30, 2018 were previously audited by other auditors dated October 16, 2018 with an unmodified opinion. Our opinion on cash paid for construction expenditures for the year ended June 30, 2021 is not modified with respect to this item.

We draw attention to Note 1 of the financial statement, which describes the basis of accounting. This financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of American. Our opinion is not modified with respect to that matter.

Restriction on Use

Our report is intended solely for the information and use of the Board of Regents, the Audit Committee, and management of the Connecticut State Colleges and Universities System, and is not intended to be and should not be used by anyone other than these specified parties.

Connecticut State Colleges and Universities System

Notes to the Schedule of CSCU 2020 Construction Expenditures - Cash Basis June 30, 2021

Note 1 - Presentation

Presentation

The Connecticut State Colleges and Universities System (the "CSCU System") is a comprehensive institution of higher education and is a major enterprise fund of the State of Connecticut. The Connecticut State University System Infrastructure Act authorized the issuance of up to \$950,000,000 in general obligation bonds over a ten-year period beginning in the year ended June 30, 2009. Effective July 1, 2014, The Connecticut State University Infrastructure Act (CSUS 2020) was repealed and renamed as The Board of Regents for Higher Education Infrastructure Act ("CSCU 2020"). The act was amended to include the regional community-technical colleges and Charter Oak State College and authorized additional issuance of general obligation bonds in the amount of \$80,000,000 during the year ended June 30, 2015 and \$23,500,000 during the year ended June 30, 2016. The proceeds from the bonds fund capital improvements for all four universities (Eastern Connecticut State University, Central Connecticut State University, Western Connecticut State University and Southern Connecticut State University), regional community-technical colleges and Charter Oak State College along with improvements made to the Central Office of the System.

The Schedule has been prepared by System management to comply with Connecticut General Statutes Section 10a-91h requiring independent auditors to annually conduct an audit of any project of CSCU 2020 as defined in subdivision (4) of Section 10a-91c. The purpose of the legislation is to provide assurance that invoices, expenditures, cost allocations and other appropriate documentation reconcile to project costs and are in conformance with project budgets, cost allocations agreements and applicable contracts. The audit is required to be submitted to the Governor and the General Assembly in accordance with Section 11-4a.

The CSCU System has prepared the Schedule of CSCU 2020 Construction Expenditures (the "Schedule") on the cash basis of accounting rather than under the accrual basis method in accordance with accounting principles generally accepted in the United States of America. As such, expenditures are recognized when cash is disbursed rather than when the related obligation is incurred.

The Schedule does not include expenditures paid for or incurred by the Department of Public Safety ("DPS"). DPS directly pays for the costs associated with Building Code and Fire Code inspections of threshold buildings. Threshold buildings are defined by Connecticut State Statute §29-276b as, "(1) having four stories, (2) sixty feet in height, (3) with a clear span of one hundred fifty feet in width, (4) containing one hundred fifty thousand square feet of total gross floor area, or (5) with an occupancy of one thousand persons." The CSCU System provides funding through its operating funds for the necessary costs of the DPS for the inspection of nonthreshold buildings that are part of CSCU 2020. Because these expenditures paid by DPS are not paid with CSCU 2020 bond funds, the expenditures are not included in the Schedule.

Note 2 - Summary of significant accounting policies

Use of estimates

Management uses estimates and assumptions in preparing the Schedule in accordance with the cash basis of accounting. Those estimates and assumptions affect the reported amounts of project costs and disclosure of contingent project costs. Actual results could vary from the estimates used.

Connecticut State Colleges and Universities System

Notes to the Schedule of CSCU 2020 Construction Expenditures - Cash Basis June 30, 2021

Approved budget

The approved budget amounts are the revised budgeted amounts for the entire contract approved by the Department of Construction Services ("DCS") on CSCU 2020 projects. The breakdown by category is provided by CSCU System management and approved by the DCS.

Expenditures paid in the year ended June 30, 2021

Expenditures paid in the year ended June 30, 2021 represent expenditures that were paid on CSCU 2020 projects during the fiscal year ended June 30, 2021.

Recommended adjustments

Recommended adjustments represent the net value of costs reviewed that either lacked sufficient supporting documentation or represented errors.

Adjusted expenditures paid in the year ended June 30, 2021

Adjusted expenditures paid in the year ended June 30, 2021 include expenditures that were paid on CSCU 2020 projects during the fiscal year ended June 30, 2021 plus (or minus) the recommended adjustments.

Expenditures paid during the period from July 1, 2018 through June 30, 2020

Expenditures paid during the period from July 1, 2018 through June 30, 2020 represent expenditures that were paid on CSCU 2020 projects during the period from July 1, 2018 through June 30, 2020.

Expenditures paid during the period from July 1, 2008 through June 30, 2018

Expenditures paid during the period from July 1, 2008 through June 30, 2018 represent expenditures that were paid on CSCU 2020 projects from inception of the projects through June 30, 2018.

Total adjusted expenditures through June 30, 2021

Total adjusted expenditures through June 30, 2021 represent expenditures that were paid on CSCU 2020 projects from the inception of the project through June 30, 2021.

Subsequent events

In preparing the Schedule, management has evaluated subsequent events through January 27, 2022, which represents the date the Schedule was available to be issued.

Note 3 - Construction expenditures

Construction expenditures include all general contractor and subcontractor costs, and certain indirect costs related to project performance that can be attributed to specific projects. Indirect costs not specifically allocable to contracts and general and administrative costs are not included in construction expenditures.
