Central Connecticut State University

We have performed the procedures enumerated below, which were agreed to by you, related to whether the accompanying Statement of Revenues and Expenses and related notes of Central Connecticut State University (CCSU) for the fiscal year ended June 30, 2020 (Statement) is in compliance with the National Collegiate Athletic Association (NCAA) Bylaw 3.2.4.17 for the fiscal year ended June 30, 2020. CCSU management is responsible for the Statement and the compliance with those requirements. The sufficiency of these procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purposes for which this report has been requested or for any other purpose.

As discussed in Appendix D to the "2020 Agreed-Upon Procedures" NCAA guidelines, if a specific reporting category is less than 4% of the total revenues or expenses, no procedures are required to be performed for that specific category, and no procedures were performed.

No exceptions were noted as a result of performing these procedures.

2. We obtained written representations from management as to the fair presentation of the summary schedule.

No exceptions were noted as a result of performing these procedures.

Minimum Agreed-Upon Procedures for Other Reporting Items

1. We scanned CCSU’s general ledger and made inquiries to CCSU management about excess transfers to the university. No transfers were identified, and we were informed by CCSU management that no transfers had occurred. No further procedures were performed.
2. We scanned CCSU’s general ledger and made inquiries to CCSU management about outstanding intercollegiate athletics debt as of the end of the reporting period. No outstanding intercollegiate athletics debt was identified, and we were informed by CCSU management that there was none. No further procedures were performed.
3. We scanned CCSU’s general ledger, reviewed the Connecticut State University System’s audited financial statements, and made inquiries to CCSU management about outstanding debt of the university as of the end of the reporting period. No outstanding university debt was identified, and we were informed that the Connecticut State University System Office holds

all debt of the system, not each specific university, which is supported by the audited financial statements. No further procedures were performed.

4. We obtained a schedule of all athletics dedicated endowments maintained by athletics, the university, and affiliated organizations from CCSU management.
 - a. We mathematically checked the total of the detailed listing.
 - b. We agreed the total fair market value to supporting documentation of the CCSU Foundation Inc.'s general ledger, and the corresponding footnote of the CCSU Foundation, Inc.'s fiscal year 2020 audited financial statements.

We found that CCSU reported athletics dedicated endowments of \$3,793,187 while supporting documentation indicated that the fair value of athletics dedicated endowments was \$3,888,505. In effect, CCSU understated athletics dedicated endowments by \$95,318 in the NCAA Membership Financial Reporting System.

5. We scanned CCSU's general ledger, reviewed the Connecticut State University System's audited financial statements, and made inquiries to CCSU management about institutional endowment funds as of the end of the reporting period.

We found that CCSU reported the CCSU Foundation Inc.'s net assets, totaling \$80,675,289, as institutional endowments. However, the CCSU Foundation Inc. is a separate entity for financial reporting purposes and, as such, its endowment funds should not be reported as CCSU's institutional endowments. In effect, CCSU overstated institutional endowments by \$80,675,289 in the NCAA Membership Financial Reporting System. The overstatement was due to the misinterpretation of the NCAA reporting guidelines.

6. We scanned CCSU's general ledger and made inquiries to CCSU management about athletics related capital expenses made by the athletic department, the university, and affiliated organizations during the reporting period. We compared the total athletics related capital expenses reported in CCSU's general ledger to expenses reported. We selected a sample of transactions to validate the existence of transactions and accuracy of recording, and recalculated totals.

No exceptions were noted as a result of performing these procedures.

7. We obtained representations from CCSU management that to the best of their knowledge and belief, all revenues and expenses related to the athletics department had been properly included in the Statement.

Additional Minimum Agreed-Upon Procedures

1. We compared and agreed the sports sponsored as reported in the NCAA Membership Financial Reporting System to CCSU's squad lists supporting equivalency calculations. We were to inquire about any discrepancies in the sports sponsored and report the justifications.

No exceptions were noted as a result of performing these procedures.

2. We compared the current year grants-in-aid revenue distribution equivalencies to prior year reported equivalencies per the Membership Financial Report submission and documented an explanation for any variances greater than 4%.

No variances greater than 4% were noted in grants-in-aid revenue when compared with the prior year.

3. We obtained CCSU's Sports Sponsorship and Demographics Forms Report for the reporting period and verified that CCSU's countable sports reported met the minimum requirements set forth in Bylaw 20.9.6.3 for the number of contests and participants in each contest that is counted toward meeting the minimum contest requirement. We ensured CCSU had properly reported these sports as countable for revenue distribution purposes within the NCAA Membership Financial Reporting System.

No exceptions were noted as a result of performing these procedures.

4. We agreed the total number of student athletes who, during the academic year, received a Pell Grant award and the total value of these Pell Grants reported in the NCAA Membership Financial Reporting System to a report, generated from CCSU's financial aid records, of all student-athlete Pell Grants.

No exceptions were noted as a result of performing these procedures.

5. We compared the current year Pell Grants total to the prior year reported total per the Membership Financial Report submission and documented an explanation for any variances greater than 20 grants.

No variances greater than 20 grants were noted when compared with the prior year.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the accompanying Statement of Revenues and Expenses of the University as of June 30, 2020 or on CCSU's compliance with the NCAA requirements. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
