First card replacement: \$10; subsequent card replacements \$25 each. No replacement fees for damaged cards unless damage is a result of card misuse.

Refund of Your Blue Chip Account Balance

Your Blue Chip Account is designed to be a continuous benefit and service to you for your entire career as a student, faculty, or staff member at Central Connecticut State University (CCSU). **You cannot withdraw cash from your BlueChip Account.** You should anticipate spending your account balance or leaving the balance intact over the holidays and school breaks. Your account will remain from semester to semester, year to year and will not be refunded unless the cardholder withdraws, graduates or is dismissed from CCSU or for employees whose employment with CCSU is terminated. Upon separation from CCSU, your account will be reviewed and you may be eligible for a refund of any balance remaining after all University debts have been paid on your Bursar's Office account. In such cases your refund

will be sent via direct deposit to your last known banking information that had been provided to the University. If no known bank account information is available or has become invalid, a check will be mailed to your last registered University address. If your refund will be less than \$10.00, the refund will be dispersed at the discretion of the University.

All non-student/non-employee cardholder accounts that have been inactive for 12 months, will also be reviewed and may be eligible for a refund in the same manner as outlined above.

Error Resolution Procedure

If you feel a charge you did not authorize has been transacted on your account, you must notify the Blue Chip Card Office as soon as such a non-authorized transaction is discovered. Include information of the date and amount of the transaction, as well as any other information you feel is necessary to help us investigate the claim. You may request a printout of your account history at the Card Office.

Agreement of Use and Liability for Unauthorized Use of Account

You agree that you will only use your Blue Chip Account for personal purposes. Your account may be used to purchase goods or services from participating establishments on and off the CCSU campus. If your Blue Chip Card is lost or stolen, you must **notify** the Blue Chip **Card Office** or **Police** **immediately** to prevent unauthorized use of your card.

"Unauthorized" use means the use of your Blue Chip Card to purchase goods or services through your Blue Chip Account by a person, other than you, who does not have actual, implied, or apparent authority for such use, and from which you receive no benefits.

Your maximum liability for unauthorized use of your lost or stolen Blue Chip Card is \$50.00, provided we are notified within two (2) days. If notification is made after two (2) days but within sixty (60) days, your maximum liability for unauthorized use of your lost or stolen card is \$500.00. If you do not inform the Card Office or Police Station about a lost or stolen card, you will be responsible for any charges made against your debit account.
