Bachelor of Science in Management Information Systems
Course Sequencing
Students Must Complete the MIS Core, and Concentration Courses

Pre-MIS Majors can be overridden into many of the MIS core courses (not for capacity) during their final pre-major semester.

Be sure to check prerequisites on all courses listed below.

- The Individualized Concentration courses, in consultation with your advisor, must include 12 credits from:
  - MIS 220, 400, 410, 450, 460, 462, 463, 464, 465, 466, 494, 496, 498

Directed electives listed by other concentrations:
- Business Analytics directed MIS electives: MIS 220, 410, 460, 462, 464, 465, 466, 494, 496, 498
- Information Security and Infrastructure directed MIS electives: MIS 220, 400, 460, 462, 463, 465, 466, 494, 496, 498

Legend
1 = MIS Core;
2 = Junior/Senior Standing Required;
3 = Can be taken concurrently
