Minor in Management Information Systems (for business majors and non-business majors)

This is not the business minor with an MIS Specialization. It is the minor in management information systems which compliments the student’s major area of study with a focused professional component in the field of management information systems. The minor may be completed by any university student:
- 18 credits from MIS 201, 220, 300, 305, 310, 312, 315, 361, 410, 450, 460, 462
- School of Business students must maintain an overall GPA of at least 2.5.
- Non-business majors must maintain a minimum 2.0 GPA

Revised 04/2021
