Beginning 2017-18, a majority of the undeclared majors are reported under No School/InterSchool. Previously they were reported under Liberal Arts & Social Sciences.

New School of Engineering, Science, and Technology in 2014. The following departments moved from Arts & Sciences to the new school: Biology, Chemistry, Computer Science, Geological Sciences, Mathematical Sciences, Physics & Engineering Physics. Physics and Earth Sciences are split into two separate departments: Geological Sciences & Physics & Engineering Physics. For the purpose of this report, all prior years reflect the new school.

Headcount enrollment in this table is organized by the School in which the program is housed.
