THE STORY OF COMMITTEE FOR INDUSTRIAL ORGANIZATION, ET AL. VERSUS FRANK HAGUE, ET. AL.

TO ALL WORKERS IN HUDSON COUNTY

Millions of workers all over the United States, with the help of the C. I. O., have ended their economic slavery and become free men and women again.

YOU CAN DO IT, TOO!

Here at last is the great chance for every worker in Hudson County - the biggest opportunity in your lifetime - the opportunity to organize for better wages, for security of your job, and for better life under the protection of a C. I. O. contract.

Don't forget! Your boss **CANNOT PREVENT** you from joining the C. I. O.

YOU CANNOT BE FIRED!

For joining a union. You have the legal right under the Wagner Labor Act, upheld by the Supreme Court of the United States, to choose your own labor union to represent you in collective bargaining.

ARE YOU - - Satisfied with **LOW WAGES** ?
Contented with **LONG HOURS** ?
Working without **PAID VACATIONS** ?

NOW is the time to **ACT!**

Do You Want Shorter Hours, More Pay, Better Working Conditions and Paid Vacations ?

Be Wise—Organize! Join the C. I. O!

Come to this Meeting and Find Out How

RESEARCH GRANT OPPORTUNITIES FOR PART-TIMERS AT CCSU

The screenshot shows the 'External Grants Home' page. The main heading is 'Funding Database'. Below it, a paragraph states: 'CCSU faculty, students and staff may take advantage of University subscription to SPIN, a valuable funding opportunity resource.' The section is titled 'SPIN Database of Funding Opportunities' and explains that SPIN (Sponsored Programs Information Network) contains information from more than 1,200 different sponsoring agencies, which together fund over 11,000 separate funding opportunities. A link for 'SPIN Powerpoint tutorial' is provided. A sidebar on the left lists various grant-related links such as 'External Grants Submission Process', 'Intent to Apply', and 'GFR Procedures and Guidelines'.

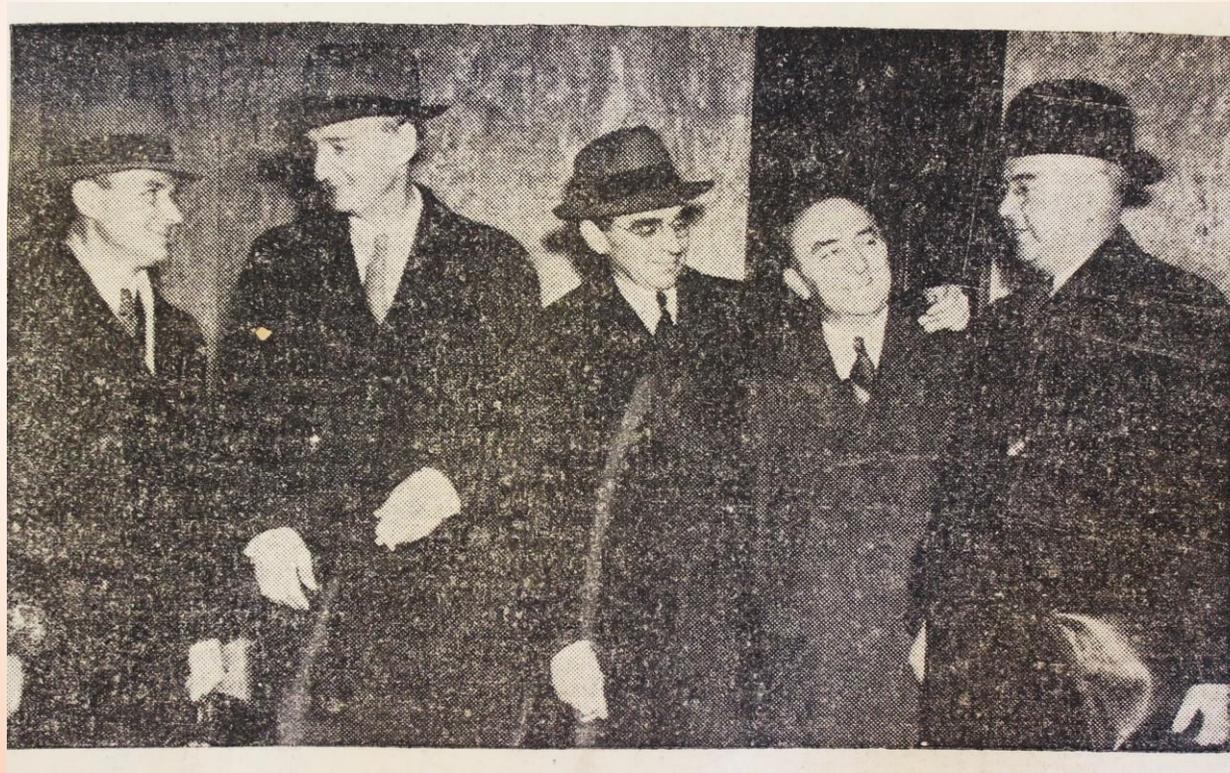

EXTERNAL GRANTS

The screenshot shows the 'Internal Grants Home' page. The main heading is 'Internal Grants'. A paragraph explains that competitive grants administered by the GFR office are intended to stimulate a range of professional activities--from research and professional development to curricular and pedagogic innovation. It notes that grant competitions are scheduled throughout the academic year to give faculty members flexibility in pursuing type and timing of funding. A link to the 'Internal Grants Overview' document is provided for a comprehensive overview of eligibility criteria, application and reporting deadlines and more. The section is titled 'Funding Opportunity Proposal and Submission Guidelines' and states that RFPs describe eligibility and compliance criteria, and content and submission guidelines for each grant opportunity. RFPs shall be posted to this GFR webpage no fewer than 30 days before the published submission deadline for the respective competition. A list of grant types is provided: Faculty-Student Research Grants, University Research Grants, Curriculum Development Grants, Full-Time Faculty Development Grants, and Part-Time Faculty Development Grants. A note at the bottom states: 'Templates for the proposal Cover Sheet, Budget and Final Report can be found on the Forms of the GFR site.'
