- **YOU MUST USE YOUR CCSU EMAIL ADDRESS TO SIGN UP FOR A SESSION!**
- *Please note that all virtual appointments are recorded.*

Concerned about the recorded session?

- Virtual sessions are recorded for safety and training purposes. It protects both the tutee and the tutor in the event of misconduct or grievance by either party.
- Sessions are also randomly selected for review to help tutors improve their skills in order to better serve the tutees.
- The recorded sessions are kept secure in locked files with limited access to necessary staff.
- You will be asked to agree to the recording when booking a virtual appointment and will be reminded of the recording before the tutor begins.
- If you are uncomfortable with being recorded, you may shut off your camera or schedule an in-person session held in **Marcus White 306**.
