7. When you have finished entering all the grades, click on the Submit button located at the bottom of the screen. Note: There is a 30-minute time limit to enter your grades. The Submit button acts as a Save command, so you may press this button at any time during the grading process and the 30-minute time limit will start again. After clicking on the Submit button, you will see a message at the top of the worksheet that reads “The grade or Last Attend Date you made have been saved successfully” – this is your confirmation that your grades have been submitted.

Additional Information:

a) **Last Attend Date** - If you have a student that has stopped attending your class and did not officially Withdraw, you must indicate this in the Last Attend Date column. Enter the appropriate grade for the student, then type the date they last attended your class in the Last Attend Date column – you must enter the date in MM/DD/YYYY format.

b) **Attend Hours** - Do not enter any information in the Attend Hours field – we do not use this field at CCSU.

c) **E-Mail** - You can e-mail students directly from the Mid Term Grades worksheet by clicking on the e-mail icon next to their name.

d) **Accessing the Worksheet for Other Courses** - To access the Final Grades worksheet for other courses you are teaching, click on the CRN Selection link at the bottom of the current worksheet. From this screen, select another course and click on Submit. You will be brought to the Faculty tab – click on Mid Term Grades to access the Mid Term Grades worksheet for the course you just selected.

Remember! Once you have finished using WebCentral-Banner Web, you should exit completely by clicking on the Exit button. If you need assistance, please contact the IT Help Desk at 860-832-1720.
