

# CLUB CENTRAL CONNECTION

ELECT &gt;

## TRANSITION OF POWER

Organization officers have the ability to create online elections within their organizations on Club Central, either for the entire community to vote on, or exclusive to organization members.

Officers can create as many ballots as needed. Each ballot can be accessible to the general user population or any number of eligibility lists. SA/LD Program Advisors can assist in making these eligibility lists, which eliminates any conflict of interest or accessibility concerns. A student will see each ballot they are designated to see.

However, club leaders should first look to their organization's constitution for guidance regarding elections. If you are meeting with student leaders regarding elections, here are a few questions to consider:

- What percentage of your club's full time members must be present for, or participate in, the election voting to take place (also known as a "quorum") and be validated?
- How will students cast their votes? Who will count the votes?
- When will officer elections take place?

REGISTER &gt;

## DON'T BE DEFUNCT

Officially recognized university clubs and organizations must re-register each year. The Registration process will launch on Club Central on Friday, April 15, and will be **due May 31**. Clubs who register before finals (May 8) will be entered to win \$500 for their Base Budget. Registration requires at minimum a President, Treasurer, and Faculty Advisor.

BUDGET &gt;

## CLUB FUNDING 2022-2023

The initial budget that student clubs and organizations receive is called a Base Budget, and organizations are currently submitting and presenting their proposals for the 2022-2023 academic year. The application for Base Budgets opened March 1st at 9am on Club Central ([clubcentral.ccsu.edu](http://clubcentral.ccsu.edu)). Students should go to the Student Government page and scroll down to view forms. The Base Budget Application will close **April 15th** at 11:59pm. The last date reserved for Base Budget Presentations is Monday, April 18th at the

2pm Finance Meeting. Please encourage student club leaders to sign-up to present on a date before then, or on that last date if a time slot is still available. The sign-up sheet to pick the club's presentation time was emailed to all student leaders and is also highlighted as yellow alert on the Club Central homepage. Presentation times will be Monday's at 2pm during the regular Finance Committee Meeting, as well as virtual on Fridays at 2pm as well. Contact SGA Treasurer, Stephanie Elissaint, [Selissaint@my.ccsu.edu](mailto:Selissaint@my.ccsu.edu) with any questions.

# CLASS OF 2022

## CELEBRATING THE SENIOR CLASS

**W**ith commencement ceremonies being planned for May 14th, students are looking for ways to celebrate with the Class of 2022. This year, a group of student leaders are working on a Senior Celebration Series, which involves planning programs to bring graduating students together to have fun and prepare them for what comes next.

So far, the group has hosted a table at the Club Open House to create awareness of the committee and to recruit members. Students also had the opportunity to sign-up for a Senior Focus Group, to hear from student directly about their ideas. This was in addition to a survey that was launched, in which 90 seniors shared their ideas about their last few months at CCSU. With a wide-variety of programs being proposed to the committee, now is a time to prioritize events and purchase memorabilia.

These ideas include:

- A job search informational, with tips about resumes, asking for references, and interview tricks.
- Class of 2022 apparel to take as a memento
- Field day to get outside and enjoy warmer weather
- Self-care day, to acknowledge the resilience of the class of 22
- Cap and gown decorating, prior to commencement
- Senior excursions to local attractions (Axe Throwing, Yard Goats Game, etc...)

These student leaders also hope to help the university with communication regarding the commencement ceremony. They hope to learn more about the process of inviting friends/family, how to get their regalia, and other important details about the day!

If you haven't already, please be sure to mark your calendars: Saturday, **May 14, 2022** (rain date is May 15) at Arute Stadium. There will be two ceremonies, one at 9 a.m. with Carol A. Ammon College of Liberal Arts & Social Sciences and the School of Business. At 2:30 p.m. we will be celebrating with the School of Education & Professional Studies and the School of Engineering, Science & Technology.

If you have questions about the Senior Celebration Series committee, please reach out to their Program Advisor, Angelo Prevosto, at [st\\_ap6232@ccsu.edu](mailto:st_ap6232@ccsu.edu).
