## Club Central Involvement Fair

Student Activities & Leadership Development was happy to have clubs and organizations on campus for the fall recruitment fair outside and spaced out along in the Student Center Circle!

This program took place on **Wednesday, September 15th**, from 11 am - 2 pm. Organizations were given a table and a location based on their club category.

In addition to joining clubs, students were able to pick up t-shirts from the RECentral table and water bottles from SA/LD. There was a live cover band as well as a mac & cheese food truck.

## "StorySynergy" on September 23

The CCSU Blue Devil Athletes as well as student organization leaders will be attending a motivational speaker event titled "StorySynergy: The Power of Story Telling to Enhance Community, Advance Understanding, and Improve Outcomes" by Dr. Derek Greenfield. This session is an interactive speaking engagement that encourages community and productivity through story telling. By advancing understanding of each other, CCSU's students will be able to come together and grow as the Blue Devil leaders.

## About Dr. Greenfield

Dr. Greenfield has extensive experience in Higher Education, most recently in his role as Vice President for Student Engagement and Campus Life/Chief Diversity Officer at Kentucky State University. Dr. G was even recognized as a "leader" among HBCUs for diversity by the Huffington Post. In addition to his Higher Education experiences, Dr. Greenfield has also served on the Board of Directors for non-profit organizations. He is also the author of the well known motivational book "The Answer is in Your Hands" and is co-editor of the book "Exploring Issues of Diversity Within HBCUs." He has a long list of well known clients such as Children's Defense Fund, Visa, CBS Sports. Ohio State, and more.

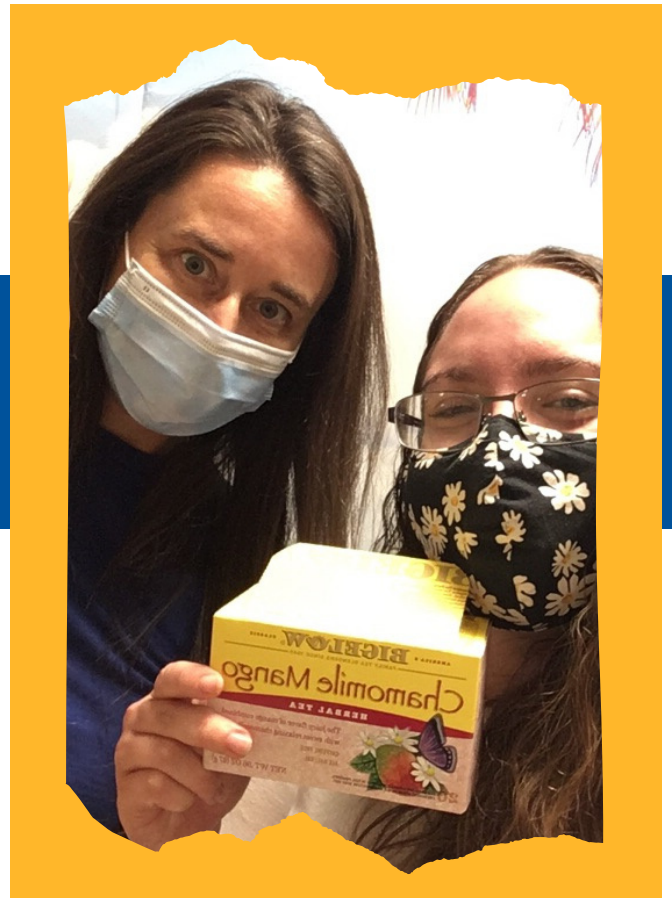

# the **CLUB** Cup

SA/LD hosted a competition between all clubs to complete missions across campus, which has exposed them to our many policies and procedures.

The competition is hosted on the smartphone app, GooseChase, and it asks students to collect pictures and videos, answer trivia questions, and check-in to locations.

The Muslim Student Association caught up with their Faculty Advisor, Dr. Al-Masoud in order to pick up 400 bonus points. They are tied with Tea Club!

The Tea Club met their new Faculty Advisor, Victoria Ginter, from Student Wellness Services.

## Mission: Office Hours

"Go find your Faculty Advisor's office! You get points for taking a picture of their door, to show you stopped by, but you will receive 400 bonus points if you get a picture with your advisor, to show you have introduced yourself."

## Winner Winner

The club or organization that wins The Club Cup will receive an addition \$500 to their base budget, in addition to bragging rights!

# OPENING DAY

**WEDNESDAY, AUGUST 25, 2021**

## **7:30PM C.A.N. MOVIE NIGHT**

This was not your typical movie night. The Central Activities Network (CAN) wanted to host an event the night before classes start that would be relaxing yet fun. A 28ft inflatable projection screen was built on the lawn between DiLoreto and Carroll Halls.

CAN decided that laughing along to Kevin Hart and "The Rock" in *Jumanji: The Next Level* would begin the year on a high note. The Jumanji franchise began in 1995 with the original film starring Robin Williams, and was picked up again in 2017 with *Jumanji: Welcome to the Jungle*. In *The Next Level* (2019), characters re-enter the game but the game is fighting back.

To supplement the themes in the films, CAN picked out safari animals to be part of a stuff-a-pal activity during the movie. When students arrived at the check-in location outside of Willard-DiLoreto, they chose between:

- Zippy the Zebra
- Trunks the Elephant
- Silverback the Gorilla
- Charlie the Leopard
- Happy the Hippo

They grabbed stuffing materials and a custom CAN t-shirt for their new pal. In addition to this activity, students can also enjoyed pre-packaged popcorn bags and plenty of bottled water.

The first 100 students received an exclusive CAN beach towel, perfect for using to lounge on the lawn. The movie ended in a cliff hanger, so we might be able to expect more Jumanji movies in the future.

## MARK YOUR CALENDERS FOR HOMECOMING

### OCTOBER 7TH AND 9TH

A joint effort between several student-led organizations is under way to celebrate CCSU's Homecoming. The Student Government Association, Central Activities Network, Inter-Residence Council, and Devils Den Late Night, are teaming up with Athletics to host a Pep Rally on Thursday, **October 7th**. While details are still being confirmed students can expect some of the following:

- Munchers International Food Truck, serving primarily Caribbean food
- Local favorite Craftbird Food Truck, serving fried chicken
- Frisbies Dairy Barn, serving the Blue Devil Ice Cream Sandwich
- Introduction of the football team and coaches
- CCSU Cheer
- Dance Team
- Dance Central
- Pep Squad
- Pep Rally T-shirts
- Pom Poms
- Large Blue Devil Horns
- Large blue foam glow sticks
- Airbrush tattoo artists
- Music and more!

There is a special surprise that is sure to be a BLAST!

On Saturday, **October 9th**, SA/LD is supporting these organizations in the development of pre-game festivities for current CCSU students only. Kickoff against the Columbia Lions is at 1pm. Starting at 10am, students can visit the Up the Hill Quad to participate in a Bungee Jump Trampoline, a Photo Koozie novelty, and Giant Bucket Toss. There will also be a mechanical football, taco truck, and Ice Cream Emergency. We hope to make this a memorable and fun experience for our current CCSU students.

# CLUB TRAINING SESSIONS

FOR EXECUTIVE BOARD MEMBERS

## **FRIDAY, SEPTEMBER 3, 2021** **CLUB CELLY & REFRESHER**

Student Activities & Leadership Development offered a session for clubs that were able to register on time and who remained active throughout the past year.

No we did not hand out free cell phones... "a celly" is the term our students are using to abbreviate "a celebration", but we did hand out free ice cream at the end of the program!

Club leaders learned about the changes made to club processes, including the re-branding of "The Link".

## **FRIDAYS, SEPTEMBER 17 AND 24** **10AM-11AM | PHILBRICK ROOM**

### **CLUB OFFICER TRAINING**

Each club must send 2 executive members to these mandatory trainings. These sessions include an in-depth overview on the important hallmarks of a club, such as planning events, purchasing, travel, resources, Club Central and more. Students pick from one of the dates above.
