

CENTRAL
CONNECTICUT STATE UNIVERSITY

Adjunct Professor

Department of Physical Education & Human Performance

Recruitment: Ongoing

Position for Fall 2023

The Department of Physical Education & Human Performance (PEHP) at Central Connecticut State University seeks adjunct faculty for **PE 299 *Psycho-Social Aspects of Physical Education*** and **PE 406 *Adapted Physical Education*** in our undergraduate Physical Education – Teacher Preparation program in the Dept of Physical Education & Human Performance. Courses are taught on campus and appointments are for one semester.

PE 299 *Psycho-Social Aspects of Physical Education (UG)*: Examination of the foundation and practical psychological and sociological principles to facilitate classroom management, teaching effectiveness and student learning in physical education. 10 hours of field experience in an elementary physical education setting required.

PE 406 *Adapted Physical Education (UG)*: Pedagogical skills and knowledge pertaining to physical education for individuals with disabilities and gifted and talented individuals. Emphasis on program planning and teaching effectiveness in the psychomotor, cognitive, and affective domains. 20 hours of field experience in a school and/or community-based facility.

PE 516 *Adapted Physical Education (GR)*: Pedagogical skills and knowledge pertaining to physical education for individuals with disabilities and gifted and talented individuals. Emphasis on program planning and teaching effectiveness in the psychomotor, cognitive, and affective domains. 20 hours of field experience in a school and/or community-based facility.

Women, minorities, and under-represented groups are strongly encouraged to apply.

Required Qualifications:

- Master's degree or higher in the related field as specified above
- Professional experience that is current, substantial in terms of duration and level of responsibility
- Commitment to serving culturally, ethnically and linguistically diverse communities.
- K-12 Teaching experience in Physical Education.

Preferred Qualifications:

- Doctoral degree in the related field as specified above
- Professional Certification the related field as specified above
- Strong teaching skills, and have an ability to use technology effectively in teaching and learning
- Evidence of quality teaching experience

Candidates must demonstrate appropriate mastery of the subject area; provide students with appropriate learning materials; evaluate students' performance and provide effective feedback to guide student learning and success; keep samples of students' work for accreditation purposes; and contribute to maintaining an inclusive and collaborative environment.

Applications must include:

- Current resume
- Statement of Interest, including descriptions of discipline area(s) you are qualified to teach.

Applicants must be able to legally work in the United States. The Department is unable to arrange work permits for Instructor positions. Please redact any personally identifiable information (i.e., SSN, DOB, marital status, country of origin) from any documents submitted.

Salary determined from CSU [AAUP](#) contract, reference article 12.8 Part-time Member Pay Rates.

Those interested should send current resume and statement of interest to:
