**NOTE:** This course sequencing calendar is offered a resource to graduate students and is not considered a fixed schedule, academic contract, or a substitution for academic advising. And, although not expected, course offerings (especially during the Summer and Winter terms) are subject to change based upon course scheduling, student enrollment, and faculty availability. Students should consult the student handbook, regularly engage with their advisor, and routinely conduct a “**DEGREE EVALUATION**” via DegreeWorks/WebCentral-Banner Web Services to ensure they are on track for fulfilling the M.S. degree.
