July 7 - 11

E-SPORTS MARKETING

\$699

Grades 6-12

Level Up Your Future! Want to be the brains behind the next big esports sensation? This workshop dives into the exciting world of esports marketing, where you'll learn how to build a brand, engage fans, and create killer content. Get ready to strategize, promote, and dominate the esports scene – business style!

July 14 - 18

UNDERWATER SEAPERCH ROBOTIC ADVENTURE

\$899

Grades 7-12

Build SeaPerch bolsters and learn about basic concepts in science and engineering, as well as tool safety and technical procedures.

Each student will design, build, and keep their own working SeaPerch underwater robot from scratch. The SeaPerch build will be supervised by Connecticut teachers that have had extensive experience in SeaPerch.

THE MAGIC OF MULTIMEDIA

\$699

Grades 6-12

Lights, Camera, Action...and EVERYTHING Else! Unleash your inner creative genius! This workshop is your crash course in all things multimedia. From filming and editing videos to designing eye-catching graphics, you'll learn the skills to bring your digital visions to life. Get ready to create, share, and amaze!

July 21 - July 25

WE ARE VR

\$699

Grades 6-8

Step Inside Another World! Ever dreamed of exploring ancient ruins or battling dragons? This workshop lets you do just that – in virtual reality! Experience the magic of VR as you journey to incredible places and interact with amazing digital worlds. Get ready for an adventure you won't soon forget!

July 21 - July 25

GIRLS TEAM BUILDING WITH SEAPERCH

\$899

Grades 6-12

You will be guided through the build process by expert teachers who have been teaching and guiding students as they learn the skills used to bring this SeaPerch ROV to life. No Previous Experience Needed. All tools and materials provided.

SeaPerch (seaperch.org) is a program in which students build and test underwater Remotely Operated Vehicles (ROVs) at Central's indoor swimming pool.

July 28 - August 1

VIRTUAL REALITY ARENA

\$699

Grades 6-8

Game On...in VR! Take your VR experience to the next level in our dedicated VR Arena! Compete with friends, explore immersive environments, and push your skills to the limit. This workshop is all about fun, competition, and the thrill of virtual reality gaming. Get ready to play!

August 4 - 8

RATED E FOR E-SPORTS

\$699

Grades 5-8

Game On! Get in the game! This workshop is your introduction to the exciting world of esports. Learn the basics, try out different games, and discover what it takes to be a champion. Get ready to level up your gaming skills and join the esports revolution!

August 11 - 15

RATED E FOR E-SPORTS AND G FOR GAMERS

\$699

Grades 9-12

Level Up Your Game! Ready to take your gaming to the next level? This workshop is designed for serious gamers who want to improve their skills and explore the competitive side of esports. Learn advanced strategies, team tactics, and the secrets to success in the world of esports. Get ready to compete!
