Library Annex

- Working on getting project into budget, this is the last 2020 program project

Vance Academic Center

- Business Analytics area complete, continue to look at bringing groups together

Carroll Hall

- Drop In Center grand opening on 9/23, serving as a learning atmosphere for younger children, future work on space for older children

Davidson Hall

- Working on estimates for Provost suite and continued improvements and changes to building

Applied Innovation Hub

- XR Lab is the first of its kind in CT. An augmented virtual and mixed reality simulated environment that can serve multiple disciplines
- Legal issues with construction contractor of the AIH building

Copernicus Hall

- Community Clinic-estimated 3,000 sf space tentative opening for spring semester
- Improvements to other lab space as part of backfill project

Other

- Parking system being worked on for Willard DiLoreto Garage, our goal is to have this system in all garages
- Department growth/space needs please let Facilities know for planning purposes (email Sal/Jim/Rene)
- Continued discussion on Tranquility Room
- Former FYE space
- Davidson parking lot space designations

Respectfully Submitted,

Rene Karas
