

Central Residence Hall Move-In Day

Unloading and Parking Instructions

Turn page over for maps

Find your residence hall on the list below to determine **where to unload** your belongings and **where to park** when you have finished unloading.

When you finish unloading, please move your car immediately to the parking area designated to free space so that others may unload.

The map (see *reverse*) will help you find your residence hall relative to the entire campus. Look at map details 1, 2, and 3 to identify your particular building and parking locations. All addresses are for GPS use.
