Young, Anna	Communication	Faculty Collaboration in Focus: Launch of "Barbenheimer Syndrome" Highlighting Interdisciplinary Scholarship and Student Engagement	\$1,000.00
Zhang, Richard	Management and Organization	Presentation at the 2026 Production and Operations Management Society (POMS) Annual Conference	\$2,500.00
Zhao, Shushan	Computer Electronics and Graphics Technology	Presenting "Countermeasures against Common Scams in E-commerce" in the International Conference on System Safety and Security	\$700.00

Total Full-Time Faculty Awarded= \$159,015.50

Part-Time Faculty			
--------------------------	--	--	--

Armstrong, Sarah	Music	Advancing Science-Based Vocal Pedagogy Through Immersive Study in Vocology and Applied Voice Teaching	\$2,909.00
Brown, Taylor	Management & Organization	Setting a Path for Success: Advancing Teaching Methods and Research Excellence for New Faculty	\$2,075.00
Carlson, James	Technology and Engineering Education	Promoting Teacher Recruitment and Program Sustainability at the CTEEA and ITEEA Conferences	\$1,258.00
Casey-Nelson, Colleen	Music	Unity in Harmony: Connecting Cultures, Classrooms, and Communities Through Music	\$722.00
Howland, Traci	Counselor Education & Family Therapy	AAMFT Supervisor Training	\$783.00
Kane, Gregory	Technology & Engineering Education	Promoting Teacher Recruitment and Program Sustainability	\$1,471.00
Kuscul, Gonul Hilal	Psychological Sciences	From Coping Styles to Care Burdens: Structural Roots of Gendered Stress	\$260.00
Lee-Villarreal, Lydia	Nurse Anesthesia Practice	Enhancing Nurse Anesthesia Faculty Development Through AANA Didactic Educator Micro-Credentialing	\$3,000.00
Neal, Kristyn	Marketing	Expanding Faculty Expertise with Continuing Education at Digital Summit	\$1,726.00
Ocampo, Joseph	Management & Organization	Advancing Compensation Education Through the CCP Designation	\$2,790.00
Paskov, Ashley	Art & Design	Volumes: Material-Drive Experimentation, Cultural Identity, and the Significance of Space, Attending the 2026 60th National Conference of Educators of Ceramic Arts (NCECA)	\$1,299.00
Sylvester, Mary	Geography, Anthropology & Tourism	Research Presentation at IICE: Strategies for Heightening Multicultural Information Inclusion in Dance Education Curricula and Beyond	\$3,072.00

Total Part-Time Faculty Awarded= \$21,365.00

CSU-AAUP 2025-26 Faculty Research Grants

Faculty	Department	Title of Proposal	Amount Awarded
Abbas, Syed	Biology	Impact of social isolation and communal living on crayfish behavior	\$5,000.00
Albayram, Yusuf	Computer Science	Investigating the Effectiveness of AI-generated Personalized Anti-Phishing Training	\$5,000.00
Alicea-Velazquez, Nilda	Chemistry & Biochemistry	Phosphotyrosine recognition by SHP-1's tandem SH2 domains	\$5,000.00
Allen, Trevor	Political Science	The Far Right and the Left Behind: The Demographic Deepening and Surprising Durability of Western Europe's Rightwing Populists	\$5,000.00
Barrington, Candace	English	Researching and Writing the New Chaucer Society Presidential Address	\$5,000.00
Bray, Alicia	Biology	Identifying the beetles (Coleoptera: Carabidae) of Connecticut's Trap Rocks: Contextualizing Insect Communities through a Habitat Framework: Year Two of Field Work	\$5,000.00
Catasus, Natalie	English	Subjects Adrift: Cuban and Haitian Sea Migration in Literature and Art (book manuscript)	\$4,991.00
Chakraborty, Sourav	Chemistry & Biochemistry	Determination of anthocyanins from Jaltomata fruits	\$5,000.00

Chase, Daniel	Biomolecular Sciences	The development of neuron-specific pre- and post-synaptic marker proteins to localize the DOP-2 receptor to specific synapses in ASH	\$5,000.00
Chen, Jason	Accounting	An Innovative Pedagogical Design and Students' Deep Learning	\$5,000.00
Choi, Jiyong; Lee, Namhun	Manufacturing & Construction Management	Data-Driven Framework for Enhancing Strategic Highway Safety Planning	\$7,288.00
Cohen, Diana	Political Science	Women of the Hobby: Sport Card Collecting in the Digital Age	\$5,000.00
Cole, Haile	Geography, Anthropology & Tourism	Belly: An American Love Story	\$5,000.00
Corbera Lopez, Silvia	Psychological Science	Decision Making and Information Processing in Conspiracy vs Delusional and Paranoid Thinking	\$5,000.00
Crundwell, Guy	Chemistry & Biochemistry	Metal-Ligand Extended Frameworks - Silver Perchlorate Networks with Thiophene Containing Methanimine Analogs	\$4,686.00
Dehigaspitiya, Dilani	Chemistry & Biochemistry	Design and Synthesis of a Multivalent Inhibitor of Human β -Tryptase	\$5,000.00
Dharavath, Haji Naik	Computer Electronics & Graphics Technology	Influence of Substrate Properties (Weight/Thickness and Brightness) on the G7 Master Compliance through a Color Managed Digital Printing Workflow	\$5,000.00
Dlugolenski, Eric; Schnobrich-Davis, Julie	Criminology & Criminal Justice	Detective Training: Addressing Gaps, Challenges, and Opportunities in Modern Investigative Practices	\$9,699.00
