## ABOUT CENTRAL

[Central Connecticut State University](#), the largest institution in the Connecticut State Colleges and Universities system, was founded in 1849 as the state's first publicly funded university. Committed to teaching, scholarship, and community engagement, Central fosters the development and application of knowledge through research and outreach, preparing students to be thoughtful, responsible citizens.

## ABOUT THE SCHOOL OF BUSINESS

Central's [School of Business](#), accredited by the AACSB—a distinction held by only 6% of business schools worldwide—prepares future business leaders for today's dynamic workforce. We partner with regional employers, respond to evolving workforce needs, and promote excellence in teaching, research, and community engagement.

## ABOUT THE CENTRAL SUCCESS JOURNEY

The [Central Success Journey](#) is a customizable digital record that captures a student's complete learning experience—academic and beyond. It highlights skills developed through coursework, achievements, experiential learning, and more, offering a verified, holistic view that goes beyond the traditional transcript.
