What's Next? Move-In, what to bring

Message to the families of our incoming students:

Summer is a special season for families. As you soak up these final months before your student begins their college journey, we hope you take time to enjoy the everyday moments together. We know this summer is filled with excitement, anticipation, and perhaps a few bittersweet "lasts" before move-in day arrives.

It has been a pleasure meeting so many of you at Orientation, and we hope you enjoyed getting a glimpse of what life at Central has to offer. If you haven't attended Orientation yet, we look forward to welcoming you to campus at one of our upcoming sessions!

In this June/July edition, you'll find important reminders and key dates to help you prepare for the start of the fall semester, along with some photos highlighting June Orientations. As always, our team is here to support you and your student every step of the way as you prepare to join the Central community this fall.

If you missed our May newsletter, please check it out [here](#).
