

Polytechnic Investment Case Task Force Physical and Technological Infrastructure

Final Summary 6/17/2026

Draft summaries were created and shared amongst the members of this Task Force for review and discussion by the group. These summaries were then integrated into one report that consolidates the work done by the Task Force to evaluate the Physical and Technological Infrastructure, the data collected from these evaluations, as well as the group's overall recommendations.

- Original drafts were reviewed and updated by the Task Force (versions 1-12) from 6/3/2026 through 6/11/2026.
- Report #1 was finalized and a draft was submitted to President Toro on 6/12/2026.
- Additional feedback received from Task Force members was added and some information that crossed over into areas being covered in more depth by other Polytechnic Task Forces, was removed between 6/13/2026 through 6/16/2026.
- Final Report submitted to President Toro on 6/17/2026.
