Sociology Internship Application
Applications should be submitted and approved before you register for courses.
Placements should be solidified by mid-December for a January start date.

Sociology majors or minors who are interested in an internship for the Spring semester should complete this application. Please return the application to the Sociology Department or the current Internship Director, Prof. Heather R. Rodriguez, Bassett Hall 317-03. Students will be notified via email, before registration, if they are accepted into the Sociology Internship Program.

Please also include: Two letters of recommendation and a recent resume. Have these items emailed to Dr. Bruce Day at dayb@ccsu.edu

To be eligible you must be a Sociology Major or Minor, have completed 60 credits (15 must be in Sociology), and have a GPA of 2.5 or higher. Please type or print clearly and use additional sheets if necessary.

List all completed Sociology courses, the semester completed, and if not taken at Central name the institution.

What skills could you offer to a placement organization?

Describe any experiences (paid or volunteer) that helped you develop your skills.

What do you hope to learn from this experience? Identify any career goals or objectives that you may wish to advance through the internship.

Do you have any specific plans after graduation? Tell me about them.

Can you think of any experiences/knowledge you gained in your Sociology courses that you believe would be useful for the internship experience? Identify any issues you would like to explore in more depth through the internship experience.

What would be your ideal placement?
