A college scholarship is a monetary award based on criteria given by the awarding party. It can be given on the basis of academic merit, athletic ability, financial need or other criteria specific to the group giving the award. Educational grants and scholarships are the best kind of financial aid, for one simple reason: it's free money.

To make your journey to college a little easier, the African-American Affairs Commission has compiled a listing of available scholarships and information to assist you with your search.

In this booklet you will find a brief description of each scholarship. Each scholarship contains contact information and/or links that will direct you to the actual scholarship. Click on the scholarship link provided or cut and paste the website address into your browser.

# COLLEGE GOAL SUNDAY

[www.collegegoalsundayct.org](http://www.collegegoalsundayct.org)

For students who are the first in their family to attend college, the process of applying for college can seem complicated, especially finding financial resources and applying for aid to make the dream of attending college a reality. Participating in College Goal Sunday gives students and their families a great first step on the pathway to college. It gives students an opportunity to learn about preparing for college and financial aid in a comfortable setting.

In Connecticut, the state with the largest educational achievement gap, it is very important that barriers that discourage African-American students and other first generation students to go to college be removed. College Goal Sunday provides students and their care providers with expert service and attention in completing the FAFSA, the most important form needed to secure financial aid for college.

College Goal Sunday is funded and sponsored by the Lumina Foundation for Education, YMCA USA, the CT Association of Professional Financial Aid Administrators (CAPFAA) and the CT Association of Educational Opportunity Programs (CAEOP). College Goal Sunday is a valuable opportunity to get tips on planning for college and personal advice on ways to make attending college more affordable. Students and parents are encouraged to take advantage of this event. For more information, contact the African-American Affairs Commission at 860-240-8555 or visit College Goal Sunday at [www.collegegoalsundayct.org](http://www.collegegoalsundayct.org).

**What** Completing your Free Application for Federal Student Aid (FAFSA) form.

**Who** High School Seniors and students entering college in the fall 2013 for the first time.

**When** Sunday, January 27, 2013 from 1:30 PM – 4:30 PM

**How** Visit [www.collegegoalsundayct.org](http://www.collegegoalsundayct.org) to pre-register and for more information.

# KnowHow2GO-CT Network

Studies from the U.S. Department of Education show that 8 out of 10 students expect to earn a college degree or higher, but few students understand what they need to do to be fully prepared for college. In response, a coalition of Connecticut organizations, led by the Departments of Education and Higher Education, have joined forces with the Lumina Foundation for Education, the Ad Council and the American Council of Education to support KnowHow2Go. KnowHow2Go is a multimedia campaign that provides students with four basic steps they can use to actively guide their preparation for postsecondary education.

The campaign reaches out to young people, their parents and family members and their mentors with television, radio and outdoor public service advertising and an interactive website. You can visit the website at [www.knowhow2goct.org](http://www.knowhow2goct.org) click on "Useful Links Website and More" for more information.

## FOUR STEPS TO COLLEGE

1. Be a pain (in a good way) Find an adult who can help you with the steps to college.
2. Push Yourself. While in high school take the classes that are required for college admission – the more challenging courses.
3. Find the right fit - Explore the colleges that suit your interests.
4. Put your hands on some cash – Apply for financial aid – Sign up for College Goal Sunday–CT in the fall of your senior year [www.collegegoalsundayct.org](http://www.collegegoalsundayct.org).

## ACCESS AND SUCCESS

Our goal is to increase the adult population in Connecticut with a college degree from 39% to 60% by the year 2025.

## RE-GRANT

KH2GO-CT received a \$140,000 grant from the Lumina Foundation for Education Inc. and so far has awarded \$60,000 to organizations in Connecticut that engage students in access and success in post-secondary educational programs.

## NETWORK DEVELOPMENT

Establish a successful college success and access network in Connecticut that targets first generation and economically disadvantaged students.

## TECHNICAL ASSISTANCE

Provide technical assistance for organizations in Connecticut striving to increase college access and success.
