

Central Faculty Resources* in Diversity

* In the fall semester 2008, the Faculty Senate Committee sought to create a list of the faculty, well versed in diversity issues, who were willing to be called upon to meet with departments, student groups, etc to share their area of expertise. This list is a work in progress. If you would like to be added to this list, please e-mail Carolyn Fallahi (Fallahic@ccsu.edu) to have your name and area of expertise added.
