SEPS Interdisciplinary Special Project Proposal

Projects are intended to address current needs of SEPS faculty and/or students, as well as our communities we serve.

Special Projects are intended to be interdisciplinary, short-term, and independent of other standing committees.

Title:

Purpose and Outcome(s):

Brief overview and timeline:

Intended membership/participants:

Funding source:

SEPS Dean's Council will review (within 4 weeks) Special Projects brought forward by either an individual faculty or a set of faculty members; proposals will be evaluated based on the project being relevant, timely, and SEPS wide. Approval of Special Projects do not guarantee or intended to provide funding support for proposed initiatives. Requests should be submitted ELECTRONICALLY to mlamarre@ccsu.edu
