Outline

Introduction:

The purpose of this training is to provide basic safety steps to keep our students and fellow faculty and staff safe in various circumstances including bleeding, seizures, fainting, active shooters, bomb threats, evacuations, and fires, until emergency personnel arrive.

i) Review Good Samaritan Law

The Good Samaritan Law (CGS § 52-557b) provides immunity from civil damages for acts of ordinary negligence in connection with the rendering of emergency medical service by specified individuals under certain circumstances. The immunity does not apply to gross, willful, or wanton negligence.

ii) Review CCSU Emergency Procedures Flyer & CCSU Safety Pamphlet

iii) Identify locations of AEDs (automated external defibrillator) on campus; How to obtain official First Aid/CPR Training

iv) What to do until first responders arrive in these scenarios:

- a. Significant Bleeding/ Bodily Injury
- b. Seizures
- c. Syncope/ Passing Out
- d. Allergic Reaction/ Anaphylaxis
- e. Fire Alarm/ Building Evacuation

v) What to do if you question a student's safety in a classroom due to reasons of intoxication, illness, or extreme fatigue.

a. Emphasize areas that pose a threat to others such as handling power equipment or performing strenuous tasks

vi) CCSU Police Department:

- a. Everbridge and Emergency Messages
- b. Active Shooter Safety Run, Hide, Fight video
- c. Bomb Threats
- d. Their role in Campus Safety
