Summer Academy 2019

Nautilus Live!

**When:**
July 8, 2019-July 19, 2019

**Time:**
8:00 a.m- 3:30 p.m

**Where:**
CCSU Main Campus

Explore the ocean LIVE with Dr. Robert Ballard and his crew on the deep sea Exploration Vessel Nautilus. Perform hands-on science activities and build and operate your very own remotely operated vehicle.

Full STEAM Ahead!

**When:**
July 22, 2019-
August 2, 2019

**Time:**
9:00 a.m- 3:30 p.m

**Where:**
CCSU Downtown Campus (ITBD)

Exciting projects using Art (drawing, painting, sculpting), Computer-Aided Design (CAD), 3D printing, and related field trips to area museums.

Young Engineers!

**When:**
August 5, 2019-
August 16, 2019

**Time:**
8:00 a.m- 1:00 p.m

**Where:**
CCSU Main Campus

Learn 3D printing/modeling with Solidworks and Makerbot, and their applications in Science, Technology, Engineering and Mathematical fields (STEM).

*Transportation, admission fees, and lunch provided to TRiO participants. Space is limited. Registration is Required. Visit www.ccsu.edu/trio
